MARCH 10, 1905.

Agitating the Referendum.

There seems a strong determination to try the virtue of the referendum as a means of checking appropriations by the legislature, says the Salem Journal. Mass meetings are to be held in Lincoln county to promote signatures to the petitions for holding up the appropriations for the next two years.

Of course, there will always be a large number of people who are ready to sign any petition under almost any circumstances.

If they are fomented and excited through newspapers of general circulation, they will carry such propositions at the expense of the taxpayers.

All this settles nothing, because in the end the bills will be paid anyhow, and in the meantime the state will be borrowing money.

It is useless to tell the unreasonable agitator that he is only creating disorder, and putting the state in the class of those who pay high prices by going in debt for necessities for the state institutions.

Startling Mortality

Statistics show startling mortality, from appendicitis and peritonitis. To prevent and cure these awful diseases there is just one reliable remedy, Dr. King's New Life Pills. M. Flannery, of 14 Custom House Place, Chicago, says: "They have no equal for Constipation and Biliousness." 25c at A. C. Marsters druggist.

Yamhillers Fernist 'Em All.

Salem Statesman: Can it be that the Yamhillers are not fighting the normal school appropriation alone? Are they also opposed then to the state's care of the insane, the blind, or the education of the mute? Do they fear the future of the country under the teaching of the State Agricultural College, or are they afraid to let Governor Chamberlain's superintendent of the penitentiary have the expenditure of the general appropriation made for the maintenance of that institution?

Strike Hidden Rocks.

When your ship of health strikes the hidden rocks of Consumption, Pneumonia, etc., you are lost, if you don't get help from Dr. King's New Discovery for Consumption. J. W. McKinnon, of Talladega Springs, Ala., writes: "I had been very ill with Pneumonia, under the care of two doctors, but was

getting no better when I began to take Dr. King's New Discovery. The first dose gave relief, and one bottle cured me." Sure cure for sore throat, bronchitis, coughs and colds. Guaranteed at A. C. Marsters & Co. drug store price 50c and \$1.00. Trial bottle free.

A most enjoyable "violin" party was given at the home of Mr. and Mrs. L. D. Carle to twenty of their friends Thursday evening. In the wee small hours of the morning the guests departed, each vowing Mrs. Carle a royal entertainer. The guests were: Mr. and Mrs. A. C. Marsters, Mr. and Mrs. A. J. Bellows, Mr. and Mrs. A. A. Bellows, Mr. and Mrs. Geo. M. Brown, Mr. and Mrs. F. L. Blew, Mr. and Mrs. E. Rhodes, Mr. and Mrs. W. L. Dylinger, Mr. and Mrs. Walter Pickthorn, Miss Jessie Patrick, Mrs. L. M. Ross, Miss M. NO PROGRESS BEING MADE.

Roosevelt Will Appoint New Panama Canal Commission.

WASHINGTON, March 9.—Radical changes are to be made in the personnel of the Panama Canal Commission. President Roosevelt has let members of Congress know that he is not at all satisfied with the work of the commission as it at present is constituted.

As constituted now, the commission is said to be unwieldy. It is regarded as containing too many elements which have to be adjusted, one to another, before anything definite can be done. To remedy this defect the President, it is believed, will reduce the membership of the body and place in immediate supervision of canal workmen those who will work in consonance with the ideas of himself and Secretary Taft. In doing this, the President will exercise his discretion about appointing seven members of the body, as provided for under the Spooner act. It is very likely, indeed, that eventually he will reduce the commission to three members, simply by not filling the places of those whose resignations have been accepted. By adopting such a plan as is here outlined, the President hopes to get together a homogeneous and harmonious working force—a force that will achieve results.

Twenty Years' Trial.

There are lots of good things the doctors know nothing about. We frequently cure people of disease after the doctors have given them up. If the disease comes from overwork, dissipation or exposure, causing weak and watery blood and loss of flesh and strength, we have the one sure remedy, Dr. Gunn's Blood and Nerve Tonic. These tablets taken with meals turn the food into rich, red blood, making strong, steady nerves and increasing the strength, producing solid flesh at the rate of 1 to 3 lbs. per week. This means health. Druggists sell Dr. Gunn's Blood and Nerve Tonic for 75c per box, or 3 boxes for \$2. For nervous prostration, loss of memory, or a pale, yellow complexion, a better remedy was never made. Doctors know nothing about this remedy only the fact that we make cures, which we have been doing for 21 years. For sale by A. C. Marsters & Co.

Drain News.

G. W. and Cyrus Hansen, of Elkton, left last Thursday night for Stockton, Calif., where they will spend the summer with an uncle.

Joe Norshley and family left for Goshute, Neb., Tuesday, where they will reside. Mr. N's health was poor in this climate and he was compelled to return to his former home.

Mr. and Mrs. C. Meacham and a son, and L. E. Meacham, their son, arrived here from Oklahoma City, O. T., Monday and will make their home in Elkins.

Bishop David H. Moore, of the M. E. church, accompanied by Presiding Elder Wire, were stage passengers yesterday morning for North Bend, where they go to dedicate a new Methodist church.

Geo. Ross and Jacob Ritchey left Monday for the north. They will work in a logging camp on the Cowlitz river.

J. A. Culy received word from his son, M. C. Culy, who is working in a saw mill at Lake Head, Wash., that he met with an accident while setting a ratchet, which laid him up for a month. A log rolled on his foot, breaking two bones.

Mrs. M. B. Sigos went to Cottage Grove Sunday where she will remain for some time to receive medical treatment.

Paul Applegate has gone to Mt. Olive, Calif., where he will spend the summer.

What Time Proves.

This thing of being sick and looking for a cure is a mighty serious business. People are not given to joking even at the first symptom of the approach of the Grim Destroyer. They do not want to be the subjects of experiment, but want medicine that has had the test of years behind it. A medicine that has been made and used for 20 years gives assurance of its worth, and can be taken with a faith that they have the very best cure the world affords. All this can be said about Dr. Gunn's Improved Liver Pills as a remedy for sick-headache, dyspepsia and indigestion, it begins right at the source of the trouble and removes the cause. Sold by all druggists for 25c per box. One pill for a dose. For sale by A. C. Marsters & Co.
