Elkton News. Rev. J. P. Woodley preached in the Christian church in Elkton Sunday. Mr. Woodley has been with us the first Sunday of each month for two years, but will leave soon for the East, where he expects to attend school. The excitement incident to the tripple tragedy at Cooper's mill has subsided somewhat, and while there is no ground for censure, as far as investiga- tion has been made, we feel that the community has a right to demand a fuller investigation in a matter of such gravity. Miss Ida Robinson commenced a term of school in the Butler district on Long Prairie last Monday, March 27. The weather has cleared and pros- pects for crops are excellent—the best for years. H. R. Dimmick, the deputy assessor, will commence interviewing the citi- zens of Elkton this coming week. Born, to Mr. and Mrs. R. G. Grubbe, April 2, 1905, a ten pound boy. R. The Good of Medicine. People insisting that medicine does no good, have one stubborn fact to con- tend with, that is, the people who do believe are greatly in the majority. We have been so fortunate during the past twenty years as to convince thou- sands of sufferers with weak watery blood, who had all the symptoms of a general breaking down of the system, that one medicine at least does good. Nervous and unsteady people, weak, fleshless people, pimply, pale or sallow people can have strong steady nerves, and solid healthy flesh by the use of Dr. Gunn's Blood and Nerve Tonic. A tablet to take at meal time, it turns the food that you eat into rich, red blood, making solid flesh at rate of 1 to 3 lbs. per week. Sold by all druggists for 75c. per box, or 3 boxes for \$2. This medicine saves doctor bills and insures health, giving the best treatment pos- sible. For sale by A. C. Marsters & Co., Druggists. Last Hope Vanished. When leading physicians said that W. M. Smith, of Pekin, Ia., had incur- able consumption, his last hope vanished; but Dr. King's New Dis- covery for Consumption, Coughs and Colds, kept him out of his grave. He says: "This great specific completely cured me, and saved my life. Since then, I have used it for over 10 years, and consider it a marvelous throat and lung cure." Strictly scientific cure for Miss Ida McGuire, of Olalla, is visit- ing her sister, Mrs. E. A. Hinkle, for a few days. Mr. and Mrs. Bert Hedgpeth are going to Calpooia Saturday to visit Mrs. Hedgpeth's people. R. L. McLaughlin has enclosed a ten acre tract of land for the purpose of raising turkeys. Mr. O. D. Ollison is out again, after a month's illness with pneumonia. Will Powell, of Myrtle Creek, is visiting at E. Hatfield's for a week. Rev. Mark Munson came over from Edgewater yesterday to see the S. S. start for this year. There was a fine turn out. This is the third year of S. S. work in Dixonville and the interest in studying the scripture is increasing rapidly. MARGARET. A Daredevil Ride often ends in a sad accident. To heal accidental injuries, use Bucklen's Ar- nica Salve. "A deep wound in my foot, from an accident," writes Theodore Schuele, of Columbus, O., "caused me great pain. Physicians were helpless, but Bucklen's Arnica Salve quickly healed it." Soothes and heals burns like magic. 25c at A. C. Marsters & Co. druggists. \$500.00 Reward. The above reward will be paid by the County Court for information leading to the arrest and conviction of the per- son or persons that shot and killed Jacob J. Reuter near the mouth of Little Canyon, Douglas County, Ore- gon, upon March 26th, 1905. Dated this 3d day of April, 1905. M. D. THOMPSON, County Judge. THE SURE WAY to prevent Pneumonia and Consumption is to cure your cold when it first appears. "Acker's" English Remedy will stop the cough in a night, and drive the cold out of your system. Always a quick and sure cure for Asthma, bronchitis, and all throat and lung troubles. If it does not satisfy you we will refund the money. Hamilton Drug Co., Roseburg; Oak- land Drug Co., Oakland. No medicine can replace food, but Chamberlain's Stomach and Liver Tablets will help you to digest your food. It is not the quantity of food taken that gives strength and vigor to the system, but the amount digested and assimilated. If troubled with a weak digestion, don't fail to give these Tablets a trial. It helps you in business, helps good looks, helps make friends, helps get situations and helps you hold them, and always makes happiness. There are few diseases that inflict more torture than rheumatism and there is probably no disease for which such a varied and useless lot of reme- dies have been suggested. To say that it can be cured is, therefore, a bold statement to make, but Chamberlain's Pain Balm, which enjoys an extensive sale, has met with great success in the treatment of this disease. One appli- cation of Pain Balm will relieve the pain, and hundreds of sufferers have testified to permanent cures by its use. Why suffer when Pain Balm affords such quick relief and costs but a trifle? For sale by Hamilton Drug Co., Rose- burg.
