The Good of Medicine.

People insisting that medicine does no good, have one stubborn fact to content with, that is, the people who do believe are greatly in the majority. We have been so fortunate during the past twenty years as to convince thousands of sufferers with weak watery blood, who had all the symptoms of a general breaking down of the system, that one medicine at least does good. Nervous and unsteady people, weak, fleshless people, pimply, pale or sallow people can have strong steady nerves, and solid healthy flesh by the use of Dr. Gunn's Blood and Nerve Tonic. A tablet to take at meal time, it turns the food that you eat into rich, red blood, making solid flesh at rate of 1 to 3 lbs. per week. Sold by all druggists for 75c. per box, or 3 boxes for \$2. This medicine saves doctor bills and insures health, giving the best treatment possible. For sale by A. C. Marsters & Co., Druggists.

Douglas County Creamery butter 40 cents per square. Guaranteed. If not as represented, return to the creamery.

Season's First Ball Game.

It took ten innings to decide the first baseball game of the season at Rose Park Sunday afternoon between the High School team and an aggregation of "All Stars". The high school team was defeated by the score of 12 to 11, but they acquitted themselves creditably for lads of their age. The feature of the game was the umpiring of C. B. Cannon, whose work was the finest ever seen on the home grounds. He was a little "off" on balls and strikes, a trifle inaccurate in his judgement of foul and fair balls, somewhat erroneous in his base play decisions and displayed a lamentable lack of knowledge of the rules, but beyond these immaterial defects, his work was above criticism. The rooters were out in full force—that is they were few in number but many in voice.

The two teams lined up as follows:
High School "All Stars"
Seaton P. Reizenstein
Huntington C. E. Pankay
McConnell S. Ryan
Bridges 1. Terrell
Staley 2. Hamlin
Gagnon 3. Rowell
French L. C. Pankay
Conn M. Harpham
Gilvin R. Goodman

Last Hope Vanished.

When leading physicians said that W. M. Smithart, of Pekin, Ia., had incurable consumption, his last hope vanished; but Dr. King's New Discovery for Consumption, Coughs and Colds, kept him out of his grave. He says: "This great specific completely cured me, and saved my life. Since then, I have used it for over 10 years, and consider it a marvelous throat and lung cure." Strictly scientific cure for Coughs, Sore Throats or Colds; sure preventive of Pneumonia. Guaranteed, 50c and \$1.00 bottles at A. C. Marsters & Co's. drug store. Trial bottle free.

FOR THE BLOOD

"S. S. S. for the blood" has grown to be a household saying. When the blood is out of order, or needs treatment from any cause, this great remedy is the first thought of and used by thousands of people all over the country, because it is superior to all other blood purifiers. It is a purely vegetable remedy, and while it penetrates the circulation and forces out all poison and morbid matter, it also builds up the entire system by its fine tonic effect. During the winter months the natural avenues of bodily waste have become dull and weak and failed to perform their full duty, the blood has been sluggish and an extra amount of poisons and waste matters have accumulated in the system and been absorbed by it. With the coming of Spring and warm weather the blood is aroused and stirred to quicker action and in its effort to throw off these acids and poisons the skin suffers. Boils, pimples, blotches, rashes and eruptions break out and continue until the blood is cleansed and made pure. S. S. S. is the ideal remedy for this condition; it clears the blood of all impurities, makes it rich and strong and these skin troubles pass away. Rheumatism, Catarrh, Chronic Sores and Ulcers, Contagious Blood Poison and all other diseases of the blood are cured by S. S. S. Book on the blood and any advice desired, free of charge.
