Oregon Crop Summary.

The weather during the week has been favorable for germination and growth and the soil is in good working condition. A large amount of summer fallowing has been done and the planting of corn, potatoes, sugar beets and gardens has been pushed. Spring wheat seeding, except on very low land, is practically completed. All grains and grasses have made excellent growth during the week, and these crops are generally in a very promising condition. The sugar beet acreage in the Grand Ronde valley has been considerably increased. Cut worms have made their appearance in the onion fields of Washington county, but the damage done by them has been slight. Hops are very thrifty; the vines in many yards reach to the top of the poles and their training is in active progress. Stock everywhere is in fine condition; the flow of milk in the dairy districts is abundant; the increase of lambs is above the average, and sheep shearing has become general.

Peaches, pears, plums, cherries and apricots have been more or less injured by the late frosts; in some few localities very light yields are expected, while in other sections the outlook is much better. The late varieties of apples have not bloomed as full as usual. Strawberries are doing well.

Rheumatic Pains Quickly Relieved.

The excruciating pains characteristic of rheumatism and sciatica are quickly relieved by applying Chamberlain's Pain Balm. The great pain relieving power of the ointment has been the surprise and delight of thousands of sufferers. The quick relief from pain which it affords is alone worth many times its cost. For sale by Hamilton Drug Co., Roseburg.

GOOD BLOOD TELLS ITS OWN STORY

And tells it eloquently in the bright eye, the supple, elastic movement, the smooth, soft skin, glowing with health, a body sound and well, an active brain, good appetite and digestion, refreshing sleep, energy to perform the duties and capacity to enjoy the pleasures of life. The blood is the most vital part of the body; every organ, muscle, tissue, nerve, sinew and bone is dependent on it for nourishment and strength, and as it circulates through the system, pure and strong, it furnishes to these different parts all the healthful qualities nature intended. When, from any cause, the blood becomes impure or diseased, it tells a different story, quite as forceful in its way. Itching, burning skin diseases, muddy, sallow complexions, disfiguring sores, boils, carbuncles, etc., show the presence, in the blood, of some foreign matter or poison. Rheumatism, Catarrh, Contagious Blood Poison and Scrofula, are effects of a deeply poisoned blood circulation. These may either be inherited or acquired, but the seat of trouble is the same—the blood. S. S. S., a purely vegetable blood remedy, cleanses and purifies the circulation and makes it strong and clean. Under its purifying and tonic effects all poisons and impurities are expelled from the blood, the general health is built up, all disfiguring eruptions and blemishes disappear, the skin becomes soft and smooth and robust health blesses life. Rheumatism, Catarrh, Scrofula, Contagious Blood Poison and all diseases of the blood are cured by S. S. S. Book on the blood and any medical advice, free of charge. **THE SWIFT SPECIFIC CO., ATLANTA, GA.**

So Deceptive.

Many Roseburg People Fail to Realize the Seriousness.

Backache is so deceptive. It comes and goes—keeps you guessing. Learn the cause—then cure it. Nine times out of ten it comes from the kidneys. That's why Doan's Kidney Pills cure it. Cure every kidney ill from backache to diabetes. Here's a Roseburg case to prove it: E. C. Cole, farmer, living across Deer Creek, Roseburg, Ore., says: "For a year I was subject to kidney trouble and backache. When that aching was not constant attacks, would strike me unexpectedly at any moment. I was suffering from one severe spell when I read about Doan's Kidney Pills, and seeing that this remedy was guaranteed to cure backache or kidney complaint and those ailments alone, I had more faith than if it had been advertised as a cure-all, and I went to A. C. Masters & Co.'s drug store and got a box. I had used the pills for a short time, when the aching ceased." For sale by all dealers, price 50 cts. Foster-Milburn Co., Buffalo, N. Y., sole agents for the U. S. Remember the name—Doan's—and take no other.

Drain News.

Death of John M. Bloss.

CORVALLIS, Or., April 27.—The college flag flies at halfmast tonight over receipt of the news of the death this morning at Mukwonago, Ind., of John M. Bloss, who was president of the Oregon Agricultural College from 1892 to 1896. He was successor to the late President Arnold, and was succeeded by H. B. Miller, whose term of one year preceded Thomas M. Gatch, present incumbent.

Ex-President Bloss was to have been a guest at the college during the coming commencement, an event over which there was much anticipation.

New Post for Barrett.

WASHINGTON, April 27.—The office of Minister to Panama is soon to be abolished, and John Barrett is to be transferred to another South American Ministry, paying the same salary as he now receives. He will be made Minister either to Venezuela or Chile—it is not now known which.

Bright's Disease and Diabetes News.

1737, Broadway, San Francisco. To the church women of Roseburg: It is so hard for people to believe that Bright's Disease and Diabetes are now curable that I am asked to permit reference to my own case. There are too many dying to remain silent. I had both Bright's Disease and Diabetes for over five years. Was very feeble, had dropsy, and the physicians told us the case was hopeless. I heard that people were being cured in this city and procured the treatment. In a few months the dropsy had disappeared and in a year I was well. To show how well will say that later I stood a capital operation at the Walden Sanitarium in the presence of six physicians. Many friends, including Dr. Markell, of Cloverdale, and Judge E. B. Cutler, of Pine Street, are fully cognizant of my recovery. In fact, Judge Cutler is himself now recovering under the same treatment. Let the cure be proclaimed to the world. MRS. S. E. CLINE. This is entirely correct. E. B. CUTLER.

The above refers to the newly discovered Fulton Compound, the first cures in the world for Bright's Disease and Diabetes.
