APRIL 29, 1905.

Skelley News.

Mrs. J. T. Miller has over 400 young turkeys already hatched, and proposes to outdo all her former efforts in raising the great American bird for the future holidays.

Mrs. Wm. Love is quite ill, and W. A. Roberts is laid up with a severe cold.

A. E. Shirla will build the planing mills of the Skelley Lumbering Co. at the terminal of the company's flume, which now lacks less than one and a half miles of completion.

The Hayhurst school, under the direction of Miss Mabel Wilson, is well and systematically managed and is a credit to the lady in charge.

Mr. W. H. Sykes will leave the early part of next week on his annual trip to his home in McKeesport, Pa., on business and to visit his family. He expects to be back about the 27th, proximo, and upon his return increased operations will be begun in every department of the Skelley Lumber Co.'s business on Billy creek.

Clarence Fegles and family are now among the solid people of Skelley. Mr. Fegles is an accomplished musician, and now that he is with us, the town can boast of possessing a very fair orchestra for all purposes.

The hay crop promises to be unusually abundant this year, and both fall and spring sown grain are looking very pleasing to the farmers.

There is a potato famine in this section of the county. There are none to be had at one cent per pound.

Eggs have advanced to 14 cents per dozen.

Mr. and Mrs. A. E. Shirla have taken up their home with us again, and are kindly welcomed by a host of friends.

The Misses Dora and Minnie Lake are visiting with their sister, Mrs. Walter Briggs, at this place.

Chas. Fegles is suffering from an attack of rheumatism, at his farm near this place.

Spring is here, and so is the irrepressible drummer of the hardware and other wholesale firms. REX.

SUFFERED 8 MONTHS

Thanking you for the speedy recovery, I am gratefully yours, Francis L. Gannon, Vancouver, Wash.

W. A. McCarty has sold his celebrated Clydesdale stallion, Grover Cleveland, to T. P. Simpson, of North Umpqua.

Judge and Mrs. L. B. Stearns, of Portland, are visiting relatives here. They spent the winter in California and will return home soon.

Mrs. Sarah Smith died of apoplexy on the Klenke farm near this city, Wednesday, aged about 57 years. Interment in the Citizens' cemetery yesterday afternoon.

Mrs. John Hardie and daughter, Mrs. E. A. Caton, returned from Portland Sunday evening, accompanied by their husband and father, John Hardie, of Norman, Oklahoma. In a few days Mr. and Mrs. Hardie will return home.

Mr. and Mrs. W. C. Sheppard, daughter and son, of Oskaloosa, Iowa, were guests of Mr. Sheppard's brother, Sam Sheppard, a couple of days the first of the week. Mr. and Mrs. Sheppard will visit their daughter in Idaho, before returning home.

Last Saturday William Mickie purchased 14 head of fine work horses from E. G. Young & Co. He will purchase a few more in Roseburg and ship them all to Los Angeles.

Grant Taylor has sold a wagon load of white oak lumber to J. H. Miller. This timber was sawed at Winchester and is first quality in every respect. A portable saw mill could make money sawing oak timber near this city, and it is not recorded that a large mill would not be a paying investment. —Owl.

The Good of Medicine.

People insisting that medicine does no good, have one stubborn fact to contend with, that is, the people who do believe are greatly in the majority. We have been so fortunate during the past twenty years as to convince thousands of sufferers with weak watery blood, who had all the symptoms of a general breaking down of the system, that one medicine at least does good. Nervous and unsteady people, weak, fleshless people, pimply, pale or sallow people can have strong steady nerves, and solid healthy flesh by the use of Dr. Gunn's Blood and Nerve Tonic. A tablet to take at meal time, it turns the food that you eat into rich, red blood, making solid flesh at rate of 1 to 3 lbs. per week. Sold by all druggists for 75c. per box, or 3 boxes for \$2. This medicine saves doctor bills and insures health, giving the best treatment possible. For sale by A. C. Marsters & Co., Druggists.

Why suffer from a cold when a few doses of Umpqua Cold Cure will relieve you, at Hamilton's d-sw.

State Game Warden Baker, of Cottage Grove, was in town Monday taking an important part in the trial of W. E. Frost, who was arrested by Deputy Game Warden Marvin for the killing of deer out of season. The case came up for trial in the evening before Justice Montgomery. Introducing my wonderful arts of healing now before the public.

Don't fail to come and have your diseases told, and be cured if you wish. Remember, I tell you diseases. I have two arts of healing. I heal with magnetic power, and with roots, herbs, barks and berries. Come one and all and I will tell everybody their diseases. Please bear in mind that I am the only man who manufactures these remedies this side of Paris, as I was where I learned these arts of healing, and shall in the future put certain kinds of medicine in your drug stores for the benefit of the public.

My office and laboratory are at 1282 Hurst Street, University Park, Portland, Oregon.

I am here and shall be at the home of Mrs. Hildebrand, near the depot, Roseburg, Oregon, until May 10th, and shall call every month in the future.

FAMILY WASHING

PER LB. 5c PER LB.

A Long Story Briefly Told

It is true that for 5 cents per pound the Roseburg Steam Laundry will wash, starch and deliver ready for ironing, all family washing. The term family washing embraces such articles as underwear, handkerchiefs, hose, sheets, pillow cases, napkins, towels, etc., while all flat pieces are ironed without extra charge. This means more hours of leisure for the overworked housewife. Talk it over with "hubby."
