Glendale News.

A. Sackett will leave Saturday for St. Johns where he has secured employment.

L. C. McKenny, former owner of the Glendale News, has again embarked in the newspaper business, having purchased one of the two printing-offices at Santa Maria, Cal., a city of about 2500 population. His paper is called the Graphic.

Geo. Kohlhaugen was in town Tuesday, accompanied by Balfour Spiker, of Oakland, and during the day an important business transaction took place, Mr. Spiker purchasing the Economy Meat Market from Mr. Kohlhaugen.

A splendid new steel turn-table will be placed at Glendale at once. It will be on a much larger scale than the present one. A car load of cement, some 38,000 pounds, has already arrived for it.

The home of N. P. Jones has been blessed with a new arrival, a 15 pound boy, who arrived on the scene Wednesday afternoon.

J. F. McGregor departed from Glendale Monday evening for Portland, where he will seek employment.

Deputy Game Warden Marvin was agreeably surprised Wednesday evening by the arrival of his two brothers Wm. and Harry Marvin from Logansport, Indiana. He had not seen his brothers for eleven years. They will remain for some time and may decide to locate here.

C. Negley, who has been in the employ of the Economy Meat Market here for the past ten days, returned to Roseburg Wednesday evening, having exchanged places with John Rostermundt who is again employed at this place.

Miss Irene Plotner, who resides with her relatives at the old Elfin place, met with a serious misfortune as she was riding to town Sunday on horseback, the horse throwing her to the ground in such a way as to fracture the collar bone. Medical attendance was immediately summoned and under this care she is gradually improving.

If You Have Dyspepsia, Read This.

The old way of taking poppin, blismuth, etc., to cure dyspepsia is all wrong. They may be put up in tablets or in liquid, the result is just the same. The object is to create artificial digestion, but this does not make a cure. Stop taking the poppin, etc., and you have your dyspepsia and indigestion back again. People use cocaine or

opium for nervous troubles and sick-headache, it does not cure, stop taking the drugs and the pain and distress return. The only common sense method is to drive out of the system the cause of dyspepsia and sick-headache, by cleansing the stomach and bowels, at the same time using a medicine that will act on the liver. This forces through the glands of the stomach the digestive fluid that nature intended. In this way you cure dyspepsia. The medicine that cures dyspepsia, by this method is called Dr. Gunn's Improved Liver Pills. Druggists sell these pills at 25c per box. It only takes one pill for a dose. For sale by A. C. Marsters & Co.

Fernandez, of Tampa, Fla., describing his fearful race with death, "as a result of liver trouble and heart disease, which had robbed me of sleep and of all interest in life.
