POMPEIAN Massage Cream

CLEANSES WHERE SOAP AND WATER FAIL

Washing with soap and water makes the face look clean, but it cleans the surface only. It does not clean out the impurities in the skin that make it muddy and sallow. Pompeian Massage Cream goes through the surface. It sinks into every pore—reaches and loosens all foreign dirt and impurities that lodge in the pores. It is the only facial cream free from grease and that keeps the face free from it. Does not—cannot—promote the growth of hair on the face. Price 50c and \$1.00 per jar.
