The Outgo is Large.

The California Promotion Committee says: "California for 1904, imported 7,120 tons of butter and eggs; 3,998 tons live and dead poultry; 30,189 tons live and dead meat, and 3,170 tons of lard and grease, all of which and more too, can be raised in the state."

Terrific Race With Death.

"Death was fast approaching," writes Ralph F. Fernandez, of Tampa, Fla., describing his fearful race with death, "as a result of liver trouble and heart disease, which had robbed me of sleep and of all interest in life. I had tried many different doctors and several medicines, but got no benefit, until I began to use Electric Bitters. So wonderful was their effect, that in three days I felt like a new man, and today I am cured of all my troubles." Guaranteed at A. C. Marsters and Co's drug store; price 50c.

Oakland News.

The Knights of the Maccabees will institute a new tent in Oakland, Monday evening, May 22.

A. F. Brown writes his son, C. H. Brown, from Chicago, that he will arrive in Oakland about the 15th.

William Moore has left samples of rye over six feet in height at this office. Another proof of the fertility of Douglas county soil.

J. P. Hughes has sold his farm and crop near Wilbur and with his family will soon remove to Arizona, hoping the health of himself and family will be improved by a change of climate.

Rev. W. S. Smith left on Tuesday's local for Winona Lake, Indiana, where he represents the Presbytery of Southern Oregon, in the General Assembly of the Presbyterian church of the United States.

On Friday, May 5, the neighbors and

friends in the vicinity of Fir Grove spent a most enjoyable evening with Mr. and Mrs. H. G. Rees in celebration of their "kiss wedding." Fifty-two persons were present, twenty-one of whom were children.—Owl.

Strictly Genuine.

Most of the patent medicine testimonials are probably genuine. The following notice recently appeared in the Atchison (Kan.) Globe: "Joe Tack, a well known engineer, running on the Missouri Pacific between Wichita and Kiowa, lately appeared in a big one, in a picture, and when he was in this office today, we asked him about it. He says he had terrific pains in his stomach, and thought he had cancer. His druggist recommended Kodol and he says it cured him. He recommended it to others who were also cured." Kodol Dyspepsia Cure digests what you eat, and cures all stomach troubles. Just as surely as the sun shines your stomach can be brought back to its originally pure condition and life sweetened by this lasting and truly the greatest digestant known. Sold by Fullerton & Richardson.

CHANGES IN SPECIAL DATES.

Monday, June 12, Will be Douglas County Day at the Fair.

PORTLAND, May 11.—Owing to difficulties that have appeared in the way of adequate transportation facilities, a long list of special city days at the Exposition had to be revised yesterday.

Nineteen Oregon cities and twenty-two Washington cities have been assigned to new dates.

Reports from railroad companies announcing a probable shortage in rolling stock in the event too many cities of one district were given dates close together, necessitated the change. Following is the list of cities affected.

June 6, Tuesday—McMinnville, Hillsboro and Forest Grove.

June 7, Wednesday—Pendleton and Heppner.

June 8, Thursday—The Dalles, Prineville and Moro.

June 9, Friday—Ashland, Grants Pass, Medford and Jacksonville.

June 10, Saturday—Astoria, Salem, Oregon City and Woodburn.

June 12, Monday—Roseburg and Cottage Grove.

June 13, Tuesday—La Grande and Union.

June 14, Wednesday—Corvallis and Independence.

June 15, Thursday—Joseph, Lostine, Wallowa and Egin.

June 16, Friday—Eugene and Albany.

June 17, Saturday—Baker City and Sumpter.

If You Have Dyspepsia, Read This.

The old way of taking pepsin, bismuth, etc., to cure dyspepsia is all wrong. They may be put up in tablets or in liquid, the result is just the same. The object is to create artificial digestion, but this does not make a cure. Stop taking the pepsin, etc., and you have your dyspepsia and indigestion back again. People use cocaine or opium for nervous troubles and sick-headache, it does not cure, stop taking the drugs and the pain and distress return. The only common sense method is to drive out of the system the cause of dyspepsia and sick-headache, by cleansing the stomach and bowels, at the same time using a medicine that will act on the liver. This forces through the glands of the stomach the digestive fluid that nature intended. In this way you cure dyspepsia. The medicine that cures dyspepsia by this method is called Dr. Gunn's Improved Liver Pills. Druggists sell these pills at 25c per box. It only takes one pill for a dose. For sale by A. C. Marsters & Co.

An Editor's Opinion of the Royal Gorge.

Edyth Tozier Weathered, in describing a recent trip over the Denver & Rio Grande Railroad, says in "The Exposition":

"At last the goal of the ambition of years has been reached—marvelous, wonderful, grand and inspiring Royal Gorge is on either hand. The only disappointing thing is you only have one pair of eyes, while the train darts in and out of the tremendous chasm. If any who have never seen it are wondering how it looks just go and see. Thousands have tried to describe it, yet every attempt falls short of giving the subject justice."

If you contemplate a trip East, write W. C. McBeidin, 121 Third street, Portland, Ore. for booklets picturing Colorado's famous scenery, and any other information you may desire. d-tf.

A Creeping Death.

Blood poison creeps up toward the heart, causing death. J. E. Stearns, Belle Plaine, Minn., writes that a friend dreadfully injured his hand, which swelled up like blood poisoning. Bucklen's Arnica Salve drew out the poison, healed the wound, and saved his life. Best in the world for burns and sores. 25c at A. C. Marsters & Co's drug store.

Dead Number 120.

SNYDER, Okla., May 12.—One hundred and twenty lives were lost in the tornado that wrecked the town of Snyder Wednesday night, according to late reports received today. Thirty-five persons are still missing and it is believed that nearly 25 of the injured will die.

The financial loss is estimated at \$350,000.
