A Roseburg Case.

Many More Like it in Roseburg.

The following case is but one of many similar occurring daily in Roseburg. It is an easy matter to verify its correctness. Surely you cannot ask for better proof than such a conclusive evidence.

G. W. Bennett, of Fowler Street, near the creek, a well known veteran says: "If kidney complaint affects everyone as it did me there is little wonder that the sufferer is constantly complaining and continually on the outlook for something to bring relief. I was more or less annoyed with kidney complaint ever since I left the army in 1865. I suffered everything from steady dull aching to excruciating twinges across the small of my back. I had to move around very carefully trying to avoid pain, for a false step or awkward movement brought punishment. T. C. secretions from the kidneys were in a terrible condition, dark in color, smelled very strong and after standing a short time deposited heavy brick dust sediment. I was eight months under treatment for my kidneys, but nothing gave me any permanent relief until I commenced using Doan's Kidney Pills, getting them at A. C. Marsters & Co's drug store. The first box so greatly benefited me that I followed up the treatment by using three boxes. They practically cured me. I am eighty-eight years old and can hardly expect to be cured completely, but when a remedy will bring relief to a person of my age and in a case of so long standing, what will it do in ordinary cases?"

For sale by all dealers, price 50 cts. Foster-Milburn Co., Buffalo, N. Y., sole agents for the U. S.

Remember the name—Doan's—and take no other.
