EVENING ROSEBURG REVIEW.

VOL. VIII. ROSEBURG, OREGON, SATURDAY EVENING, AUGUST 19, 1905. No. 110.

Home Made

Have your cake, muffins, and tea biscuit home-made. They will be fresher, cleaner, more tasty and wholesome.

Royal Baking Powder helps the housewife to produce at home, quickly and economically, fine and tasty cake, the raised hot-biscuit, puddings, the frosted layer-cake, crisp cookies, crullers, crusts and muffins, with which the ready-made food found at the bake-shop or grocery does not compare.

Royal is the greatest of bake-day helps.

ROYAL BAKING POWDER CO., NEW YORK.

NO MORE FREE SEEDS

Is One Purpose of an Organization Just Formed.

WASHINGTON, Aug. 18.—At a meeting here of representatives of the American Association of Nurserymen, the American Seed Trade Association and the Society of American Florists and Ornamental Horticulturists, an organization was formed for the purpose of co-operating in all matters of mutual interests. Among the subjects agreed upon for such co-operation were the securing of favorable rulings by collectors of customs regarding imports of seeds, plants, bulbs, trees and horticultural merchandise and supplies; a discontinuance of Governmental free seed distribution.

The giving of commissions to gardeners and others making purchases for public institutions or large private buyers was condemned, and an effort will be made to abolish the practice. The allied association also proposes to deal with the question of "graft, or commissions to protect agents of buyers."

A special commission was appointed to make investigation.

Of Interest to Sick People.

We have all the sympathy in the world for sick people, and want to treat them in a serious way. There is no humor in pain and affliction, but hard earnest fact. It is impossible for the patient to impress on others the extent of suffering they endure, and their anxiety for relief. To get well or be relieved is their one thought and any remedy that will bring this about has their everlasting gratitude. We have thousands of letters from people who have had dyspepsia, sick-headache and bilious attacks, who tell us how thankful they were for having used Dr. Gunn's Improved Liver Pills. They are sold at all drug stores for 25c per box. Only one for a dose. These pills remove the cause of disease and make the skin clear and healthy looking. For sale by A. C. Marsters & Co.

Czar to Call Assembly.

ST. PETERSBURG, Aug. 18.—It was announced today that an imperial manifesto proclamation creating a National representative assembly would be read in all the churches and at meetings of Zemstvoists and municipalities tomorrow (Saturday). The day will be observed as a National fete day and the government offices will be closed.

SUFFERED 15 YEARS

WITH DYSPEPSIA.

I have been a sufferer for the last 15 years with Dyspepsia and have tried every remedy available and also many doctors, but found no relief until I purchased a 25 cent package of Acker's Dyspepsia Tablets, which helped me immediately and two boxes entirely cured me. Hoping I may benefit some other sufferer, I ask you to publish this. Thomas I Smallwood, 145 South Mechanic St., Springfield, Ohio.

For sale by Hamilton Drug Co., Roseburg, Oakland Drug Co., Oakland.

Send to W. H. Hooker & Co., Buffalo, N. Y., for a free trial package. (Nothing Like Them.)

SUITS ARE SETTLED.

Hotel McClallen Free From All Incumbrances.

The suits filed against Thos. C. Bloomer, proprietor of the Hotel McClallen, as published in the issue of the REVIEW of last Wednesday and Thursday, have all been settled by Mr. Bloomer, who returned here from Albany Friday. Accordingly, the attachments levied upon the hotel building and equipments have been withdrawn.

LIKE RATS IN TRAP.

Over 90 Persons Drowned in a Car in 12 Feet of Water.

NORFOLK, Va., Aug. 18.—A diver sent into the river at noon at the scene of the Atlantic line wreck found a full car of dead men, women and children, who were drowned like rats in a trap. The number of victims found in the car number over 90. The diver says that the scene on the bottom of the river is the most horrible he ever witnessed.

The wreck occurred yesterday afternoon, when an excursion train loaded with 500 negroes plunged through an open draw over the Twin branch of the Elizabeth river, eight miles from Norfolk, and the engine and two cars were submerged in 12 feet of water.

The wreck was caused by the inability of the engineer to control the airbrakes. The engineer, fireman and conductor escaped by jumping.

The list of injured in hospitals and homes exceeds 100 and a conservative estimate places the killed at 125 to 150.

Notice.

Parties desirous of obtaining refreshment, confection or restaurant privileges at the District Fair, to be held at Roseburg in September, should apply at once to F. A. MCCALL, Secretary

OPPOSITE THE ROSEBURG THEATRE

SAKHALIN TO JAPS

Czar Cables Witte to Recede From Former Position.

INDEMNITY NOT SETTLED

Linievitch Reports Army Insufficient For Either Offensive or Defensive.

Special to Evening Review.

ST. PETERSBURG, Aug. 19.—Upon receipt of a cablegram from S. Witte, the Russian peace envoy, announcing that Baron Komura, the Japanese envoy, remained obdurate in regard to an idemnity and the cession of the Island of Sakhalin, the Czar called a council of ministers today and discussed the situation. A telegram was sent to General Linievitch asking for his opinion as to the advisability of continuing the war, and he replied that his forces was insufficient to either take the offensive, defend the mouth of Amur river or recapture Sakhalin. As a result a cablegram was sent to Witte directing him to recede from his original position.

ENVOYS CABLE THE MIKADO

PORTSEOUTH, N. H., Aug. 19.—Baron Rosen, the Russian peace envoy, left for Oyster Bay this morning in response to a message from the president.

The Japanese envoys have sent a cablegram to the Mikado, recommending that certain of the peace terms be modified.

DEADLOCK ON FRIDAY.

PORTSMOUTH, N. H., Aug. 18.—The crisis in the peace conference has been reached and pessimism is again the note.

The only chance now is compromise—Russia to yield Sakhalin, and Japan indemnity. Neither will yield both, and perhaps Japan at the final show of hands will yield neither. Mr. Witte, under the imperial instructions given him before he left St. Petersburg, can agree neither to pay war tribute nor cede a foot of Russian soil. St. Petersburg, therefore, in the last resort, remains to be heard from. Doubtless this is the reason why he favors a postponment over Sunday. Baron Komura probably will welcome an adjournment of two days in order that he also may lay the situation before his government before its final decision.

STATUS OF TERMS.

The substance and present status of the Japanese terms are as follows:

First—Russian's recognition of Japan's preponderant influence in Corea, with her right to preserve order in the civil administration, give military and financial advice to the emperor, Japan binding herself to observe the territoral integrity of Corea, and (it is believed) the policy of the "open door." Accepted.

Two—Mutual obligation to evacuate Manchuria. Accepted.

Three—Japan's obligation to restore in Manchuria Chinese sovereignty and civil administration. Accepted.

Fourth—Mutual obligation to respect in future, "the territoral integrity and administrative entity" of China in Manchuria, and to maintain the principle of equal opportunity for the industry and commerce of all nations (open door). Accepted.

Fifth—The cession of the Island of Sakhalin to Japan. Refused and final consideration deferred.

Sixth—The surrender to Japan of the Russian leases of the Liatoong Peninsula, including Port Arthur, Dalny and the Blonde and Elliott Islands. Accepted.

Seventh.—The surrender to China by arrangement with Japan of the branch of the Chinese Eastern Railroad running south from Harbin to Port Arthur and Niu Chwang, together with the retrocession of all the privileges obtained under the concession of 1898. Accepted in principle; final agreement deferred.

Eighth—The limitation of the Chinese concession obtained by Mr. Rothstein and Prince Ouktomsky in 1896 under which the "cut off" through Northern Manchuria was built to connect the Trans-Siberian and Ussurri railroads, so as to provide for the detention of the owership and operation of the line by the Chinese Eastern, but with provision for the eventual substitution of Chinese imperial police for Russian "railroad guards." Accepted.

Ninth—Renumeration for the cost of the war. Refused, and action deferred.

Tenth—The surrender of the Russian warships interned in neutral Far Eastern waters. Disagreement and action deferred.

Eleventh.—The limitation of Russia's naval power in Pacific waters. Action deferred.

Twelfth—The grant to the citizens of Japan of the right to fish in waters of the Russian littoral from Vladivostok north of the Behring Sea. Accepted.

TWO LIVES LOST

Fire Destroys Inn Near Portland Exposition.

VICTIMS MAN AND A BOY

Six Persons Injured, One of Whom, Lady Employee at Fair Booth, Will Die.

Special to Evening Review.

PORTLAND, Or., Aug. 19.—The bodies of a man and boy, charred beyond recognition, have been removed from the ruins of the State Room Inn, near the Exposition grounds, which was destroyed by fire early this morning. The man was identified as Thomas Sorenson, of Notch Hill, B. C. The identity of the boy is still a mystery. Six other persons were burned or injured in jumping out of the windows. One of these, Miss Anna Lubt, employed at the Exposition booth, will die.

Strike Called Off.

ST. PAUL, Aug. 18.—President Perham of the Order of Railroad Telegraphers is receiving by telegraph the vote of the telegraphers on the question of declaring the strike off on the Great Northern. He says that the men favor a return and announces he will declare the strike off today. He said that the condition is the result of the company's offer of higher wages.

The strike on the Northern Pacific is still in force. Perham will order a vote of the striking telegraphers on the Northern Pacific also to learn the sentiment on that road about returning to work.

How hard a mother has to coax before she can get her child to take its first step. It is just about as hard to induce a convalid, especially one suffering from weakness of the lungs, to take the first step to health. There is a lack of confidence, and perhaps a crushing experience of a former failure which depresses and discourages the sufferer.

In spite of doubts and fears you will take the first step to health when you take the first dose of Dr. Pierce's Golden Medical Discovery. It never fails to help. In ninety-eight cases out of one hundred it never fails to cure. Never mind about the symptoms. Obstinate cough, bleeding of the lungs, spitting of blood, emaciation, night-sweats, conditions which if neglected or unskillfully treated terminate in consumption, have all been perfectly and permanently cured by "Golden Medical Discovery."

"I am thankful to say that Dr. Pierce's Golden Medical Discovery cured me of consumption," writes Mrs. Mattie L. Denton, of Morganton, N. C. "My health had been bad and for several months before I began the use of your medicine I had symptoms of consumption. Had night-sweats, a bad cough, loss of appetite and a great loss of flesh. There were other symptoms of disease that disappeared by the use of the medicine. By the time I used one bottle of 'Golden Medical Discovery' I began to regain my appetite and after using two and a half bottles my cough was cured, I could eat heartily and all symptoms of consumption had disappeared. Took seven bottles of 'Golden Medical Discovery' and one of the 'Favorite Prescription.' Am very thankful I received so much benefit. I believe I would have been dead if I had waited and not taken Dr. Pierce's Golden Medical Discovery."

Sick persons are invited to consult Dr. R. V. Pierce, by letter, absolutely without fee or charge. Every letter is regarded as sacredly confidential. Each answer is mailed in a plain envelope. Address Dr. R. V. Pierce, Invalids' Hotel and Surgical Institute, Buffalo, N. Y.

PRUNE CROP SHORT

Oregon's 1905 Yield Placed at 5,000,000 Pounds.

ONE-THIRD OF AN AVERAGE

Large Portion Contracted on Basis of Two Cents—Some Growers Hold for More.

SALEM, Or., Aug. 18.—Not more than one-third of an average crop, or between 4,500,000 and 5,000,000 pounds of prunes, is the latest estimate placed upon the state yield for the season of 1905 by authorities upon the situation here. The average yield for the state is about 13,000,000 pounds, but the greatest yield was that of 1903, which amounted to 15,000,000 pounds. A great many agencies are ascribed as the cause for the shortage this year, among them being the prolonged warm and dry weather, and the consequent lack of moisture and lack of cultivation. The size of the fruit will be far above average, and indications are that the quality will be improved upon, which will have a tendency to increase the selling price considerably.

No trade is beng carried on to speak of at the present on account of Eastern buyers not caring to purchase at the holding prices of a 3-cent basis of four sizes for Santa Claras, in California. The Oregon growers were asking 2½ to 2¾ cents basis for 30-40's, and 2¼ cents basis for other sizes, with few takers. The bad condition of the crop both in California and Oregon leads local dealers to believe that the bottom of the market has been reached, and that when Eastern buyers come to realize the situation fully it will have a rejuvenating effect. A large percentage of the crops in this vicinity were contracted early in the season upon the basis of 2 cents for four sizes and better, and the growers here display a tendency to unload on contract, notwithstanding the optimism displayed by local dealers.

The Only Way.

There is no way to maintain the health and strength of mind and body except by nourishment. There is no way to nourish except through the stomach. The stomach must be kept healthy, pure and sweet or the strength will let down and disease will set up. No appetite, loss of strength, nervousness, headache, constipation, bad breath, sour risings, rifting, indigestion, dyspepsia and all stomach troubles that are curable are quickly cured by the use of Kodol Dyspepsia Cure. Kodol digests what you eat and strengthens the whole digestive apparatus.

Olalla News.

Threshing done; moderate yield.

S. S. Bolsinger and family, of Brockway, have returned from an outing at Bandon.

John Byron and L. D. Short are sojourning in Coos county.

W. H. Coates has finished threshing here and gone to Happy Valley to thresh his own crop.

Mr. and Mrs. R. A. Giles are attending the fair in Portland. X.

Pleasantly Effective.

Never in the way, no trouble to carry, easy to take, pleasant and never failing in results, are De Witt's Little Early Risers. These famous little pills are a certain guarantee against headache, biliousness, torpid liver and all of the ills resulting from constipation. They tone and strengthen the liver. Cure Jaundice. Sold by Fullerton & Richardson.

Popular and Picturesque.

The only thing necessary to make the Denver and Rio Grande the most popular, as it has ever been known the most pleasant and most picturesque way to cross the continent, has come about. This is the establishment of through sleeping car service.

In connection with the O. R. & N. a through Pullman Standard Sleeper is now run from Portland to Denver, leaving Portland at 8:15 p. m., arriving at Salt Lake at 8:45 a. m. the second morning, leaving Salt Lake at 3:50 p. m. and arriving at Denver 4:20 p. m. the following day. This schedule gives passengers seven hours stop-over in Salt Lake, affording an opportunity to visit the Mormon Capital as well as a day light ride through the grandest scenery in the world.

For reservations in this car and for illustrated booklets picturing the scenery contiguous to the Denver & Rio Grande, proving it to be the 'Scenic Line of the World," write to W. C. McBride, General Agent, 124 Third street, Portland.

Take Kodol After Eating.

After a hearty meal a dose of Kodol Dyspepsia Cure will prevent an attack of Indigestion. Kodol is a thorough digestant and a guaranteed cure for Indigestion, Dyspepsia, Gas on the Stomach, Weak Heart, Sour Risings, Bad Breath and all Stomach troubles. L. A. Soper of Little Rock, Ky., says: "Kodol Dyspepsia Cure deserves all the commendation that can be given it, as it saved the life of our little girl when she was three years old. She is now six and we have kept it for her constantly, but, of course, she only takes it now when anything disagrees with her. We feel grateful for the benefit derived from its use and would not be without it." Sold by Fullerton & Richardson.

Kills Child, Then Himself.

PUEBLO, Col., August 18.—Frank Ward, foreman of a yard gang at the Pueblo Steel Works, has caused the death of his daughter Francis, aged 16, by forcing her to swallow a quantity of poison, and then committing suicide by using the same drug. Neighbors say Ward has been drinking heavily, and had threatened to kill himself and the girl. Ward was a widower.

GIRL STRANGLED.

AUGUSTA, Me., Aug. 18.—Matilda Hackett, the 18-year-old daughter of a farmer of Kent Hill, was murdered last night by men supposed to be tramps. Four men applied at the house for a meal, and when it was being prepared by the daughter her father accompanied by one of the strangers, went to the stable near by to do some work. While there a scream was heard, and running to the road the father found his daughter unconscious with a small cord tightly drawn about her neck, blood was pouring from a deep gash in the head. All the tramps escaped, except the one who had gone to the barn.

One Woman Among the Thousands

We received a letter from Wayaross, Ga., from a woman who had been troubled with female complaint for a long time, until she was reduced to almost a shadow. It effected her mind, she could not remember anything, would get confused and so nervous and irritable she could hardly sleep. She described her case as one similar to thousands of other women, and then ends the letter by saying she had gained 18 lbs. last month and never felt better in her life, having no trace of her former troubles, slept well, and ate her meals with a relish. She commenced the use of Dr. Gunn's Blood and Nerve Tonic just six weeks before she wrote the letter from which we copy the above. This tonic is in tablet form, and should be taken right after meals. It turns the food you eat into strong, rich blood, feeding the nerves and curing disease by making healthy flesh. Sold by all druggists for 75c. per box, or 3 boxes for $2. Pale, weak, thin people should use this Tonic. Sold by A. C. Marsters & Co.

Tragedy at Bonneville.

BONNEVILLE, Or., Aug. 18.—While answering his aged mother's call to come home, J. L. Anderson, of Kansas City, Mo., was foully murdered near this place some time early this morning. The crime is remarkable for its cold-bloodedness and its mystifying features.

An investigation tonight showed that Anderson met his death by repeated blows on the skull with a heavy bridge bolt, but failed to reveal the slightest clew to the murderer or to disclose a motive for the crime.

Public is Aroused.

The public is aroused to a knowledge of the curative merits of that great medicinal tonic, Electric Bitters, for sick stomach, liver and kidneys. Mary H. Walters, of 546 St. Clair Ave., Columbus, O., writes: "For several months, I was given up to die. I had fever and ague, my nerves were wrecked; I could not sleep, and my stomach was so weak, from useless doctors' drugs, that I could not eat. Soon after beginning to take Electric Bitters, I obtained relief, and in a short time I was entirely cured." Guaranteed at A. C. Marsters & Co. drug store; price 50c.
