Every Man His Own Doctor.
The average man cannot afford to employ a physician for every slight ailment or injury that may occur in his family, nor can he afford to neglect them, as so slight an injury as the scratch of a pin has been known to cause the loss of a limb. Hence every man must from necessity be his own doctor for this class of ailments. Success often depends upon prompt treatment, which can only be had when suitable medicines are kept at hand. Chamberlain's Remedies have been in the market for many years and enjoy a good reputation.

Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints.

Chamberlain's Cough Remedy for coughs, colds, croup and whooping cough.

Chamberlain's Pain Balm (an antiseptic liniment) for cuts, bruises, burns, sprains, swellings, lame back and rheumatic pains.

Chamberlain's Stomach and Liver Tablets for constipation, biliousness and stomach troubles.

Chamberlain's Salve for disease of the skin.

One bottle of each of these five preparations costs but \$1.25. For sale by Hamilton Drug Co.

TEA

The cost of good tea is so very little: only a third of a cent a cup! a cent-and-a-half or two cents for the family breakfast!

Watch Frozen in Ice.

Reliable timepiece made by the South Bend Watch Co. Keeps absolutely correct time while frozen in a cake of ice. Proof of superior adjustment of watches to heat and cold.

THE watch that was a "good timekeeper" a generation ago isn't fit to meet the demands for accuracy and reliability that you must make upon the watch you carry.

Call and we will show you a South Bend Watch that is so much better than the watch you carry, that you can only throw away the old one and buy the South Bend. This saving is in money as well as in trouble and annoyance. We will prove it to you for the asking. Come and see the South Bend Watch that is so perfectly made and adjusted that it would keep perfect time frozen in solid ice.

Our stock of watches includes a good line of the South Bends.
