# S.S.S. CURES OLD SORES

No old sore can heal until the cause which produces it has been removed. External applications of salves, washes, lotions, etc., may reduce the inflammation and assist in keeping the place clean, but cannot cure the trouble because they do not reach its source. Old sores exist because the blood is infected with impurities and poisons which are constantly being discharged into the place. The nerves, tissues and fibres of the flesh are kept in a state of irritation and disease by being daily fed with the germ-laden matter through the circulation, making it impossible for the sore to heal. S. S. S. cures chronic sores by its purifying action on the blood. It goes down into the circulation, and removes the poison-producing germs, impurities and morbid matters which are responsible for the failure of the place to heal. S. S. S. makes the blood pure, fresh and healthy; then as new, rich blood is carried to the spot the healing process begins, all discharge ceases, the inflammation leaves, new tissue begins to form, the place fills in with firm, healthy flesh, and soon the sore is permanently cured. S. S. S. is purely vegetable, the safest and best blood purifier for young or old. Book on Sores and Ulcers and any medical advice free to all who write.

Portland Oregonian: There need be no great surprise that ex-Register Bridges, of the Roseburg land office, made arrangements with the prosecution for immunity. From his own confessions as to his dealings with Krebs, it is evident that he badly needed it.

Prof. A. M. Sanders and Miss Leona Mathews returned Saturday from Eugene, where they attended the Western Oregon Teachers' association. They report an excellent session and that the teachers were highly entertained by the people of Eugene.

J. R. Campbell and son, Dr. Campbell of St. Louis, arrived here last evening from Springfield, Ill. They are the owners of the Callahan farm beyond Warrenton, and they will probably subdivide the same and place it on the market.

Messrs. Campbell brought with them a souvenir from the new Coliseum at Denver, where the national democratic convention will be held next week. It is a strip of wood from the main entrance to the building and is the first democratic "big stick" to reach Roseburg from the convention headquarters where Hon. W. J. Bryan will doubtless be nominated for the third time.

Will Cure Consumption.

Cured of Bright's Disease.

Geo. A. Sherman, Lisbon Red Mills, Lawrence Co., N. Y., writes: "I had kidney disease for many years and had been treated by physicians for twelve years; had taken a well known kidney medicine and other remedies that were recommended but got no relief until I began using Foley's Kidney Cure. The first half bottle relieved me and four bottles have cured me of this terrible disease. Before I began taking Foley's Kidney Cure I had to make water about every fifteen minutes, day and night, and passed a brick-dust substance, and sometimes a slimy substance. I believe I would have died if I had not taken Foley's Kidney Cure." Red Cross Pharmacy.

## PEOPLE OF THE DAY

The Socialist Candidate. For the third time Eugene V. Debs, candidate of the Socialist party for president of the United States, is making the race for the highest honor in the gift of the people. In 1900 he ran on the Social Democratic ticket, receiving 87,814 votes. Four years later as a straight Socialist 402,283 ballots were cast in his favor.  
Mr. Debs' halls from Terre Haute, Ind., where he was born fifty-three years ago. In his younger days he was a locomotive fireman and from 1883 to 1886 was secretary-treasurer of the brotherhood of that craft. Resigning from that body, he organized the

EUGENE VICTOR DEBS.

American Railway union, of which he was made president. As head of the latter union he won a large strike on the Great Northern. While managing a still larger strike on western roads in which the Pullman company was involved he was charged with conspiracy, but on trial was acquitted; then he was charged with violation of an injunction and sent to jail for six months for contempt of court.  
Mr. Debs is a man of more than ordinary culture and has served as a member of the Indiana legislature and as city clerk of Terre Haute.

Big Man of the House.

Representative Cy Sullyway of New Hampshire is the best known man at the head of a long table in all congress. The capitol sees little of him except in that attitude. Sometimes he stalks upon the floor of the house, so tall and massive that there is no seat quite large enough to make him comfortable. He rarely remains very long.  
The place he likes is in the swivel chair at the head of the committee on invalid pensions, which adjoins the most used of the house elevators. The Hon. Cyrus keeps the mahogany doors open most of the time, with a plump, round faced negro messenger on guard. The multitudes pass and repass day after day, and the big Granite State, poring over papers, examining private pension bills and writing reports thereon, has become as much of a fixture in the optical apparatus of this parliamenting thorough as the goddess of Liberty on the capitol's top.—Boston Herald.

Conquerors of the Air.

The Wright brothers of Dayton, O., who recently created a sensation by flying in their aeroplane on the coast of North Carolina, seem to have noticed the problem of aerial navigation. Aside from the triumph of apparently controlled flight, the most important achievement from the aeronaut's viewpoint was that the flying machine not only carried both men, but carried them in a sitting position. Heretofore their aeroplane carried but one man, and he lying prone. According to all reports, the Wrights have succeeded in overcoming the real problem of mechanical flight, that of equilibrium. For many years the Wrights have been at work on their flying machine.

ORVILLE WRIGHT

They have made upward of 200 flights and have had many accidents, some of them serious. The last one demolished their ship and put a stop for the time being on further ascensions. Wilbur, the elder brother, is a large man of the big boned type. Orville is slight and dapper. Both are modest and very reticent concerning their machine. They are well known in Dayton, having lived there since childhood. Their venerable father, Bishop Wright, is still living and keenly interested in the exploits of his flying sons.

## F. H. CHURCHILL THE IRONMONGER

Dr. and Mrs. J. R. Chapman and the latter's sister, Mrs. Chas. Fisher, of British Columbia, leave here tomorrow morning for Coos Bay for a brief trip. They expect to return July 7th.  
Work of rebuilding the big bridge across the East Umpqua river at Glade will be commenced about next Monday, most of the material being on the ground or is now being hauled. The present bridge was built only three or four years ago, but it was so poorly constructed that it has been in a dangerous condition nearly ever since. Needless to say, the new bridge will be a substantial one.  
Mrs. B. B. Herrick, of Salem, Ore, of the county surveyor of Marion county, and two children, are visiting here at the home of her brother, Louis Barcoe.

### Every Man His Own Doctor.

The average man cannot afford to employ a physician for every slight ailment or injury that may occur in his family, nor can he afford to neglect them, as so slight an injury as the scratch of a pin has been known to cause the loss of a limb. Hence every man must from necessity be his own doctor for this class of ailments. Success often depends upon prompt treatment, which can only be had when suitable medicines are kept at hand. Chamberlain's Remedies have been in the market for many years and enjoy a good reputation.  
Chamberlain's Colic, Cholera and Diarrhoea Remedy for bowel complaints.  
Chamberlain's Cough Remedy for coughs, colds, croup and whooping cough.  
Chamberlain's Pain Balm (an antiseptic liniment) for cuts, bruises, burns, sprains, swellings, lame back and rheumatic pains.  
Chamberlain's Stomach and Liver Tablets for constipation, biliousness and stomach troubles.  
Chamberlain's Salve for disease of the skin.  
One bottle of each of these five preparations costs but \$1.25. For sale by Hamilton Drug Co.
