PILES

"I have suffered with piles for thirty six years. One year ago last April I began taking Cascarets for constipation. In five weeks I was cured. The piles began to disappear and at the end of six weeks they did not trouble me at all. Cascarets have done wonders for me. I can reliably recommend and feel free to say 'Yes'." NO PAPER ON JULY 4TH.

There will be no issue of The Daily Review Saturday, in order to give our entire working force an opportunity to take "a day off." The only holidays observed by The Review are Christmas and the 4th of July, and we are sure our readers will not object to this observation of the country's natal day. Next week will be a strenuous one in the newspaper offices and The Review will cover the Democratic convention at Denver just as fully and promptly as it reported the big meeting at Chicago. Our extra news service of next week will more than make up for the omission of one day this week.
