NELSON DUE FOR KNOCKOUT.

Gans Favorite Over the Dane in Tomorrow's Battle in Frisco.

SAN FRANCISCO, July 3.—On the eve of the battle between Joe Gans and Battling Nelson for the world's lightweight championship honors, the negro is a decided favorite.

According to the articles of agreement, the bout will take place tomorrow afternoon at Croft's Mission Street arena and is scheduled to go forty-five rounds.

There is every indication that a record-breaking crowd will witness the encounter, anxious to see settled the dispute which Nelson and his supporters have tried to keep up ever since that memorable battle at Goldfield on September 3, 1906.

In no fight since he escaped a knockout on an adverse decision on points by deliberately losing to Gans on a foul in the forty-second round in Nevada has Nelson displayed his old-time ability.

Gans, on the other hand, has gone right along in the same old way as familiar to fans who have seen in him for years, the greatest fighting machine, big or little, the ring has ever known.

McFarland-Welsh Battle. LOS ANGELES, Calif., July 3.—With both boys in the pink of condition, all is in readiness for tomorrow afternoon's great battle between Paaky McFarland and Freddie Welsh.

Over Thirty-five Years.

In 1872 there was a great deal of diarrhoea and cholera infantum. It was at this time that Chamberlain's Colic, Cholera and Diarrhoea Remedy was first brought into use.

Do You Open Your Mouth

Like a young bird and gulp down what ever food or medicine may be offered you? Or, do you want to know something of the composition and character of that which you take into your stomach whether it is food or medicine?

Most intelligent and sensible people now-days insist on knowing what they employ whether as food or as medicine. Dr. Pierce's Favorite Prescription is a most efficient remedy. It is equally effective in curing painful periods, in giving strength to nursing mothers and in preparing the system of the expectant mother for baby's coming.

For the cure of woman's peculiar weaknesses, irregularities and derangements, giving rise to frequent headaches, back ache, dragging-down pain or distress in lower abdominal or pelvic region, accompanied, oftentimes, with debilitating pelvic catarrhs and kindred symptoms of weakness, Dr. Pierce's Favorite Prescription is a most efficient remedy.

The World Better Than Ever Before and Religion More a Part of Life.

By F. B. SMITH, Secretary For Religious Work of the Y. M. C. A. in the United States.

AN idea prevails that there is a religious decline in the world today. It is erroneous.

I FIRMLY BELIEVE THAT THE WORLD IS BETTER THAN IT EVER WAS BEFORE. GOODNESS AND CHARITY DO NOT TAKE THE OUTWARD FORMS OF RIGHTEOUSNESS THAT WERE FORMERLY EMPLOYED IN PURITAN DAYS. NEVERTHELESS WE ARE BETTER AND MORE GODLY. STATISTICS OF RESULTS SHOW THAT I AM RIGHT.

Men do not attend church as they used to. That possibly is to be regretted, but it DOES NOT NECESSARILY MEAN THAT they think less of religious things. You might call religion more practical in these days. It takes the form of benevolence and charity toward the weak and suffering.

This is said to be a money mad age. Possibly it is in some ways. There is a great deal of prosperity, but prosperity is not a hindrance to the promotion of religion. If being money mad means prosperity, why, let's be money mad—I mean mad in the sense that THE BETTER THINGS OF LIFE ARE NOT NEGLECTED, and I do not think they are. I am positive that religious things are not, at least.

Feeling of religion is expressed differently nowadays. The feeling is still there. It is expressed in different forms. There is not so much outward show. It is underneath the surface in many instances. The conviction is there and will remain.

THE FEELING THAT INDUCES MEN TO PROMOTE PUBLIC BATHS, PARKS AND LIBRARIES IS ONE OF BENEVOLENCE, AND BENEVOLENCE IS A FORM OF CHRISTIANITY. SOME MAY SAY IT IS ONLY DECENCY. WELL, WHAT OF IT? YOU CAN'T HAVE DECENCY WITHOUT A FORM OF RELIGION. IF ONLY SELF PRESERVATION, IT'S CHRISTIANITY.

There is no more marked feeling of Christianity in one form or another than the manner in which men pour out their riches for the benefit of mankind.

We are experiencing just at this present moment a clash between the virile Christianity and the ascetic type. The latter is obsolete. We have outgrown it. It meant sacrifice and suffering. We are getting religion in a new, up to date form. It is a co-ordination of the two forms. It is broader and in every way more successful. We are going after man in A PHYSICAL WAY—IN A BIG HUMAN WAY.

What makes our business grow?

It's because we treat the people right.

Some merchants in their attempt to lead in prices often buy inferior goods but that is something that this company does not do.

Our courteous treatment, the superior quality of our goods and the right prices is what is building up our business every day.

If you are not a regular customer place a trial order and be convinced.

Yours for a square deal,
