S.S.S. NATURE'S PERFECT TONIC

There is scarcely any one, no matter how vigorous and healthy, who does not need a tonic sometimes. Little physical irregularities upset the system, the appetite fails, digestion is poor, the body feels tired and worn out, and other unpleasant symptoms give warning that the system is disordered and needs assistance to ward off, perhaps, some serious sickness or ailment. S. S. S. is recognized everywhere as the best of all tonics, nature's medicine, made entirely of healing, cleansing, invigorating roots and herbs, a systemic remedy without an equal. S. S. S. has the additional value of being the greatest of all blood purifiers. It re-establishes the healthy circulation of the blood, rids the body of that tired, worn-out feeling, improves the appetite and digestion, and brings about a return of health to those whose systems have been weakened or depleted. S. S. S. acts more promptly and pleasantly than any other medicine, and those who are run down in health should commence its use at once. It will thoroughly purify the blood and tone up the system. S. S. S. is admirably suited for a systemic remedy because it is free from minerals; it may be used without harmful results by persons of any age, and no unpleasant effects ever follow.

EASILY DECIDED.

This Question Should be Answered Easily by Roseburg People.

Which is wiser—to have confidence in the opinions of your fellow-citizens of people you know, or depend on statements made by utter strangers residing in far-away places? Read the following:
G. W. Bennett, Fowler St., near the creek, Roseburg, Ore., says: "I was more or less annoyed by kidney complaint ever since I left the army in 1865. I suffered everything from a steady, dull aching to excruciating twinges through the small of my back. I had to move around very carefully for a false step or backward movement brought sharp twinges through my body. The secretions from the kidneys were in a terrible condition being dark in color, and after standing for a time depositing a brick dust sediment. Nothing gave me any permanent relief until I commenced using Doan's Kidney Pills, getting them at A. C. Marsters & Co's drug store. The contents of the first box so greatly benefited me that I continued taking them until entirely relieved. I am eighty-eight years old and can hardly expect to be cured completely, but when a remedy will bring relief to a person of my age and in a case of so long standing, what will it do in ordinary cases?"
For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
Remember the name—Doan's—and take no other.
