### EASILY DECIDED.

This Question Should be Answered Easily by Roseburg People.

Which is wiser—to have confidence in the opinions of your fellow-citizens, of people you know, or depend on statements made by utter strangers residing in far-away places? Read the following:

G. W. Bennett, Fowler St., near the creek, Roseburg, Ore., says: "I was more or less annoyed by kidney complaint ever since I left the army in 1865. I suffered everything from a steady, dull aching to excruciating twinges through the small of my back. I had to move around very carefully for a false step or backward movement brought sharp twinges through my body. The secretions from the kidneys were in a terrible condition being dark in color, and after standing for a time depositing a brick dust sediment. Nothing gave me any permanent relief until I commenced using Doan's Kidney Pills, getting them at A. C. Marsters & Co's, drug store. The contents of the first box so greatly benefited me that I continued taking them until entirely relieved. I am eighty-eight years old and can hardly expect to be cured completely, but when a remedy will bring relief to a person of my age and in a case of so long standing, what else is to be done in ordinary cases?"

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
