S.S.S. MAKES A LASTING CURE

There are certain mineral medicines which will remove the external symptoms of Contagious Blood Poison, and shut the disease up in the system for awhile, but when the treatment is left off the disease will surely return. Then the loathsome symptoms of ulcerated mouth and throat, copper-colored spots, falling hair, sores and ulcers, etc., are usually worse because the disease has made rapid progress on the internal members, and weakened the constitution and general health of the sufferer. S. S. S. is the only remedy that can be used with perfect safety in the treatment of Contagious Blood Poison, and with the assurance that a lasting cure will result. This medicine, made entirely of roots and herbs of recognized curative and tonic value, antitoxins and destroys the powerful virus of the disease, and by purifying the blood of every particle of the poison and enriching and strengthening the circulation, removes every symptom of the trouble. S. S. S. does not hide or cover up the disease in any way, but drives it entirely out from the blood, leaving not the slightest trace for future outbreaks. Home treatment book with valuable information and any medical advice desired sent free to all who write.

QUEEN SAYS "NO."

Directoire Gown Gets "23" Sign in English Society.

LONDON, July 17.—What is known as the directoire or sheath gown will be confined in England to actresses and women of the "lower classes." No woman in London society will dare wear the clinging gowns which have created such a sensation on the continent. When the directoire mode first made its appearance, several English society leaders received it kindly and for a time the sheath gown was in high favor. Now it is back to the moth balls or the second hand clothes man for these daring gowns. For Queen Alexandra has spoken, and what she said in regard to the directoire mode was, in American slang, a plenty.

As a result of Her Majesty's decision many smart society women with good figures are nursing secret rage. The fat women, and the scrawny ones, are exultant, and declare that the queen did well to put the ban of her displeasure upon such "immodest" and "vulgar" displays of the figure as afforded by the sheath gowns.

Mrs. R. U. McClenahan returned this afternoon from a visit with friends in Glendale.
