Work was started Tuesday on the extension of the Salem, Falls City & Western railway from Dallas to Salem. L. Gerlinger, of Portland, president of the road, says no time will be wasted in building this extension, but it will probably be next fall before trains will be running over the new track. Grading will be carried on as late this winter as possible, but with the arrival of the rainy season work will have to be suspended until spring. By October, 1909, it is expected the extension will have been completed.

President Roosevelt expects to hunt bear in the wilds of Klamath County after the expiration of his present term and before his departure for Africa. John D. Goff the guide who directed the way to the haunts of big game in Colorado on the occasion of the first western hunt of the then vice-president, will visit Klamath county in September for the purpose of making a personal investigation of the big game district of the Klamath region. It is stated on high authority that Mr. Goff will make this trip especially for the purpose of advising the president as to the best time to hunt bear and mountain lions in this state.

Eugene Register: The woman, Mrs. Humphreys, who, with her babies and two sons, were found pushing along the road with a cart some time since, and the children were attempted to be made wards of the juvenile court, has tired of the good house fitted up for her by generous Eugene citizens and is reported to have sold her furniture to the second hand dealers and gone off with a man. Mr. Nadeau was asked what he knew about it, and said he knew absolutely nothing except what he saw in the papers. He said the last he knew about it there was something like \$100 in the First National bank to be used for her support, but he had not been to the house since it was fitted up for her.

WALES LEAVES CANADA.

QUEBEC, July 29.—While the guns boomed out a farewell salute in his honor, the Prince of Wales sailed this morning for England, after a week's stay in Quebec which will long be remembered as the most notable visit of royalty to Canada. There will be additional parades and pageants tomorrow and Friday, but the departure of the prince marks the beginning of the end of the tercentenary celebration and in a few days the ancient city will have returned to its customary calm and quietude.
