The baseball game last Sunday between Cow Creek and Glendale second resulted in a victory for Cow Creek by a score of 19 to 17. The residences of C. P. Totten, C. Austin, J. A. McLeod and W. H. Lesh have been wired for the electric lights the past week.

Miss Pearl Brown is expected home this week from her vacation trip to Salem, Portland, Astoria, Vancouver and other points. John Kluth, and Judge Hunt, of San Francisco, Miss Jeanne Clarke, Mrs. W. H. Redford, and daughter, Irma, left yesterday for an outing at Willow Flats.

Sam Croucher, of Portland, has been visiting his folks at this place, but has returned to his home in Portland.

Geo. Brown, we are sorry to say, is not improving. Everybody is preparing for the coming pioneer reunion. All are glad that Olalla can succeed in getting one every year, and we hope to see that little grove, commonly known as the "reunion grounds" crowded with people, as in past years.

The mountains here are filled with people, who come from far and near to hunt and fish.

Some of our young folks enjoyed themselves among the charitable crowd one night last week, but we can't say how Uncle Dave and Aunt Jane Stevens enjoyed it—they must speak for themselves. We all wish them a long and happy wedded life.

"SAY YE DID."

Cured Hay Fever and Summer Cold. A. J. Nusbaum, Batesville, Ind., writes: "Last year I suffered for three months with a summer cold so distressing that it interfered with my business. I had many of the symptoms of hay fever and a doctor's prescription did not reach my case, so I took several medicines which seem- ed to only aggravate my case. Fortunately I insisted upon having Folsom's Honey and Tar and it quickly cured me. My wife has since used it with the same success." Red Cross Pharmacy.

Making Good. There is no way of making lasting friends like "Making Good" and Doctor Pierce's medicines well exemplify this and their friends, after more than two decades of popularity, are numbered by the hundreds of thousands. They have "made good" and they have not made frankards.

A good, honest, square-deal medicine or a good, honest, square-deal man. Dr. Pierce's Medical Discovery. It still enjoys an immense sale, while most of the preparations that have come into prominence in the earlier period of its popularity have gone by the board and are never more heard of. There must be some reason for this long-time popularity and that is to be found in its superior merits. When once given a fair trial for weak stomach, or for liver and blood affections, its superior curative qualities are soon manifest; hence it has survived and grown in popular favor, while scores of less meritorious articles have suddenly faded into favor for a brief period and then been as soon forgotten.

For a torpid liver with its attendant indigestion, dyspepsia, headache, perhaps dizziness, foul breath, nasty coated tongue, with bitter taste, loss of appetite and distress after eating, nervousness and debility, nothing is so good as Dr. Pierce's Golden Medical Discovery. It is an honest, square-deal medicine with all its ingredients printed on bottle-wrap- ping, so given a fair trial for weak stomach, therefore don't accept a substitute, the dealer may possibly make a little big profit, but on your right to have what you call for.

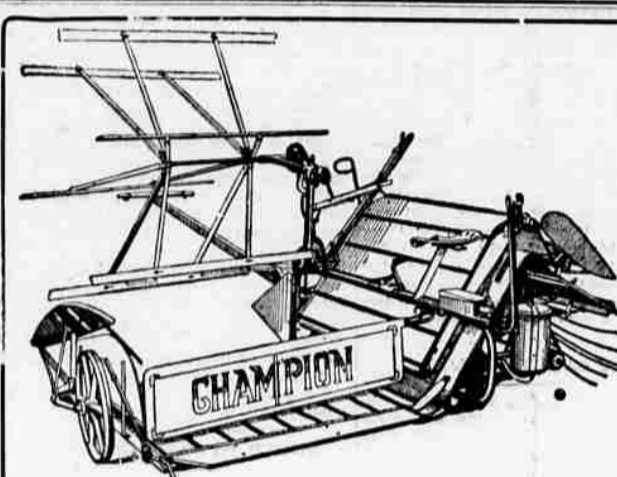

Don't buy Dr. Pierce's Favorite Prescription expecting it to prove a "cure-all." It is only advised for woman's special ailments. It makes weak women strong and sick women well. Less advised of the same preparations sold for like purposes, its sterling curative virtues still maintain its position in the front ranks, where it has stood for two decades ago. As an invigorating tonic and strengthening agent, it is unequalled. It won't satisfy those who want "booster" for their blood, a drop of alcohol in it.

Dr. Pierce's Pleasant Pellets, the gentlest and most reliable, although the best pill of their kind in the market, will cleanse the bowels, and are never altogether in favor. Easy to take as candy—only three a dose. Much insisted but never equaled.

BASKET SOCIAL NEXT FRIDAY.

Members and friends of the M. E. church are invited to attend a "Basket Social" in the little grove across from the Free Methodist church in West Roseburg next Friday evening, August 7, at 7:30 p. m. A program will be rendered. A feature will be fortune telling by Madame Montressa. Refreshments can be had on the grounds. Ladies, bring well-filled baskets, and gentlemen, don't forget your purses. Three noted orators will make short addresses, and a quartette of negro singers will make things lively. Also music by orchestra. Everybody come, prepared for fun.

How to Avoid Appendicitis.

Most victims of appendicitis are those who are habitually constipated. Orino Laxative Fruit Syrup cures chronic constipation by stimulating the liver and bowels and restores the natural action of the bowels. Orino Laxative Fruit Syrup does not nauseate or gripe and is mild and pleasant to take. Refuse substitutes. Red Cross Pharmacy.

"THEY WON'T GO DRY."
