

# TO PIANO BUYERS

In consideration of a second carload order for **Bush Lane and Victor Pianos**, the factory representative **Mr. W. A. Fitzsimons**

will on Friday and Saturday offer extraordinary concessions in price on the five (5) pianos remaining from the first carload of fourteen (14). The regular Portland and San Francisco prices on these goods are marked plainly, and after this sale these prices will be strictly maintained. In addition to Mr. Burr's special introductory concession in price of 15 per cent, Mr. Fitzsimons with make a further reduction which cannot help but tempt the most conservative buyer.

**There are But Five Pianos Left** of the first carload of fourteen. If you haven't figured on buying a Piano for the next two years, it will pay you to buy right now. You can pay part cash, and the balance will be made on terms to suit your convenience. It is the chance of a lifetime to purchase a genuine, High Grade Piano at the regular price of a Medium Grade Piano.

## Burr's Music House.

### NOTICE:

Mr. Fitzsimons will be in attendance both days and evenings to demonstrate the remarkable tone qualities of the instruments.

### WORKS WONDERS.

Wonderful Compound—Cures Piles, Eczema, Skin Itching, Skin Eruptions, Cuts and Bruises.

Doan's Ointment is the best skin treatment, and the cheapest, because so little is required to cure. It cures piles after years of torture. It cures obstinate cases of eczema. It cures all skin itching. It cures skin eruptions. It heals cuts, bruises, scratches and abrasions without leaving a scar. It cures permanently. Roseburg testimony proves it. Mrs. G. W. Kezartee, Flint St., Roseburg, Ore., says: "For some little time I was annoyed by an irritation on my nose. Sometimes it was badly inflamed and became raw and sore. I tried a number of remedies but nothing cured me until I read about Doan's Ointment and got a box at A. C. Marsters & Co's. drug store. The first application gave relief and I felt no more of the irritating affliction. I consider Doan's Ointment the finest remedy to be obtained for any skin disease."

### THE OREGON SENATORSHIP.

Albany Herald, Rep.: When the election polls closed on the night of the first day of June, 1908, the question of whether a republican or a democrat should represent Oregon in the United States senate for six years to succeed Senator Fulton, was definitely settled. The campaign was made mainly on Statement No. 1, which in reality was nothing more than whether the people of this state—democrats and republicans, socialists and prohibitionists—should choose their United States senators or continue to permit the legislature to select that official, without any regard for the people's wishes and demands.

The people by 1500 more than a majority for Gov. Chamberlain over Hon. H. M. Cake by their ballots decided they would elect Gov. Chamberlain. The Herald supported Mr. Cake loyally before the primary in preference to Senator Fulton, and it used its influence for the republican nominee in the general election. But the majority preferred our chief executive. We believe the people should elect United States senators by a direct vote, consequently we advocated Statement No. 1. The Herald, therefore, would be derelict to its duty as a newspaper, and greatly satisfy itself did it not now advocate and plead for Gov. Chamberlain's ratification, as demanded by the people of this state last June.

We, of course, are cognizant of the motive which prompted the old republican "machine" politicians to knife Mr. Cake, who defeated their choice, and vote for Governor Chamberlain. But the motive of the disgruntled opponents of the people's rule does not enter into the matter. A majority of the members of the legislature VOLUNTARILY TOOK UPON THEMSELVES THE OBLIGATION to vote for the candidate for United States senator who received the popular vote of the people in the June election.

There will be, and, perhaps, already is, great pressure brought to bear upon legislators to influence them to perjure themselves and violate their pledge to the people upon gauzy and flimsy pretenses—but these alleged arguments are merely subterfuges offered by machine politicians to execute their plans and purposes when they voted for Gov. Chamberlain and defeated their own nominee—the choice of the majority of the republicans in Oregon.

Commenting upon these conditions the Medford Tribune quite pointedly says: "There is nothing sacred about a political party. In a big city the organization consists of ambitious office-seekers, big business interests wanting special favors, dive-keepers and toughs. In the country, petty grafters take the place of the dive-keepers. There is always a boss who waxes wealthy without visible means of support.

"Back of the party is always the boss; back of the boss is the corrupting corporation—what is there sacred about a party? How is it a crime for republican legislators to fulfill their pledges to the people by voting for a senator the meritorious to violate sacred pledges and wear the mantle of dishonor to please the corporations in the background? "When a political party is faithless to the people from whom it obtains its existence, and the people find it out, then that party is doomed. And if the discredited republican party leaders of Oregon, led by the foolish Fulton and the jaundiced editor of the Oregonian, do not cease their counsel of reaction, repudiation and dishonor, their advocacy of the betrayal of the people, then the republican organization in Oregon is doomed, for the people will have none of those who flagrantly betray them."
