THE OUTRAGE OF OUR LAWS.

How Black Hand Terrorists and Robs Thousands of Citizens.

How rich is the field in which the Black Hand garners its harvest is indicated by the fact that the bank deposits of Italians in the United States in the past five years have amounted to three hundred millions of dollars—one hundred millions of dollars in New York state. And there is hardly a dollar of all that honestly earned total that is not at the mercy of this system of blackmail.

The terror of the Black Hand now is tremendously increased by its mystery. The mystery will never be revealed, because there is nothing tangible to reveal. If you, reader, were an Italian who had accumulated some money, and I, the writer, were an Italian criminal, associating with other criminals, and wanted your money—I should write you a Black Hand letter. It would mean to you (being an Italian) that all the stealthy ruthlessness of cruelty and devilish persistence of an Italian criminal, or a band of Italian criminals, were to be turned loose on you if you did not submit to blackmail.

W. J. BRYAN BEGINS TOUR.

Des Moines, Indianapolis and Topeka First Cities to be Visited.

CHICAGO, Aug. 21.—William J. Bryan will arrive in this city tomorrow to begin a conference with democratic leaders and labor union officials, which may have an important bearing on the campaign. Today, Mr. Bryan will speak in Des Moines, and will confine his remarks principally to a discussion of the tariff.

During his three days stay in Chicago, Mr. Bryan will meet and confer with Chairman Mack and other campaign managers in and give them the benefit of his counsel. The conference of national and international union leaders, affiliated with the American Federation of Labor, has been called for the same time and Bryan will doubtless meet the labor officials and urge upon them the necessity of giving their whole-hearted support to the democratic national ticket.

From this city, Mr. Bryan will go to Indianapolis where he will attend the Kern notification ceremony, scheduled for Tuesday. Upon that occasion, the Nebraskan will deal with the trusts and will deliver a long speech on the subject of combines and monopolies.

The plans for the celebration contemplate moving from town to town, taking the seven in their original order, as follows: Ottawa, Aug. 21; Freeport, Aug. 27; Jonesboro, Sept. 15; Charleston, Sept. 18; Galesburg, Oct. 7; Quincy, Oct. 13; Alton, Oct. 15.

CHARGE OF SPELLING BRIGADE.

(Detroit Free Press.) Half a leag, half a leag Half a leag onward, Gallop the spelling board, With its three hundred, Knock out one "g" from eg, Lim is the word for leg, Hear Brander Mathews beg: "Lern the three hundred."

Forward the spelling board, Teach 'em to spell it "sord," Slashing words lim from lim, How we have blundered; We'll never yield the goat, What tho the scuffers roar, Spred them from coast to coast, All the three hundred.

Debtors to right of them, Colums to left of them, Bedated to slumber them, Changed in the making; Fonografis squeaking loud, Bravelly they spell and rowed— What tho their heads were now Wofully asking?

Gone were the extra "ps" Dum were the silent "bs," Diftongs were routed; Crazed by fonetic schemes, Quire singers rote by reams Such words as solem, Camfor and autum, Pamflet and diafram, Tho the world doubted.

Bravelly they bill and well, Teaching us how to spell Campain and boro; Even that dred disease, Tisic, they spell with ease; Honor such words as these, Robuilt as thoro.

TOBACCO HABIT GROWING.

55,402,000,000 Cigarettes Smoked in America in One Year.

WASHINGTON, Aug. 14.—There were 55,402,330,113 cigarettes smoked in the United States during the last fiscal year, according to government statistics just issued—25,000,000 is perhaps a fair estimate of the number of men and boys in this country who smoke tobacco. So, on the average, each smoker consumes 216 cigarettes last year, or 6 1/2 a day, the fraction representing the very small butt a cigarette smoker throws away.

But the 25,000,000 smokers, many million smoke cigars or pipes, and some smokers roll their own cigarettes, so the average each cigarette-smoker consumes each day must be much more than 6 1/2.

A FEW SMILES.

(Everybody's Magazine.) A man who had been convicted of stealing was brought before a certain "down east" judge, well known for his tender-heartedness, to be sentenced. "Have you ever been sentenced to imprisonment?" asked the judge, not unkindly.

The Modesty of Women

Naturally makes them shrink from the delicate questions, the ostentatious examinations, and unpleasant local treatments, which some physicians consider essential in the treatment of diseases of women. Yet, if help can be had, it is better to submit to this ordeal than to let the disease grow and spread. The trouble is that so often the woman undergoes a the annoyance and shame for nothing.

enjoying himself. He was wandering about as though he had lost his last friend. The best man took it upon himself to cheer him up.

"Er—have you kissed the bride?" he asked by way of introduction.

"Not lately," replied the gloomy one with a far-away expression.

One day Mary, the charwoman, reported for service with a black eye.

"Why, Mary," said her sympathetic mistress, "what a bad eye you have!"

"Yes'm."

"Well, there's one consolation. It might have been worse."

"Yes'm."

"You might have had both of 'em hurt."

"Yes'm. Or worse'n that; I might not ha' been married at all."

A Chinaman who had been robbed by a woman on the Bowery was trying to describe her at the police station.

"Can't you remember how she was dressed?" asked the lieutenant at the desk.

"What sort of a hat did she wear?"

"For a moment John seemed puzzled. Then his face brightened.

"He dead—she glad," he confidently announced.

And now the police are looking for a woman with a Merry Widow hat.

Why James Lee Got Well.

Everybody in Zanesville, O., knows Mrs. Mary Lee, of rural route 8. She writes: "My husband, James Lee, firmly believes he owes his life to the use of Dr. King's New Discovery. His lungs were severely affected that consumption seemed inevitable, when a friend recommended New Discovery. We tried it, and its use has restored him to perfect health."

HERE IS A LIFE INCOME

OWN A ROSEBURG HOME-ORCHARD TRACT ON THE UMPQUA RIVER

TEN ACRES OF THIS RICH RIVER BOTTOM LAND, IN THE CENTER OF OREGON'S FAMOUS FRUIT BELT, WILL MAKE YOU INDEPENDENT FOR LIFE. Our plan of development with small fruit and vegetables, while the fruit trees are reaching a bearing age, means that your income begins at once—an income next year equal to the cost of the tract, and only a very small investment necessary.

If you are not ready to live upon a tract of this land, we will raise strawberries, raspberries, currants, cantaloupes, melons, potatoes, onions, asparagus, celery, etc., on your tract, put up the money for seed and labor, market the produce, and at the end of the season pay you one-half the net profits. If we didn't absolutely know that this proposition would pay us, we wouldn't put our money in it, and you are going to make a dollar everytime we do. We can put small fruits and vegetables on the market two weeks earlier than any other section in Oregon, AND WE ARE GOING TO DO IT NEXT YEAR.

Price \$150 Per Acre

Terms \$150 cash, balance \$25 a month. Our development plan will take care of the payments after next Spring, when the crop is marketed.
