**The SPORTING WORLD**

**Thomas Playing Star Game.** Baseball fans are beginning to wonder how Billy Murray managed to allow Roy Thomas to get away from the Philadelphia Nationals without so much as a pleyoun. Roy is hitting the ball hard and often and playing a sensational fielding game since he became a member of the Pittsburghs. Perhaps there is such a thing as a

ROY THOMAS, RIGHT FIELDER OF THE PITTSBURGH NATIONALS. player being too long with one team. Thomas was a member of the Phillies for over ten years. He was for several years one of the leading right fielders in the National league, but last year he fell off woefully in both his batting and fielding, and many thought he was all in. Early this season he was released and was immediately signed by the Pirates.

**Kelley May Manage Yankees.** Will Mike Kelley succeed Kid Elberfeld as manager of the New York Yankees at the end of the present season? A well known baseball man says he will and that he would be given the job immediately if he was not tied up by contract with the Toronto club of the Eastern league. President Farrell of the New York club has always been a warm friend of the recalcitrant Mike and would like nothing better than to get him for manager of the Yankees. At least that is what the person on the inside says. Kelley has not been setting the Eastern league afire this season, but Farrell thinks that he has all the qualifications of a successful leader and is willing to take a chance.

**Chicago Americans' New Outfielder.** Walter Matticks, Pueblo's fast outfielder and the sensation in the Western league this year, has been sold to Charles A. Comiskey of the Chicago Americans. The price paid is \$2,500. Matticks is to be delivered on Sept. 14. Besides being a great outfielder, Matticks is hitting over 300 and has one of the greatest arms ever seen, cutting off runs at the plate from center field being an almost daily feature with him. Matticks is a St. Louis boy and played in the Iowa league last season. He is young, but big and strong.

**New Race Track at Windsor.** A large force of men is now at work constructing a race track and grand stand at Windsor, across the river from Detroit. The plan is to be used by those northern circuit strings whose owners are not able to send their horses to California, which will be the only field open to them next winter, now that New Orleans has been closed. Joseph James, the millionaire pool room man of Windsor, is backing the project and has received assurances which leave him to expect there will be at least 500 horses on hand for the racing.

**To Switch Sporting Seasons.** A movement is being started by letters to the English press to change the months of the football and cricket seasons. Year after year the month of May is cold and wet, and it is therefore proposed to start the cricket season in June and run on to the end of September. The football season begins in September, which is a hot month in the old country, and ends in April. It is rumored that the M. C. C. and football associations will come together and make a swap of the two months.

**Scullers Arrange Race.** George Towns, the Australian champion, and Ernest Barrie, the English title holder, have agreed to row a straightaway race over the championship course in the Thames for a side bet of \$1,000, the championship of England and the Sportsman Challenge cup. The race will be rowed between Putney bridge and the ship at Mortlake on Oct. 12.

**Berrien, Navy's Head Coach.** Lieutenant Frank D. Berrien will act as head coach of the Naval academy football team next season, succeeding Lieutenant Commander Joseph M. Reeves, if it is possible to obtain the orders of the department for him to be stationed at Annapolis. Ensign Douglas L. Howard, captain of the team of 1908, will be field coach.

**New Baseball League Spreading.** The new International Baseball league, which includes cities in Canada and the United States, is getting stronger every day. There is a report out that the league will invade Buffalo next year and will give the Eastern league a little fight.

**Dahlen Playing Star Game.** Bill Dahlen is prospering with the Boston Americans. He is clotting away at better than 280 and is playing a magnificent game in the field.

**Passed Examination Successfully.**
