RESOLUTIONS OF CONDOLENCE.

Whereas, It has pleased Almighty God to remove from our midst our beloved friend and brother, Frank H. Bolter, who lost his life while in the faithful discharge of his duty, in that fatal train wreck of August 23, 1908; and

Whereas, We feel that we have lost one of our most worthy brothers, and a cloud of sorrow has been cast over the members of Lodge 542, B. of L. F. and E. Although it seems hard to bow in humble submission to God's will, yet we should feel that he doeth all things well, and some sweet day we may understand; though we realize that he has gone that road from which no traveler ever returns, the memory of his kindness and loving heart will remain long with those who knew him, therefore, be it

Resolved, That we extend our heartfelt sympathy to his wife in her deepest sorrow, as we believe that the human heart is not capable of more tender love than she bore for him, and that her loss is irreparable; and be it further

Resolved, That a copy of these resolutions be placed on the minutes of our Lodge, and a copy sent to each of the Roseburg papers for publication, and that our Charter be draped in mourning for thirty days.

"Let Fate do her worst, there are rallies of joy

Bright dreams of the past, which none can destroy;

Which comes in the nighttime of sorrow and care,

And bring back some features that joy used to wear.

Long, long, be our hearts with such memories filled,
Like the vase in which roses have once been distilled;
You may break, you may shatter, the vase if you will,
But the scent of the roses lingers round it still."
