IN THE POLITICAL WORLD.

Several Conventions on Today—Bryan and Lieutenants Confer.

PUEBLO, Colo., Sept. 8.—Nomination for the various state offices will be made by the democratic state convention, opened in Pueblo today.

A candidate for United States senator may be endorsed. The republican state convention will be held next Saturday in Denver.

Democratic leaders declare the outlook is favorable for a victory for both national and state tickets in Colorado this fall.

It is alleged that the administration of Governor Buchtel, the "preacher executive," has weakened the republican party in this state.

Illinois Conventions.

SPRINGFIELD, Ill., Sept. 8.—Under the provisions of the primary law, state conventions of all parties will be held in Illinois tomorrow.

William J. Bryan is expected to attend the democratic session, which will be held in Peoria, and will deliver an address.

At tomorrow's gatherings, the various parties will adopt platforms, elect presidential electors and nominate candidates for university trustees.

The action of the recent primaries will be ratified.

The national delegates and electors were exempted from the operation of the primary law, and the university trustees were not brought under its provisions for the reason that to do that would have barred women from voting, which they are permitted to do for trustees under the statutes.

Connecticut G. O. P.

NEW HAVEN, Conn., Sept. 8.—Candidates for state offices, representative-at-large in congress and seven presidential electors will be nominated by the Connecticut republican convention, which begins its session today, to extend through tomorrow.

Party men here today declare that Connecticut will roll up a big Taft majority.

Three candidates are in the field for the gubernatorial nomination—Governor Woodruff, who is supported by the business interests, but opposed by the politicians; Lieutenant Governor Everett J. Lake, who has a large personal following; and Congressman-at-Large George L. Lilley, who is supported by the party organization and who will consider a nomination and election to be paramount to a vindication of his course in Washington in trying to investigate the submarine boat contracts.

Most of the party leaders have come out for Lilley, and the forecast is that he has the best chance to win a majority of the convention delegates.

Democratic Campaign.

CHICAGO, Sept. 8.—With the gathering today of the Democratic clans of the country to confer with their chief, the national campaign is on its earnest. In conference with Mr. Bryan are the members of the national committee and all of the sub-committees, including the chairman of the literature, finance and speakers bureaus and many prominent democrats from all over the land.

All of the campaign managers, from Mr. Bryan down, are exuberant in their hopes of a democratic victory. It is declared that developments of the last few weeks show a great gain in Bryan sentiment in New York, Indiana, New Jersey, Minnesota and other doubtful states.

Missouri Conventions.

JEFFERSON CITY, Mo., Sept. 8.—Jefferson City is today crowded with politicians who are here as delegates to the state conventions of all parties, which under the new primary law are held simultaneously.

Aside from the selection of campaign chairmen, the principal business will be the formulation of party platforms, which under the law must be ready for publicity by 5 o'clock tomorrow evening.

Each of today's conventions of the eminent parties consists of 215 delegates, including members of the state committee, party nominees for state offices, congressman, state senators and representatives. These candidates were selected in the recent primaries.

Today's conventions mark the formal opening of the campaign in Missouri, although all of the candidates have been busy for weeks trying to arouse enthusiasm among the voters. All indications point to a warm fight between Cowherd and Hadley, respectively democratic and republican candidates for the governorship. The Stone-Perle fight which will be decided at the November election, continues to grow in bitterness as the campaign progresses.

Seattle News.

SEATTLE, Wash., Sept. 8.—With the arrival of primary day in Washington, one of the most spectacular figures in the political history of the state has closed the most remarkable campaign ever waged in an attempt to secure a gubernatorial nomination. He is Jimmie Durkin, of Spokane, millionaire liquor dealer, railroad president and disciple of personal liberty. Durkin seeks to be-

come the democratic standard-bearer and declares that if he is nominated he will certainly carry the state for his party. If nominated and elected, he has promised to donate his salary to charity.

Durkin is aggressive and peculiar. When he has anything to say he spreads the joyful things by means of bulletins in his nation windows and in full four-column advertisements in the daily newspapers.

He is against prohibition, but advocates temperance in all things, also universal personal liberty. He believes in unionism and urges the laborer and the farmer to organize. His chief aim since arriving in Spokane 11 years ago has been to make people talk about his achievements.

"I believe in newspaper advertising," he said, "because it's the best medium in the world for publicity."

A Paying Investment.

Mr. John White, of 38 Highland Ave., Houlton, Me., says: "Have been troubled with a cough every winter and spring. Last winter I tried many advertised remedies, but the cough continued until I bought a 50c bottle of Dr. King's New Discovery, before that was half gone the cough was all gone. This winter the same happy result has followed; a few doses once more banished the annual cough. I am now convinced that Dr. King's New Discovery is the best of all cough and lung remedies." Sold under guarantee at A. C. Marsters & Co.'s drug store. 50c and \$1.00. A trial bottle free.

HERE IN OREGON.

Hillsboro, the prosperous and growing capital of Washington county, is celebrating its second rail connection with Portland, the last being an electric line.

The Oregon State Fair opens today, Sept. 14th, and continues through the week. The showing of all kinds of products, as well as the livestock and industrial display and a great race program without poor selling insure one of the best fairs Oregon has ever held.

Immediately following the Oregon State Fair is the Portland Country Club and Livestock Show, and it is certain that these two weeks, during which livestock will be foremost in the minds of the people of Oregon, will have much to do with the more rapid development of that important industry.

Mr. J. H. McMillan, now past 55 years of age and temporarily residing at Cochocton, Ohio, writes: "Having lived in Oregon sixty years and believing it to be the best country in the United States, I take pleasure in sending people there who are looking for a home. Rheumatism has a firm grip on me and I am unable to labor, but I can talk Oregon and spread Oregon literature and will be glad to receive same from all parts of Oregon. I have been able to send many people to Oregon and they have written that they were glad they made the change." Oregonians should remember that there are thousands more to come on the colonist rates of September and October.

They Take the Kinks Out.

"I have used Dr. King's New Life Pills for many years, with increasing satisfaction. They take the kinks out of my stomach, liver and bowels without fuss or friction," says N. H. Brown, of Pittsfield, Vt. Guaranteed satisfactory at A. C. Marsters & Co.'s drug store. 25c.

If You Read This

It will be to learn that the leading medical writers and teachers of all the several schools of practice recommend, in the strongest terms possible, each and every ingredient entering into the composition of Dr. Pierce's Golden Medical Discovery for the cure of weak stomach, dyspepsia, catarrh of stomach, "liver complaint," torpid liver, or biliousness, chronic bowel affections and all catarrhal diseases of whatever origin, name or nature. It is also a specific remedy for all such chronic or long standing cases of catarrhal affections and their results, as bronchitis, throat and lung diseases (except consumption) accompanied with severe coughs. It is not so good for acute colds and coughs but for lingering, or chronic cases it is especially efficacious in producing perfect cures. It contains Bile, Chloroform, Golden Seal root, Bloodroot, Stone root, Mandrake root and Queen's root—all of which are highly praised as remedies for all the above mentioned affections by such eminent medical writers and teachers as Prof. Bartholow, of Jefferson Med. College; Prof. Hays, of the Univ. of Pa.; Prof. Fisher, of Michigan; M. D., Dr. Bennett Med. College, Chicago; Prof. John King, M. D., of Cincinnati; Prof. John M. Scudder, M. D., of Cincinnati; Prof. Edwin M. M. D., of Hahnemann Med. College, Chicago, and scores of other equally eminent in their several schools of practice.

The "Golden Medical Discovery" is the only medicine on the planet that has any such powerful ingredients, which, taken in any number of ordinary cases, will cure the patient in a most reliable manner. Upon its purity and its safety is the best possible guaranty of its merit. A glance at this published formula will show that "Golden Medical Discovery" contains no poisonous, harmful or injurious ingredients and no alcohol—chemically pure, refined glycerine being used instead. Glycerine is entirely unobjectionable and beneficial as a most useful agent in the cure of all stomach as well as bronchial, throat and lung affections. There is the highest medical authority for its use in all such cases. The "Discovery" is a concentrated glyceric extract of native medicinal roots and is safe and reliable.

A booklet of extracts from eminent medical authorities, endorsing its purity, is mailed free on request. Address Dr. R. V. Pierce, Buffalo, N. Y.

Women Themselves Defeating Suffrage Movement. It is now often said even by many of those in England who have no real sympathy with the suffrage movement, who believe, indeed, that its results if successful would be disastrous, that its success is none the less "inevitable." People are apt to think that when in a democratic country a claim of this kind has been asserted sufficiently long and with sufficient vehemence mere clamor and insistence wear down opposition and the claim must ultimately be granted.

THE SUCCESS OF THE MOVEMENT, HOWEVER, IS NOT "INEVITABLE" AT ALL, in spite of the increased parliamentary vote or the skillful organization of a Hyde park meeting. Let me quote the example of America. After sixty years' agitation for the movement generally is dated in America from the meeting held in New York in July, 1848—THE WOMAN SUFFRAGE DEMAND IS NOW IN PROCESS OF DEFEAT AND EXTINCTION, AND THAT NOT AT THE HANDS OF MEN, BUT AT THE HANDS OF WOMEN THEMSELVES.

SINCE 1896, INDEED, IN FIVE STATES THE SUFFRAGE CONSTITUTIONAL AMENDMENTS HAVE BEEN DEFEATED AT THE POLLS, AND IN 1903 THE LEGISLATURES OF THIRTEEN STATES REJECTED WOMAN SUFFRAGE BILLS OF ONE TYPE OR ANOTHER. SCHOOL SUFFRAGE HAS BEEN SECURED FOR WOMEN IN TWENTY-FIVE STATES, BUT THE STRIKING THING IS THAT THE SUFFRAGE AGITATION AND THE "UNWISE PRESSURE BROUGHT TO BEAR ON LEGISLATURES AND PUBLIC OFFICIALS" HAVE HINDERED THE NATURAL PROGRESS OF WOMEN IN THIS FIELD OF WORK SO WELL SUITED TO THEM.

We in England, however, are safe, thanks to the concession of the local government vote to women and to the act of last year enabling them to sit on local government bodies, from any similar reaction, AND THERE CAN BE LITTLE DOUBT THAT AMERICAN WOMEN, NOW THAT THE ANTISUFFRAGE MOVEMENT HAS PRACTICALLY ATTAINED ITS END, WILL SOON FIND MEANS AND CHANNELS BY WHICH THEIR LEGITIMATE PUBLIC INFLUENCE IN MATTERS OF EDUCATIONAL AND SOCIAL REFORM SHALL BE MORE FULLY BROUGHT TO BEAR.

THE IMPORTANT THING FOR US TO NOTICE IS THAT THE SUFFRAGE MOVEMENT HAS BEEN CHECKED AND WILL BE ULTIMATELY DEFEATED BY WOMEN THEMSELVES.

ROSEBOWER PARTY.

The home of Mrs. F. B. McCord on the south Umpqua, was the scene of a very pleasant thimble party, Wednesday, Sept. 4, 1908, from 5 to 6 p. m., the guest of honor being Mrs. Frank Clemens, of Jameson, N. D., a niece of Mr. H. N. Cobb. The afternoon was spent by the guests in a button-hole contest, Grandma Calkins carrying off first prize, with Mrs. Hays a close second. The honor of winning the booby prize was claimed by several ladies, but finally conferred by the committee on one lady "who is little and far away from home."

A delicious lunch was served by the hostess, assisted by several of the young ladies. Several selections of music followed, all of which were very much appreciated, particularly "The Star Spangled Banner" by an impromptu choir, just as the guests were about ready to depart for their several homes.

Mrs. McCord is certainly a very efficient hostess and we hope the thimble-bee will get into several other honeys in the near future.

Those present were: Mrs. E. Hathaway, Mrs. Calkins, Mrs. Frank Calkins, Mrs. J. Hays, Mrs. F. Harvey, Mrs. L. Starmer, Mrs. L. Harris, Mrs. F. D. Owen, Mrs. S. Woodward, Mrs. McCall, Mrs. Geo. Merritt, Mrs. M. Munson, Mrs. W. Davis, Mrs. H. Ferguson, Mrs. J. Penney, Mrs. H. N. Cobb and the Misses Anna Hathaway, Rita Cobb, Bessie Woodward and Ella Margaret McCall. Also Masters Hugh Starmer and Mark Stanley Munson. A GUEST.

CANYONVILLE NEWS.

Al Stewart, of Prineville, is in town this week. On his return his mother, Mrs. Reynolds, will accompany him.

Columbus Cardwell and wife were in Canyonville Tuesday visiting with Mr. Cardwell's cousins, Mrs. J. C. Gibbs and Jas. and Wiley Cardwell. They have just sold their fruit farm on the Applegate River, seven miles beyond Grants Pass and are on their way to Coos Bay, looking for a new location.

We understand that the Myrtle Creek creamery has been closed for the present. The inability to get cream is responsible for this move, but Mr. Miller says he may be able to start the creamery again before many months.

Mr. and Mrs. Frank Tripp and baby arrived Tuesday from Junction. Mr. Tripp returned Thursday to join a party which is going elk hunting on the coast. Mrs. Tripp will remain and visit with relatives and friends for about a month before returning home—Echo.

DRAIN NEWS.

Riley Lynch returned this week from Tekoa, Wash., and is at his home here in very feeble health.

Mrs. Oscar Applegate has returned from her eastern visit. Charles Remington has traded his new dwelling house and 8 1/2 acres at the reservoir on the hill east of town for the Polly Remington residence property in the northern part of town, and moved his family into their new home Wednesday.

Ernest Pierce and Thad Davis left this week for a visit to their old homes in Minnesota. They will perhaps return to Drain next spring.

C. M. Deansmore, of Cottage Grove, is in this section buying all the prunes for sale. He is paying from \$10 to \$15 per ton for them.

Mrs. R. A. Grant, who was operated upon for appendicitis at Cottage Grove recently, has so far recovered as to be able to return home Wednesday.

E. Joslyn has purchased from F. Wing, of Roseburg, the old Hazard farm of 249 acres, lying about three miles west of Drain.—Nonpareil.
