### BURGLARY AT GLENDALE.

Glendale News: Last Wednesday night, F. C. McGregor & Co's hardware store was broken into and about \$50 worth of merchandise was stolen consisting of revolvers, razors, knives, watches, ammunition, etc. The burglars made their entrance to the store by means of a rear window which they had lowered from the top. Three suspicious characters were in the city during the day and were later seen at Wolf Creek where they had a bundle which they were carrying, which might be the stolen goods. Constable Beckley followed on their trail yesterday but was unsuccessful in the search. One of the men was tall and wore a chin whisker, while the other two were medium sized men.
