BOOKS OPEN MONDAY.

Registration Begins for November Presidential Election.

Next Monday the registration books at the office of the county clerk will again be open in preparation for the presidential election in November. Voters may register until and including October 20.

NEW COUNTY FAVORED.

Cottage Grove Leader: There is strong sentiment in north Douglas in favor of forming a new county out of north Douglas and south Lane. Those people with their extensive lumber and timber interests need road and bridge improvements and they get practically no county aid in this direction.

HOW MATLOCK FEELS ABOUT IT.

Will Not Consent to Friendly Suit in Near-Beer Case.

Eugene Register: The brewers who claim to be testing the validity of the "near beer" ordinance and the legality of the city charter, came to the mayor through their attorney and wanted it understood that the arrest of Chas. Kuthe for selling the stuff was only a friendly suit, in which they agreed to pay all the costs and take the matter to the supreme court, provided the local dealers were allowed to go right along and sell "near beer" until the determination of the case, when, if the case were decided against them they would stop the sale of it.

HAMILTON SENDS HAM TO JAIL.

COQUILLE, Or., Sept. 17.—Judge Hamilton in the circuit court yesterday sentenced Bartender Ham, who has been convicted of larceny to two months imprisonment in the county jail. Ham will begin his sentence at once.

DOCTORS MISTAKES

Are said often to be buried six feet underground. But many times women call on their family physicians, suffering as they imagine, one from dyspepsia, another from heart disease, another from liver or kidney disease, another from nervous prostration, another with pain here and there, and in this way they present alike to themselves and their easy-going or over-busy doctor, separate diseases, for which he, assuming them to be such, prescribes his pills and potions. In reality, however, all only symptoms caused by some uterine disease. The physician, ignorant of the cause suffering, keeps up the treatment until large bills are made, and the patient gets no better. In fact, the wrong treatment, but probably worse, is given. The disease, however, is cured by dispelling all those distressing symptoms, and instituting comfort, instead of prolonged misery, as has been well said that "a disease known is half cured."

FRIDAY'S STATE FAIR RACES.

Leland Onward Paces Mile in 2:05 3/4. Breaking Track Record.

SALEM, Or., Sept. 18.—The great event at the state fair today was the Rapid Transit 2:05 pace in which the Northwest pacing record was twice broken. There were but two starters, Leland Onward and Mona Wilkes, the former winning three out of four heats and establishing the new record of 2:05 3/4. In the first heat Mona Wilkes made the mile in 2:06, the previous Northwest record being 2:06 1/2, made by Sherlock Holmes on this track in 1907.

The setting of the sun ended the 2:19 trot, 3 in 5, after four heats had been pulled off. The leading heat will be started at 1 o'clock sharp tomorrow, with three horses possible winners, Henry Gray, Monier and Zombroun. Gray already has two heats and Monier and Zombroun one each. The horse with the best record at the end of the fifth mile will be declared winner. Had the final heat been called tonight Henry Gray would almost certainly have been the winner, because of his apparent staying qualities, but tomorrow all the horses will be fresh, and the result may be different.

Other Race Results. Consolation pace, 2:08 class, para-11000—First heat, Delliah, Lord Lovelace, Miss Idaho; time 2:07 3/4. Second heat, Delliah, Lord Lovelace, Bonnie M.; time 2:07 3/4. Third heat, Delliah, Lord Lovelace, Bonnie M.; time 2:08 1/4. Miss Idaho took fourth money. Geraldine also...

Running, 3 1/2 furlongs, selling purse \$100—Timber Jim won, Lady B. second, Bill Short, third; time 0:42 1/2.

Running, 5-8 mile, selling, purse \$100—St. Albans won, Sallie Goodwin second, May Pink third; time 1:02 1/2.

A monument here marks the spot where 53 of the victims were buried in one grave. The patriots, under General "Mad Anthony" Wayne, were surprised by the Hessians and a large number were bayoneted. The sick and wounded Americans were cruelly put to death "Remember Paoli" afterward became the battlecry of the patriots.

MAY OWN ONLY WATER.

Eugene Paper Doubts That Newland Secured Any Land.

Eugene Guard: The Roseburg Review yesterday prints a story to the effect that James O. Newland of that city, had purchased 1 3/4 acres of school land inside the corporate limits of Eugene for \$15,141, the tract having been overlooked through the fact that the maps here do not show that the land was available for purchase.

After an examination of the township plats and the ownership maps of several abstractors and County Clerk Lee and Assessor Keoney this morning the land in question was located, but as it lies immediately on the river it is believed that the land was washed away during the past few years and since the maps later were made, and the Roseburg man, it is believed, has bought a part of the river bed instead of a good piece of land, as he probably thought several months ago a Eugene resident learned of this tract of school and remaining unsold and took a surveyor there to view it. As he made no purchase, it is concluded that the surveyor found no land here, it having been washed away. Neither the man who intended purchasing the land or the surveyor are mentioned in the city and no information can be had upon the matter.

This Roseburg man probably sought the land from the state school and board without first investigating it, as did the Eugene man and as a result, while he thinks he has picked up a may be probably has nothing out an acre and three-quarters of liver bottom, as the river has cut way a large amount of land in that vicinity during the past few years.

SALEM, Or., Sept. 18.—

Frank Freeman of Tillamook county, who had come to Salem to attend the state fair, was held by two armed highwaymen, at the corner of Twelfth and State streets, tonight and robbed of \$35 in cash and a gold watch and chain. The robbers escaped.

Aside from two or three reports of pocket-picking, this is the only case of robbery that has occurred during the fair this year.

A Paying Investment.

Mr. John White, of 28 Highland Ave., Houlton, Me., says: "Have been troubled with a cough every winter and spring. Last winter I tried many advertised remedies, but the cough continued until I bought a 50c bottle of Dr. King's New Discovery; before that was half gone the cough was all gone. This winter the same happy result has followed; a few doses once more banished the annual cough. I am now convinced that Dr. King's New Discovery is the best of all cough and lung remedies." Sold under guarantee at A. C. Marsters & Co.'s drug store. 50c and \$1.00. A trial bottle free.

An immense line of Cook's Linoleum just received; in the latest designs. No make of linoleum better and but few as good. B. W. Strong, The Furniture Man.
