The ROSE

IN MEMORIAM.

Isabelle Dalton was born in Illinois of English parents, August 29, 1852. She was married March 17, 1875, to Siren Madison, who survives her.

Soon after their marriage they moved to Nebraska, where they lived until coming to Oregon in 1893. They first settled at Looking Glass, this county, and later moved to Kelllogg, where Mrs. Madison died August 15, 1906, of consumption.

She was the mother of ten children, seven of whom are living. They are: Mrs. Mabel Rader and Miss Edith Madison and George, Edgar, Clarence, Charles and Frank Madison, all residents of Kelllogg.

Mrs. Madison was always a kind, loving wife and mother and a true friend to all her neighbors.

During her long illness, she was ever patient and gentle, and died a true, Christian woman, ready to meet her God.

"Blessed are the dead which die in the Lord—that they may rest from their labours; and their works to follow them." XX.

A Trick With a Shirt Waist--

It solves the problem of how to put on a shirt waist with buttons in the back and to do it without the assistance of a maid. Put the waist on with the opening in front, without putting the arms into the arm-holes. Then close the neck and pin it evenly. Next button down about three buttons, then turn the waist around to its proper place. Lifting the waist up about the neck, slip the arms through into the sleeves. After the waist has been worn and soiled, send it to the Roseburg Steam Laundry, shirt waist experts on laundering. Phone No. 791. We call for and deliver all work.

How to Get Strong.

P. J. Daly, of 1247 West Congress St., Chicago, tells of a way to become strong. He says: "My mother, who is old and was very feeble, is deriving so much benefit from Electric Bitters that I felt it my duty to tell those who need a tonic and strengthening medicine about it. In my mother's case a marked gain in flesh has resulted. Insomnia has been overcome, and she is steadily growing stronger." Electric Bitters quickly remedy stomach, liver and kidney complaints.
