SIX COUNTIES PROTEST.

Award to Benton County Raises Row at State Fair.

SALEM, Or., Sept. 20.—The representatives of six counties which entered the county exhibit competition at the State Fair fled with the State Fair board last night a statement that the judges of the county exhibits were influenced by an official of the fair management in awarding first premium to Benton county and they assert that they will advise their counties not to exhibit at the state fair again unless the management of the pavilion be placed in other hands.

The counties represented in the protest are Multnomah, Clatsop, Lane, Yamhill, Polk and Columbia. The protest is directed against W. H. Savage, superintendent of the pavilion, although his name is not mentioned in the complaint. Savage and two of the judges assert that he exercised no influence whatever.

Saturday's Races. Though not as exciting as Friday's card, those who saw Friday's events were well pleased. Henry Gray, who won two heats after failing in the 2:19 trotting event Friday and then was not allowed to go into the last heat because the man went down too soon, successfully captured the fifth heat in the race today. The grandstand was delighted, for all were with the gelding after he fell.

The 2:09 trot for the Rural Spirit purse failed to develop fast time. John Cardwell was an easy winner over Athlatham and R. Ambush in three straight heats. R. Ambush, who held the trotting record on the Salem track until Wednesday at 2:11 3/4, was distanced in the second heat, and could not qualify for third money even. The best time made was 2:11.

The most interesting race today was the \$1000 consolation trot in the 2:14 class. Della Derby took the event in 2:11 1/2, but not until she had run four heats. She allowed Valjejo Girl to take the first heat in 2:14. The next heat Valjejo Girl came in seventh.

College Maid, the most popular race course on the Salem track, made the fourth attempt within a week to beat her record of 2:09, but gave the poorest exhibition of the four, only making 2:14. The prettiest exhibition last Thursday, equaled her former record of 2:09.

In the running races, Yank captured the one mile handicap in 1:42 1/2. Melar was second. The half-mile was won by Cazaza; time 0:42 1/2.

COMING TO OREGON TO LIVE.

Exiled Turkish Official Confesses to Horrible Career.

LONDON, Sept. 20.—Zia Bey, the head of the Turkish secret service, who has had to fly for his life, is here in London under the assumed name of A. R. Gray. He admits that in his official capacity he sanctioned horrible atrocities, and that he dare not ever return to Turkey again. "The people can never forgive me," he said. "Turkey has seen the last of me forever. You must remember that during my term of office I have been the means of ruining ministers, officers and civilians at the bidding of my superiors, and 170 Turks, members of some of the most honored families in the Empire, have disappeared. Under my direction, a body of well paid secret service agents, over 400 in number, have been constantly at work. "It mattered not who were the persons to be removed. Orders from Yildiz were implicitly obeyed. False reports were submitted to the Sultan and from them there was no appeal. To be denounced by us was sufficient to ruin any one. "On July 21, the day of proclaiming the constitution, I knew that with Tashin and Izzet Pashas my official career was ended. On July 24 the Sultan sent me a letter, short and explicit: "Flee to Europe without an hour's delay." I waited till dark and fled. "I shall not remain in London permanently and am proposing to purchase a small country estate in Oregon. As I am only 40 years of age, I have a reasonable hope of living there in peace."

A Paying Investment.

Mr. John White, of 38 Highland Ave., Houlton, Me., says: "Have been troubled with a cough every winter and spring. Last winter I tried many advertised remedies, but the cough continued until I bought a 50c bottle of Dr. King's New Discovery; before that was half gone the cough was all gone. This winter the same happy result has followed; a few doses once more banished the annual cough. I am now convinced that Dr. King's New Discovery is the best of all cough and lung remedies." Sold under guarantee at A. C. Marsters & Co's drug store. 50c and \$1.00. A trial bottle free.

WAR ON TUBERCULOSIS.

Foremost Medical Men of World Meet in Washington.

WASHINGTON, Sept. 21.—Enemies of the white plague from every civilized nation of the earth and from every state in the union are assembled in Washington to begin a world-wide warfare that is expected eventually to result in the wiping out of this terrible scourge to humanity. The fifth International Congress on Tuberculosis, convened today, represents beyond all doubt the largest aggregation of scientific and educated humanitarians ever gathered in a single city. Backed by the medical and sociological science of the age, with unlimited funds at its disposal and a definite object in view, it seems hardly possible that the congress can fail of attaining its end. The convention opened today, to last until October 12, will likely be a historical event and will be remembered when other more spectacular events are forgotten. Every important commonwealth of the Union has sent committees to the congress, and the nations of Europe and South America are represented by their most distinguished physicians, savants and humanitarians. Upon his return to Washington, tomorrow, President Roosevelt will take an active interest in the congress and will probably preside at some of the sessions.

ISSUES APPEAL FOR TAFT.

Roosevelt Wants "My Palaces" Carried Out by His Legatee.

OYSTER BAY, Sept. 19.—President Roosevelt, in a letter to William H. McKinley, chairman of the republican congressional committee, made public today, appeals to disinterested citizens to join with the national republican committee and the congressional committee in a movement to elect William H. Taft as president and choose a republican congress to support him. The letter says, in part: "It is urgently necessary, from the standpoint of the public interest, to elect Mr. Taft and a republican congress which will support him and they seek election on a platform which specifically pledges the party, like in its executive and legislative branches, to continue and develop the policies which have been not merely professed but acted upon during these seven years. These policies can be successfully carried through only by the hearty co-operation of the president and the congress in both its branches, and it is therefore secularly important that there should obtain such harmony between them. To fail to elect Mr. Taft would be a calamity to the country, and it would be folly, while electing him, yet at the same time to elect a congress hostile to him, a congress which under the influence of partisan leadership would be certain to thwart and baffle him on every possible occasion. To elect Mr. Taft and at the same time to elect a congress pledged to support him is the only way in which to perpetuate the policy of the government as now carried on. I feel that all the support that can be given to this policy by every good citizen should be given. It is far more than a partisan matter."

ADVERTISED LETTERS.

Remaining uncashed for in the Roseburg postoffice on Sept. 21, 1908, are the following letters, which will be charged at the rate of one cent each: Billings, I. W.; Dyringer, Treva; Harvey, Mrs. Alta; Hatfield, Mrs. Mary; Kenney, Mrs. D. W.; Mansfield, Roy; Newton, Mrs. L. H.; Quinn, Tim; VanAmberg, Mrs. Etta. C. W. PARKS, Postmaster.

Medford Tribune: H. O. WILKINSON, proprietor of the saloon in this city known as "Weary Willie's," is on trial today in Jacksonville charged with having sold liquor to a minor. It is charged that on July 3 Wilkinson sold a glass of beer to George Sawyer, who is under the age of 21 years.

The Knock-out Blow.

The blow which knocked out Corbett was a revelation to the prize fighters. From the earliest days of the ring the knock-out blow was aimed for the jaw, the temple or the jugular vein. Stomach punches were thrown in to weaken every fighter, but if a scientific man had told one of the old fighters that the most vulnerable spot was the region of the stomach, he'd have laughed at him for an ignoramus. Dr. Pierce is bringing home to the man a parallel fact; that the stomach is the most vulnerable organ of the prize ring as well as in life. We protect our heads, throats, feet and lungs, but the stomach is utterly indifferent to, until disease finds the solar plexus and knocks us out. Make your stomach good and strong. Buy a bottle of Dr. Pierce's Golden Medical Discovery and you protect yourself in your most vulnerable spot. "Golden Medical Discovery" cures "weak stomach," indigestion, or dyspepsia, torpid liver, bad, thin and impure blood and other diseases of the organs of digestion and nutrition. The "Golden Medical Discovery" has a specific curative effect upon all mucous surfaces and hence cures catarrh, no matter where located or what stage it may have reached. In Nasal Catarrh it will cleanse the passages with Dr. Sage's Catarrh Remedy fluid while using the "Discovery" as a constitutional remedy. Why the "Golden Medical Discovery" cures catarrhal diseases, as of the stomach, bowels, bladder and other pelvic organs will be plain to you if you will read a booklet of extracts from the writings of eminent medical authorities, enclosing its ingredients and explaining their curative properties. It is mailed free on request. Address Dr. R. V. Pierce, Buffalo, N. Y. This booklet gives all the ingredients entering into Dr. Pierce's medicines from which it will be seen that they contain not a drop of alcohol, pure, triple-refined glycerine being used instead. Dr. Pierce's Great Peppermint Cure Illustrated Common Sense Medical Advice will be sent free, paper-bound, for 25 cent stamps, or cloth bound for 50 cent stamps. Address Dr. Pierce as above.
