**EVER WATCHFUL.**

A Little Care Will Save Many Roseburg Readers Future Trouble.

Watch the kidney secretions. See that they have the amber hue of health.

The discharges not excessive or infrequent. Contain no "brick-dust like" sediment.

Doan's Kidney Pills will do this for you.

They watch the kidneys and cure them when they're sick. A J. Hayden, living on Flint St., near Mosier St., Roseburg, Ore., says: "I have always enjoyed the best of health until several years ago, when my kidneys became disordered. I do not know the cause of the trouble, but can only say that the kidneys failed to perform their functions properly and caused me much annoyance by the too frequent passages of the kidney secretions. This trouble was especially bothersome at night, often obliging me to arise several times. The claims made for Doan's Kidney Pills prejudiced me in their favor and I procured a supply at Marsters & Co's. drug store. They helped me from the first, correcting the action of the secretions and causing the pain during passage to cease. I continued taking them, and as a result am now without the least sign of kidney trouble." Price 50 cents. Forster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

## A Trick With a Shirt Waist--

It solves the problem of how to put on a shirt waist with buttons in the back and to do it without the assistance of a maid. Put the waist on with the opening in front, without putting the arms into the arm-holes. Then close the neck and pin it evenly. Next button down about three buttons, then turn the waist around to its proper place. Lifting the waist up about the neck, slip the arms through into the sleeves. After the waist has been worn and soiled, send it to the Roseburg Steam Laundry, shirt waist experts on laundering. Phone No. 791. We call for and deliver all work.

Hiram E. Mitchell, a son of the late United States Senator Mitchell, and a former officer of the United States army, was granted a divorce at Oregon City Saturday from Minnette Mitchell. They were married in New York City, April 13, 1904. Mitchell charges his wife with desertion in that she A. Great 18, 1905, when he says she told him she was going on the stage.

Indian war veterans of both Oregon and Washington will use their influence again this winter in an effort to secure the passage of a bill through the Washington legislature, allowing the gray haired survivors of early frontier battles \$2 per day for past services. At the present time all the remuneration received by the remaining handful of men who risked their lives 50 years ago for advancing civilization, is the \$8 per month federal pension. Congress, however, did not pass the pension bill until 1902 and it was a year later before any benefits were received from it. Now the Washington legislators will be asked to reward the few veterans still living a wage of \$2 per diem for the time they were in actual service on the frontier.

At Eugene, Saturday, the Lucky Mine was sold on execution to satisfy claims. The only bidders were Corn Sengstake and E. A. Lyman, and it was knocked off to them at their bid for \$131,647.27. Just why this particular sum was bid was not known by the officers, but it was largely in excess of the judgments against it, and it is said the parties bidding represent the Title Guaranty & Trust Co., and that the amount bid was necessary from the stockholders standpoint. It is also said that this property is to be re-organized and put on a solid basis, taking in some additional property lying very near, but that nothing can be said about it at this time. There is no question about the values being in the eye. It is only a question of getting it out at a cost that will justify.

John Boyce, a young man of Gilliam county was the victim of a frightful accident Wednesday while out duck hunting. In attempting to get over a fence his gun was caught and discharged, its heavy shot going through his right side below the breast, tearing a gash in the lung. His condition is critical.

## S.S.S. CURES SKIN DISEASES

When the blood is pure and healthy, the skin will be soft, smooth, and free from all blemishes and eruptions; but when some acid humor takes root in the circulation, its presence is quickly manifested by some form of skin disease. The skin receives its necessary nourishment and strength from the blood. When, however, this vital fluid becomes a humor-laden stream, it can no longer preserve the healthy, natural appearance of the skin, but by its acrid, impure nature continually irritates and inflames the delicate tissues and fibres and keeps the cuticle in a diseased and disfigured condition. External applications cannot reach the blood, and therefore are beneficial only for their ability to reduce inflammation, and assist in keeping the parts clean. To cure any skin trouble the blood must be purified of the humors that are causing the trouble. S. S. S. drives out the humors from the blood so that the skin, instead of being irritated and diseased, is nourished by a healthy, cooling stream. S. S. S. goes down into the circulation and removes every particle of impure matter, all acids and humors, and restores the blood to its normal, pure condition, thereby curing every form of skin disease or affection. Book on skin diseases and any medical advice free to all who write.
