A GOOD STOMACH.
Means Good Health, Cheerfulness, Ambition, Persistence and Success.

Mi-o-na will cure your dyspepsia or any other stomach trouble by building up the flabby walls, and making the stomach so strong that it will digest food without pepsin or other artificial aid.

In other words, Mi-o-na cures dyspepsia by removing the cause.

Red Cross Pharmacy is the agent for Mi-o-na in Roseburg and they say to every reader of The Review whose stomach is weak, who has indigestion or dyspepsia, that Mi-o-na is guaranteed to cure or money back.

The price is only 50 cents a large box, and one box is all you need to prove that you are on the right road to health and happiness.

"I can't say enough for Mi-o-na tablets; they have done more for me in one week than all the doctors have for the two years I have been under their care, and I will do all I can to recommend it to my friends. You can also use my name in your ad, if you like. I am like a new man, and am able to work once more for the first time in over a year."

DYSPEPSIA

"Having taken your wonderful 'Cascarets' for three months and being entirely cured of stomach trouble and dyspepsia, I think a word of praise is due to 'Cascarets' for their wonderful composition. I have taken numerous other so-called remedies but without avail and I find that Cascarets relieve more in a day than all the others I have taken would in a year."

A Trick With a Shirt Waist--

It solves the problem of how to put on a shirt waist with buttons in the back and to do it without the assistance of a maid. Put the waist on with the opening in front, without putting the arms into the armholes. Then close the neck and pin it evenly. Next button down about three buttons, then turn the waist around to its proper place. Lifting the waist up about the neck, slip the arms through into the sleeves. After the waist has been worn and soiled, send it to the

EDENBOWER NEWS.

Mrs. Laura Edgerton is succeeding nicely with her school.

Joe Schram has a pear tree that he set out a year ago in March, that was full of pears this year. The fruit is fair, too. The tree was a year old when he set it out, and is not very much larger than an ordinary walking stick, now.

The children in the Calkins home are raising squabs for the market and find it a profitable industry.

A. B. C. Whipple furnished the "Red Special" with a box of Edenbower pears and received a complimentary letter from the genial "Gene" as his car sped northward.

G. W. Thompson has a small flock of buff Leghorn pullets that were hatched Feb. 6th, that were laying a baker's dozen of eggs daily the first of August. Mr. T. has the management of poultry in a nut-shell.

Assessor Calkins is agitating the matter of having the city water system extended here and is meeting with success. It is generally conceded that it will be fully established by April 1st, 1909.

A small boy once said of fruit: "We eat what we can, and what we can't we can." How about Edenbower? "What we can't eat we can't can." I clip the following from the Myrtle Creek Mail, which that alert little sheet has copied from an exchange: "Ten thousand cans of fruit a day are being put up at the Grants Pass cannery. One hundred and ten men, women and boys and girls are employed" etc. Myrtle Creek is bound to fall in line. Why not Edenbower or Roseburg or some other convenient place. What do you think about it? Don't all speak at once.

Mrs. Geo. Tolley's parents, who arrived here about two weeks ago have bought a farm near Wilbur and moved there last Wednesday. This is their second visit to Oregon and they came this time to stay.

Watson Davis and Chas. Mohr have their fruit driers running now.

MARGARET.

How to Get Strong.

P. J. Daly, of 1247 West Congress St., Chicago, tells of a way to become strong. He says: "My mother, who is old and was very feeble, is deriving so much benefit from Electric Bitters that I feel it my duty to tell those who need a tonic and 'rengthening medicine about it. In my mother's case a marked gain in flesh has resulted, insomnia has been overcome and she is steadily growing stronger."

Electric Bitters quickly remedy stomach, liver and kidney complaint. Sold under guarantee at A. C. Marsters & Co.'s drug store. 50c.

NOTICE TO TAXPAYERS.

The last half of taxes due for the year of 1907 will be delinquent after Monday, October 5, 1908.

Delinquent taxpayers will take notice that delinquent taxes will not be advertised as heretofore; under a law passed by the last legislature of this state taxes that are delinquent after the expiration of six months from the first date of such delinquency may be paid by any one demanding to pay same and a certificate of delinquency will be issued to such party.

Section 37, of said law, in part, reads:

"Any day after the expiration of six months after taxes charged against real property are delinquent the tax collector shall have the right, and it shall be his duty, upon demand and payment of the taxes, penalty and interest, to make out and issue a certificate or certificates of delinquency against such property."

and section 28, in part, reads:

"Certificates of delinquency shall bear interest from the date of issuance until redeemed at the rate of 15 per cent per annum."

Delinquent taxpayers are therefore advised that if they have not paid at least one-half of their taxes on or before the first Monday in April that the same are delinquent and have been delinquent since said first Monday in April, and those who have paid one-half of their taxes as above the remaining one-half will become delinquent after the first Monday in October, and six months from such date a certificate of delinquency bearing fifteen per cent interest per annum may be issued against your property.

To save further costs, penalties and interest you are earnestly requested to settle the same at once.

deputy Sheriff and Tax Collector.

A Paying Investment.

Mr. John White, of 38 Highland Ave., Houlton, Me., says: "Have been troubled with a cough every winter and spring. Last winter I tried many advertised remedies, but the cough continued until I bought a 50c bottle of Dr. King's New Discovery; before that was half gone the cough was all gone. This winter the same happy result has followed; a few doses once more banished the annual cough. I am now convinced that Dr. King's New Discovery is the best of all cough and lung remedies." TRANS-MISSISSIPPI CONGRESS.

SAN FRANCISCO, Sept. 24.—San Francisco, which has been out of the running as a convention city since the earthquake, will again get into the game week after next, when the Trans-Mississippi Commercial Congress convenes here. The subjects which are covered by the official program include mining, irrigation, drainage, immigration, Pacific commerce, live stock industries and similar topics in which western America is specially concerned. All these subjects will be discussed by the Americans most capable of discussing them profitably. The congress is a great clearing-house of western opinion and experience, and its sessions promote solidarity among western communities.
