A Trick With a Shirt Waist--

It solves the problem of how to put on a shirt waist with buttons in the back and to do it without the assistance of a maid. Put the waist on with the opening in front, without putting the arms into the armholes. Then close the neck and pin it evenly. Next button down about three buttons, then turn the waist around to its proper place. Lifting the waist up about the neck, slip the arms through into the sleeves. After the waist has been worn and soiled, send it to the Roseburg Steam Laundry, shirt waist experts on laundering. Phone No. 791. We call for and deliver all work.

Glendale News. J. W. Beckley has sold his business to Neuber Bros., of Days Creek, who have taken possession and will henceforth conduct the business at the Central Livery and Feed stables. Mr. Beckley and wife will return to their former home in Roseburg.

Ed. Wilder sold 10 acres of his tract of land just east of the town limits, last week, to J. W. Warner, of Medford, for \$1500. Mr. Wilder bought 20 acres a little over a year ago for \$1500, but he has now disposed of half of it for that sum. This is an instance showing the rate at which land values have been climbing during the past year, and the top notch hasn't near been reached. Mr. Warner also purchased 10 lots of B. J. Howland in the east end of the Johnson addition and will build a residence upon the same.

Messrs. Atchison, of Decatur, Ill., and Hammersly, of Grants Pass, under the firm name of Atchison & Hammersly, will open a first-class grocery store in the building lately vacated by McGregor & Co.

Dave Cole and wife will return to Pennsylvania in a short time, on account of the very severe illness of Mrs. Cole's mother.

M. E. Manley, station agent of the S. P. Co. at this place, was discharged this week for alleged violation of the rules. His dismissal has stirred up the business men of the town and they are preparing a vigorous protest asking that the matter be reconsidered.

Born to Mr. and Mrs. John Freeman, in South Myrtle, Sunday, Sept. 20, a son.

C. H. Arundel shows his faith in the country by purchasing this week 20 acres of land of Clay Dement, in Missouri Bottom, for which he paid \$100 per acre. The tract adjoins the Leavengood farm. It is the intention of Mr. Arundel to plant out here a large apple orchard the coming winter. This land was a drug on the market two years ago at \$25 an acre. We predict that within two years' time \$200 an acre will not buy the same land.

A deal was made this week between Geo. E. Cole and the Dunnaway Bros., whereby the former acquires title to 240 acres of land, on Red Mountain, north of town, and the latter take as part payment Mr. Cole's barber shop here in town. It is the intention of Mr. Cole to improve the land and open a sanitarium where consumptives will be given open air treatment in connection with a regular course of treatment of his Consumption Cure. Mr. Cole will put up a log hotel and provide tents for his patients that they may be in the open air as much as possible.

Drain Nonpareil. Mrs. Ben Kern, of Kern Klamath county, is visiting at the homes of J. W. Craig and Abe Mattoon in North Drain this week.

R. Kemp Sanders and brother, Fred, of Fossil, arrived in Drain on Thursday and will visit with relatives here for a few weeks.

Oakland Owl. Miss Esther and Edwin Stearns went to Eugene Monday to attend high school the coming winter.

Orville Kruse went to Corvallis Thursday where he will become a student in the Agricultural college.

On Thursday E. G. Young & Co. shipped over 2000 live turkeys to Portland. This is Oakland's shipment to the Philippines.

blue ribbons over all other exhibits and carried off the championship of their class. This stock is now on exhibition at the Portland Stock Show and we predict for this progressive firm the same measure of success there as they attained at Toronto.

It speaks well for any community when they can boast the possession of such magnificent stock and it is hoped that other livestock growers of this section will emulate the example set by the Oakland Live Stock Company and introduce other fine thoroughbred stock on their ranches.

A Paying Investment.

Mr. John White, of 38 Highland Ave., Houlton, Me., says: "Have been troubled with a cough every winter and spring. Last winter I tried many advertised remedies, but the cough continued until I bought a 50c bottle of Dr. King's New Discovery; before that was half gone the cough was all gone. This winter the same happy result has followed; a few doses once more banished the annual cough. I am now convinced that Dr. King's New Discovery is the best of all cough and lung remedies." Sold under guarantee at A. C. Marsters & Co's. drug store, 50c and \$1.00. A trial bottle free.
