PEOPLE GIVE MONEY

New Orleans Editor Receives $7,000 for the Democratic Fund.

ROBERT EWING TELLS ABOUT IT

Encouraging Reports Come from Many States.

Oregon for Bryan—Wisconsin in Line —Minnesotans Enthuse—Even Ohio Will Defeat Taft, Says Ed. Mahon.

Chicago, Ill., Sept.—Special—If publishers of Democratic papers throughout the country are as successful as Mr. Bobt. Ewing of the New Orleans States in raising funds for the Democratic national campaign, Chairman Moses C. Wetmore of the finance committee will not want for money to meet legitimate campaign expenses. Mr. Ewing, who has been here attending the meeting of the Democratic national committee, has collected a popular subscription fund of approximately $7,000. This has been accomplished within the past three or four weeks. Mr. Ewing predicts that the States' fund will grow and that it will finally be as much as $20,000.

"Our people are taking a live'y interest in this work of raising a popular fund for the election of Bryan and Kern," said Mr. Ewing today. "They realize fully the importance of getting a sufficiently large fund to run the campaign, and they know that this money must come from the people. The trusts and the special interests will save the Republican party the necessity of going out and raising money by small subscriptions. That is the reason this unprecedented collection of a campaign fund for the election of presidential candidates has been comparatively easy. Every parish in the state is swelling the fund. Already Democrats are regarding the contribution of funds for the election of Bryan and Kern as a patriotic duty. Fully five hundred registrars and judges of election in Louisiana, who earn $3.00 a day for their services one day in each campaign year, have contributed their earnings to the Democratic national campaign fund. That shows the extent of the personal sacrifices being made by Democrats in this presidential contest."

The Democratic national committee is not overlooking opportunities in Pacific coast states and a very vigorous campaign is to be conducted in those western states. The reports Chairman Mack has received from California, Oregon and Washington are convincing that Democrats have a fine chance to carry all of those states. The national committee will work in harmony with the state committees.

Speaking of political conditions in the west, National Committeeman Miller, of Oregon, said today: "Bryan and Kern will carry Oregon this year, though I notice in the morning papers that United States Senator Jonathan Bourne says that Democrats haven't a chance in the west. The best answer I can make to this statement is to cite Senator Bourne as an authority against himself. Prior to the Republican national convention, the senator was proclaiming from one end of the country to the other that the nomination of Judge Taft would result in his defeat in the nation and a loss of Oregon to the Republican party. Mr. Bourne was for the renomination of President Roosevelt, but I think at the time he correctly diagnosed the situation in Oregon, when he declared that Taft could not carry the state against Bryan.

"Conditions are highly favorable to the Democracy in Pacific coast states," continued Mr. Miller, "and I believe Mr. Bryan will get relatively a larger per cent of the Republican vote in those states than in any others of like population in the country. The Denver platform is the best ever put forward by a party, and it appeals with particular force to Pacific coast people."

Representative James W. Murphy, of the Third Wisconsin Congressional district, was a caller at Democratic headquarters today. He thinks Democrats have a fine chance to carry Wisconsin this year. He told Chairman Mack as much and went over with him the political situation in the state.

"There is a wonderful change in public opinion towards Mr. Bryan this year," said Congressman Murphy. "This is particularly noticeable in cities where Bryan and Kern clubs are being organized. In Milwaukee one night last week, a Democratic club was organized with an enrollment of 280 members. This was in a precinct where the total Democratic vote four years ago was only 30. This shows the drift towards Democracy in Wisconsin, and I hear like reports from all the states of the west."

Chairman Moses C. Wetmore of the finance committee stated today that 1,500 papers had joined in the movement to raise a popular subscription fund with which to run the Democratic campaign. He says, in his opinion, every Democratic paper in the United States will join in this movement.

Senator Thos. F. Brady, of New York, famous as an orator in the Tammany organization, was another caller at Democratic headquarters where he spent some time with Chairman Mack. Senator Grady has been on a two months' trip through the west. He thinks Mr. Bryan will be elected president. He says Mr. Bryan has great strength among the western people who admire and believe in him. In every place that I visited, said Senator Grady, I heard Republicans say they would vote for Bryan in preference to Taft. Of course, New York is going Democratic this year, and conditions favor a Democratic victory."

John A. Hartigan, Insurance Commissioner of Minnesota, who called at Democratic headquarters, is very enthusiastic over Democratic prospects in that state. "Johnson will be elected governor," he said, "and we will make a great fight all along the line for the Democratic ticket. There is no factionalism in our party. There are no Johnson men and there are no Bryan men. All Democrats are Bryan and Johnson Democrats and are working with enthusiasm and vigor for the state and national tickets. We are going to win this year."

"Many people express surprise when the statement is made that Taft will fail to carry his own state this year, but it is my confident opinion that Ohio will give its electoral vote to Bryan and Kern." This statement came from Ed. Mahon, a prominent business man in Columbus, Ohio, who called at Democratic headquarters to arrange for the distribution of literature in the Ohio contest. "We want all the literature we can get," said Mr. Mahon, "for the people are in a very receptive mood this year. It is surprising to Democrats to find so many Republicans in Mr. Taft's own state who are for Bryan and Kern. I never knew the Democratic party to be in as good shape as it is in Ohio today. We are not only going to elect a Democratic governor, but we are going to beat Mr. Taft right in his own bailiwick."

Presbyterian Synod Adopts Various Resolutions and Adjourns.

ASHLAND, Or., Oct. 10.—The third session of the Presbyterian Synod today was marked by a large attendance. Reports of important committees and able addresses on topics of prime interest to workers of the church were delivered. The synod listened with deep interest to Rev. E. J. Conner, a full blood Nez Perce Indian, who told of a wonderful revival among Indians of the Pendleton presbytery.

The report on foreign missions, by Rev. S. W. Seeman shows that the Presbyterian church supports 966 missionaries and has an enrollment of 85,000 foreign communicants and maintains over 1100 schools in foreign lands, with an enrollment of 40,000 students.

The synod went on record in favor of a closer Sabbath observance, and favored granting another day of rest in a week to workingmen who are obliged to work on Sunday. It condemned severely baseball and other kindred forms of Sabbath amusement, and decided to hold the next synod at Newberg.

Resolutions were adopted calling upon ministers to make their evening service distinctively evangelistic.

What Do They Cure?

The above question is often asked concerning Dr. Pierce's two leading medicines, "Golden Medical Discovery" and "Favorite Prescription."

The answer is that "Golden Medical Discovery" is a most potent alterative or blood-purifier, and tonic or invigorator and acts especially favorably in a curative way upon all the mucous lining surfaces, as of the nasal passages, throat bronchial tubes, stomach, bowels and bladder, curing a large per cent of catarrhal cases whether the disease affects the nasal passages, the throat, larynx, bronchia, stomach (as catarrhal dyspepsia) bowels (as mucous diarrhoea), bladder uterus or other pelvic organs. Even in the chronic or ulcerative stages of these affections, it is often successful in affecting cures.

"Favorite Prescription" is advised for the cure of one class of diseases—those peculiar weaknesses, derangements and irregularities incident to women only. It is a powerful yet gently acting invigorating tonic and nervine. For weak worn-out, over-worked women—no matter what has caused the break-down, "Favorite Prescription" will be found most effective in building up the strength, regulating the womanly functions, subduing pain and bringing about a healthy, vigorous condition of the whole system.

A book of particulars wraps each bottle giving the formulas of both medicines and quoting what scores of eminent medical authors, whose works are consulted by physicians of all the schools of practice as guides in prescribing, say of each ingredient entering into these medicines.

The words of praise bestowed on the several ingredients entering into Doctor Pierce's medicines by such writers should have more weight than any amount of non-professional testimonials, because such men are writing for the guidance of their medical brethren and know whereof they speak.

Both medicines are non-alcoholic, non-secret, and contain no harmful habit-forming drugs, being composed of glycerin extracts of the roots of native, American medicinal forest plants. They are both sold by dealers in medicine. You can't afford to accept as a substitute for one of these medicines of known composition, any secret nostrum.

Dr. Pierce's Pellets, small, sugar-coated, easy to take as candy, regulate and invigorate stomach, liver and bowels.

HEADED FOR COOS BAY.

Moffatt's Agents Incorporate New Railroad from Weiser.

PORTLAND, Oct. 10.—Articles of incorporation of the Oregon Midland Railroad filed at Salem today with a nominal capital of $100,000 is believed here in a measure to confirm reports which at different times in recent years have been current to the effect that David Moffatt, who is behind the Colorado Midland, intends to continue his road into Oregon.

The articles of incorporation of the Oregon Midland state that the purpose of the company is to build from Weiser, Idaho, to Portland, Tillamook and Coos Bay, Oregon. The incorporators are men plainly chosen to conceal the identity of the interest behind the scheme. Putting these things together with the fact that the Colorado Midland is now pushing toward Weiser as its goal, lends considerable color to the suggestion that the Moffatt interests are behind the new road.

AGAINST NEAR BEER.

Josephine Judge Rules Against Alcoholed "Temperance" Drinks.

GRANTS PASS, Oct. 10—The first of several cases of illegal selling of liquor was tried today in the Josephine county court, resulting in conviction. The jury was out only a few minutes, returning with a verdict of guilty. R. A. Davis, proprietor of the Josephine hotel bar was the defendant. Sentence will be pronounced by Judge Hanna Monday.

An interesting feature of the case was that Davis claimed to have sold only near beer. Expert testimony of a chemist, Earl Ingles, proved that the near beer contained almost four per cent alcohol. The beer was brewed by the Roseburg brewery, and as quantities of it are being shipped here it is likely that action will be taken against that establishment.

Davis was defended by Attorney Robert Smith, of this city. Senator Harry Norton had charge of the prosecution and will direct all cases on the docket for the state. Joseph McKinney, proprietor of the Palace hotel will be tried next. Private Prosecutor J. O. Bachelder of the secret service, who prosecuted Davis in behalf of the temperance people, will also prosecute McKinney, having on several occasions, so it is alleged, obtained liquor at the Palace. Miles and Carter, their partners, proprietors of the Layton hotel, will also be tried.

The conviction of Davis will no doubt result in stopping the sale of near beer and all alcoholic "temperance" drinks in Josephine county, as the analysis of the chemist, admitted in court, proved conclusively that such drinks contain alcohol. Judge Hanna's instructions to the jury, which are precedent in this jurisdiction, were that any appreciable percentage of alcohol make a drink intoxicating, therefore it is prohibitive under the law. Soft drink establishments occupying places formerly saloons must therefore close their doors, as their business has consisted mainly of selling near beer.

The trials are the result of a long still hunt conducted by Detective Bachelder for the temperance people.

SHOULDER FRACTURED.

Gen. W. H. Byars Thrown Out of a Buggy Near Salem.

SALEM, Or., Oct. 11.—W. H. Byars, a well known resident of this city, and at one time surveyor general of the state of Oregon, later commandant of the Soldiers' Home at Roseburg, was severely injured Thursday evening near the Joshua Smith place, about two miles southeast of the city.

General Byars and wife, in company with a large number of other members of the G. A. R. and W. R. C., had been at the Smith home enjoying the hospitality of Mr. and Mrs. Smith. Early in the evening, when the party broke up, General Byars and wife got into their rig and started to the city. The horse was fractious, however, and shied at everything that did not suit his fancy. Suddenly the beast jumped to one side of the road and collided with a bunch of brush. Both Mr. and Mrs. Byars went over the dashboard, Mr. Byars landing on the ground with great force. Mrs. Byars fell in a cluster of small bushes and not seriously injured, although considerably scratched and bruised. The racket attracted the attention of some of the other guests, who hurried out to see what the trouble was. General Byars, although painfully hurt, helped his wife to her feet and then went to the house where his injuries were dressed by Drs. Byrd and Morse. It was found that he had sustained an intra-capsular fracture at the shoulder joint, which usually means that the victim is booked for a good long rest at home.
