"The Fruit Grower," of St. Joseph, Mo., has just issued a Home-seekers' Edition, which contains an extended report from all the fruit growing districts of the west, and no one state receives as much attention as Oregon. There is page after page of illustrations and text, and every part of the state is given prominence. In fact, Oregon probably gets more attention than any other two states. This is true because the state is better organized, doing better advertising, has more good pictures and has learned how to present its resources and attractions better than any other state in the Union.

SUNDAY SCHOOL DAY.

The last Sunday in October has been set apart by the Methodist church as Rally Day in the Sunday school. The day was fittingly observed by the local church. The Sunday school secretary, Frank E. Blackman, reported an attendance Sunday morning of one hundred and fifty, with a special collection of \$35.00 for the Sunday School Board. Mrs. D. G. Palm's class of 16 girls, secured the largest offering, which was \$7.03. The Sunday school had charge of the evening service, which was a happy and highly successful one. The official program was used. The music was new and catchy—and the recitations were appropriate and entertaining. Miss Lucille Gates and Ada Frey had charge of this part of the work and were gratified with the good results. All present seemed to enjoy the evening and will no doubt note with interest the announcement of the next program to be given by the Methodist Sunday school.

EVENING ROSEBURG REVIEW

OCTOBER 26, 1908.

WHAT CAUSES DYSPEPSIA.

And incidentally Constipation, Coated Tongue, Nervousness, Headache, and Other Symptoms.

Did you ever know that the stomach is a churn? That just as soon as you are done eating, the healthy stomach commences to roll the food around, and mixes it thoroughly with the juices of the stomach?

And did you know, dear reader, that if the stomach is run down or flabby, so that it cannot do the churning, that dyspepsia is the result?

If the food is not churned, it lays heavily on your stomach, turns sour, and causes all kinds of distressing symptoms, such as headache, coated tongue, constipation, etc.

And so, as every physician will tell you, the way to cure dyspepsia, is to fix the churn, or in other words, build up the stomach so that it will properly mix the food.

If you have dyspepsia and want to get rid of it before it gets rid of you, go to Red Cross Pharmacy, the druggist, and get a large box of Mion tablets. The cost is only 50 cents, and every reader of The Review is welcome to his or her money back if Mion does not cure.
