LOCAL NEWS.

S. F. Hamilton was over from Stephens Tuesday.

Geo. Finley, the timber land buyer, left this morning for Portland.

Wm. Voorhees was among the Looking Glass people in town today.

Hon. Z. L. Dimmick, of Oakland, was transacting business here today.

Miss Ona Sloper left this morning for Oakland, Calif., to visit with her brother, Roy.

Mrs. T. R. Sheridan and two daughters left this morning for San Francisco to spend the winter.

Dr. and Mrs. W. C. Gilmour were over from Oakland this afternoon. They had just returned from looking at some timber lands in the northern part of the county.

William Bybee, a well known pioneer of the Rogue River valley, and probably the oldest living ex-sheriff of Jackson county, is seriously ill at Jacksonville and his recovery is doubtful.

Miss Catherine M. Covach, whose wonderful voice delighted Roseburg, will be glad to take a class in voice culture if a sufficient number of pupils here desire her services. For terms, address or call on Miss Olive A. McGee.

Salem Statesman: Dr. J. C. Evans, of the asylum, his brothers, C. H. and L. P., with George Quine, Ralph Quine and Bert Riddle have been for several days hunting for deer in the Cow creek country. Their success seems to have been all that could be desired, as the doctor returned the other day with eight deer and a story of how his brother, C. H., got lost in the wild and trackless (?) wilderness. With his exception the balance of the party returned to town yesterday with eight more deer, bringing the total for the hunt up to sixteen, probably as good a record as has been made this season. C. H. will remain on the hunting grounds for a few days longer, doubtless to prove to his friends that he is not "afraid to go home in the dark", or alone.

Mrs. J. A. Buchanan and daughter, Miss Lucile Ragsdale, left this morning for Eugene to attend the wedding of their son and brother, Le Noir Ragsdale, this evening; his bride being Miss Green, a former teacher in the Roseburg schools.

No use to suffer from colds; use Marsters' Cough Balsam.

With the near approach of election it is evident that thinking voters are beginning to realize more than ever the fact that the election of Bryan means a return to prosperity and business confidence. As the New York Herald so forcibly expressed it, "NO ONE NOW FEARS THAT MR. BRYAN'S ELECTION WOULD PROVOKE AN INDUSTRIAL, COMMERCIAL AND FINANCIAL CATASTROPHE." We wish to call attention to the fact that the very same people who are now declaring that democratic success would produce hard times, were the people who four years ago declared that republican success was absolutely essential to prosperity; that republican success was achieved four years ago and that instead of prosperity there came a panic with failures greater in number and in liabilities for the first nine months of this year than for any other period in the history of the country. Do the people want to continue this sort of "prosperity."—Ex.

Had a Close Call.

Mrs. Ada L. Croom, the widely known proprietor of the Croom hotel, Vaughn, Miss., says: "For several months I suffered with a severe cough, and consumption seemed to have its grip on me, when a friend recommended Dr. King's New Discovery. I began taking it, and three bottles affected a complete cure." The fame of this life saving cough and cold remedy, and lung and throat healer is world wide. Sold at A. C. Marsters & Co's, drug store, 50c and \$1.00. Trial bottle free.

MAY BE HILL'S PARTY.

Unknown Surveyors Go Down Unpiqua and Appear in Marshfield.

Marshfield Times: The presence of a surveying party which came down from the Unpiqua today, in Marshfield this afternoon, gave rise to all sorts of railroad rumors, some declaring that they were selecting a route for the Hill road to Coos Bay, and others declaring it was for some other railroad system. The party wasn't talking and just who they are and what their object is had not been learned late this afternoon.

The surveyors had seven pack horses and were brought across the bay on a scow. They did not stop long after landing and not one of the "small party" who saw them had ascertained any definite information.

A. H. Powers, who came overland with his wife, said that he understood that the party was sent out by the United States geological survey. But the number of men and the equipment caused some doubt to this report.

C. J. Mills said that the surveying party did not belong to the Southern Pacific.
