PRINCIPLES ABOVE PARTY.
 If the Democratic platform, adopted at Denver, had been adopted by the Republican convention, millions of Republicans would have been delighted, because the Democratic platform reflects the sentiments of a majority of the Republicans, as it does the sentiments of the Democrats. I promise, if elected, to carry out that platform in letter and in spirit, and the Democrats elected to Congress will be, like myself, pledged to that platform, while a Republican Congress would be more influenced by the action of the Republican convention than by the personal opinion of the Republican candidate.

A CHURCH MAN'S VIEW.

The following article was handed to us by a minister in charge of one of the Roseburg churches. While no name is mentioned therein it is known to refer to the Unitarian views of Hon. W. H. Taft, as contrasted with the well known orthodox religious faith of Hon. W. J. Bryan.

Extracts from a letter in the September issue of the Homiletic Review, by Rev. Egidius Kellmayer, of Titusville, N. J.:
 "It may seem innocent enough just to belong or hold to a Christian creed, and it may be urged that a man might hold to whatever he pleases, so long as he does not oppose. But Christ never looked upon it in that way. He says, 'He that is not with me is against me.' Personally, I will say, and say it earnestly, I could not vote for any man to be the leader of this people if I knew that man knew not the leadership of Christ Jesus. A man, I care not what all his other qualifications may be, who is not governed and dominated by the teachings of the Word of God, is not, no, not for an instant, calculated to govern this great and God-made nation."
 "Never has this country been given such a choice as she will have presented to her at the coming election. It will not be a choice merely between republicanism and democracy, with their various platforms and policies; it will be a choice between a man dedicated, not only to his country, but to God and His Christ, on the one hand, and a man who does not accept Christ as the Revelation of God, disbelieves that Revelation, and a man who disbelieves that can not be said to be dedicated to anything excepting the powers of darkness."
 "If ever the Church of Christ was called upon to show her allegiance to her Master, it will be at the next election. If ever the sacred ministry had an opportunity to exhibit real and grand leadership for their Master it will be during the time intervening now and the election. Brethren, let us lay aside prejudice, party prejudice, let us forget all things else, and let us remember only this one thing, that our Master and His cause are being put to the test before the greatest nation on earth, and that we can not afford, no, not if we have to sacrifice our fathers' political heritage, to take sides with him or those who do not count Christ as the factor in all national issues."

G. B. Burhans Testifies After 4 Years
 G. B. Burhans, of Carlsbad Center, N. Y., writes: "About four years ago I wrote you stating that I had been entirely cured of a severe kidney trouble by taking less than two bottles of Foley's Kidney Cure. It entirely stopped the brick dust sediment, and pain and symptoms of kidney disease disappeared. I am glad to say that I have never had a return of any of those symptoms during the four years that have elapsed and I am evidently cured to stay cured, and heartily recommend Foley's Kidney Cure to any one suffering from kidney or bladder trouble." ILLIUNESS and Constipation.
 For years I was troubled with biliousness and constipation, which made life miserable for me. My appetite failed me. I lost my usual force and vitality. Pepsin preparations and cathartics only made matters worse. I do not know where I would have been today had I not tried Chamberlain's Stomach and Liver Tablets. The tablets relieve the ill feeling at once, strengthen the digestive functions, helping the system to do its work naturally.—Mrs. Rosa Potts, Birmingham, Ala. ANSWERS EVERY CALL.

 Many Roseburg people rely on it. Here is Roseburg proof.
 W. J. Brand, 1908 Mill St., Roseburg, Ore., says: "Ever since I fell and strained my back some years ago until I used Doan's Kidney Pills I had more or less trouble from kidney trouble, the chief feature being a dull pain in the small of my back and through the loins. This became aggravated whenever I caught cold and at such times was almost unbearable. During the last attack I went to Marsters & Co's. drug store and got a box of Doan's Kidney Pills. They went right to the source of the trouble and removed every ache and pain. I believe Doan's Kidney Pills are unequalled for kidney complaint."

It cures coughs and colds perfectly, so do not take chances with some unknown preparation which may contain opiates, which causes constipation, a condition that retards recovery from a cold. Ask for Foley's Honey and Tar and refuse any substitute offered. Red Cross Pharmacy.

This is one of nature's happy provisions—eternal summer for those who cannot endure a more severe climate. California has been called the "Mecca of the winter tourist." Its hotels and stopping places are as varied as those of all well regulated cities. Visitors can always find suitable accommodation, congenial company, and varied, pleasing recreations.

SOUTHERN PACIFIC CO.
 Will be glad to supply some very attractive literature, describing in detail the many delights of winter in California. Very low round trip excursion tickets are on sale to California. The rate from ROSEBURG, OREGON, to Los Angeles and return is \$55.00.
 Limit six months, allowing stop-overs in either direction. Similar excursion rates are in effect to all California points.

WHAT THE WORLD HAS WITNESSED

And it Came Under the High Protective Tariff and Republican Control in Every Branch of the Federal Government.

In a public address, Mr. Shaw, recently Secretary of the Treasury under Mr. Roosevelt, said: "The stringency of 1907 is generally conceded to have been the severest the world has ever witnessed."

How consoling it is to read in the republican platform this glowing sentence: "A Republican tariff has always been followed by business prosperity."

Mr. Aldrich, in his speech on the Aldrich Currency bill in the Senate of the United States only last winter, said: "Mr. President, the financial crisis from which the country has just emerged, which culminated in a serious panic in October, was the most acute and destructive in its immediate consequences of any that has occurred in the history of the country. Nothing but the heroic measures taken by the representatives of the great business and financial institutions of the country acting in co-operation with the Secretary of the Treasury, prevented a total collapse of private credit and a disastrous destruction of all values. The country was saved by the narrowest possible margin from an overwhelming catastrophe, whose blighting effect would have been felt in every household."

On February 11, 1908, Mr. Shaw, in a speech he made in Michigan, said: "Over 300,000 freight cars are standing on the tracks, 30,000 locomotives white leaded and out of commission, one-fourth of the population of several large cities idle, and for the first time under a Republican administration, free soup houses in every industrial center; the price of farm produce naturally and materially depreciated furnish an object lesson which ought to produce a measure of sober-mindedness on the part of the American people."

From the public press is taken the following news item coming from Pittsburg, Pa., Feb. 8, 1908: "The cry of the unemployed daily grows more distressed in Pittsburg. There are 15,000 men idle, and the spectre of the dreaded soup houses again makes its appearance. The first soup house will be opened by the Salvation Army Monday morning, and unless there is a radical and prompt change for the better, more places of this kind will be in demand before many days have elapsed. The situation is not really alarming, but it is bad enough. Soup houses have been the dread of the business men and civic leaders, and every effort has been made to avoid them."

Here is the following news item from Chicago, dated Feb. 11, 1908: "Chicago, Feb. 11, 1908. Never in the history of the Chicago Relief and Aid Society has there been such a demand for assistance as at the present time. Is the claim of Superintendent Kingsly, who is in charge of the distribution of funds by the business men's relief committee, which has just raised between \$25,000 and \$30,000 for needy families. Never in the history of the society have we had so many appeals based entirely on the lack of employment."

Not long ago Mr. Dalzell, who writes the tariff tax, recently as dictated by the men who put up the money to pay the expenses of republican campaigns told us: "We do not read our tariff lessons out of books. We read them by the blazing light of open furnace doors, amid the noise of industrial activities and in the sweat of our brows that we coil into wealth, and God help the man or party that would put out these fires, still be music of that noise, and send the workmen home to a foodless and hungry household."

"It was under republican rule that this music was stilled, that the fires were put out, and that soup houses had to provide for the foodless and hungry."

No longer can any Republican ever fool the people by claiming that a republican tariff has always been followed by business prosperity."

The time has come—the hour has struck—for a change. Thousands of Republicans take their positions and will vote for Bryan in November.

Revision.
 It is an old-time Republican cry that "the tariff will be revised by its friends." Representative McCall of Massachusetts, a Republican, hit the nail on the head when in referring to this cry he said: "If the tariff cannot be revised when two-thirds of the membership of both houses is Republican, when is revision to come?"

Revision, through the Republican party, is to come whenever the beneficiaries of a high protective tariff are willing to surrender the enormous advantages they possess; and this surrender will be made whenever human selfishness is destroyed.

THOUGHT WORLD AT END.
 Moon's Freak Sends Populace Into Hysterics at Connelville.

CONNELLSVILLE, Pa., Oct. 31.—A green moon, which turned to a deep red and then was partially eclipsed in shadow, started residents of this city at 1:30 o'clock this morning. People climbed to the roofs of their houses to watch the phenomenon, and a cry went down the main street that the world was coming to an end.

Many were frightened into hysterics, women hugging their children and uttering wild shrieks. One man telephoned to Pittsburg, bidding his relatives goodbye.

As the moon rose higher, the silver light turned gradually to orange and then to deep red, which alarmed those who gazed at it. Suddenly, shortly after midnight, the color of the light changed and then became a green haze shade, as if it were screened and was almost instantly plunged to the extent of half the crescent into a dark shadow like a partial eclipse.
