If You Read This

It will be to learn that the leading medical writers and teachers of all the several schools of practice recommend, in the strongest terms possible, each and every ingredient entering into the composition of Dr. Pierce's Golden Medical Discovery for the cure of weak stomach, dyspepsia, catarrh of stomach, liver complaint, torpid liver, or biliousness, chronic bowels, and all catarrhal diseases of whatever region, nature or origin. It is also a specific remedy for all such chronic or long standing cases of catarrhal affections and their results, as bronchial throat and lung disease (except consumption) accompanied with severe coughs. It is not good for acute colds and coughs but for lingering or chronic cases it is especially efficacious in producing perfect cures. It contains Black Cherry bark, Golden Seal root, Bloodroot, Stone root, Mandarin root, Queen's root—all of which are highly praised as remedies for all the above mentioned affections by eminent medical writers and teachers. Prof. Bartholow, Jefferson Med. College; Prof. Harkness, University of Pa.; Prof. Finley, Springfield, M. D.; of Bennett Med. College, Chicago; Prof. John King, M. D., Cincinnati; Prof. John Scudder, M. D., of Cincinnati; Prof. Edwin M. Hark, M. D., of Hahnemann Med. College, Chicago, and scores of others equally eminent in their several schools of practice.
The "Golden Medical Discovery" is the only medicine that can be taken through the bowels for the purpose of curing such professional ailments. It has been used by more than any number of ordinary test persons. Open publicity of its formula is the best possible guaranty of its merit. A glance at this published formula will show that "Golden Medical Discovery" contains no poisonous, harmful or habit forming drugs and no alcohol—chemicals, pure, triple-refined glycerine being used instead. Glycerine is entirely unobjectionable and besides is a most useful agent in the cure of all stomach as well as bronchial, throat and lung affections. This is the highest medical authority for its use in all such cases. The "Discovery" is a concentrated glyceric extract of medicinal roots and is safe and reliable. A booklet of extracts from eminent medical authorities, endorsing its use, is mailed free on request. Address: Dr. B. V. Pierce, Buffalo, N. Y.

OREGONIAN IS STUNG.

Judge Lowell Speaks Plainly Regarding Statement No. 1.

PENDLETON, Ore., Nov. 7.—Although the United States senate is an ambition in life for Judge Stephen A. Lowell, of this city, Judge Lowell declines to be elected through broken pledges or disregarded laws in the following stirring letter to the Oregonian of Portland:
"Pendleton, Ore., Nov. 6, 1908.
"To the Editor:—I notice in your issue of this morning in an article discussing the senatorship, mention of my name as among several republicans who may possibly receive consideration at the coming session of the legislature. I do not know that the matter requires any attention, but I desire to go on record while the fight is young and to say that while it is the ambition of my life to represent Oregon in the federal senate, I do not care to reach that high station or discharge broken pledges or disregard laws and I want neither influence nor word nor act of mine to influence any member of the legislative assembly to violate his conscience or his word.
"I opposed Statement No. 1 in the primary campaign with such vigor and intelligence as I could command, believing it unwise, impolitic and foreign to the form of government under which we live, but it is now the law of the state, made such by the majority vote of the people, and every law should be obeyed.
"I speak only for myself, and do not assume to be the conscience of the party or the mentor of the legislature.
Respectfully,
"S. A. LOWELL."

How to Treat a Sprain.
Sprains, swellings and lameness are promptly relieved by Chamberlain's Liniment. This liniment reduces inflammation and soreness so that a sprain may be cured in about one-third the time required by the usual treatment. 25 and 50 cent sizes for sale by Hamilton Drug Co.

GOMPERS CONTEMPT CASE.

WASHINGTON, Nov. 10.—Hearing of the charge of contempt of court against Samuel Gompers, Frank Morrison and John Mitchell, arose out of the suit of the Bucks Stove and Range Company against the American Federation of Labor, in which a permanent injunction was issued restraining Morrison, Gompers and Mitchell and others from proscribing a boycott against the above company, is set for today.
The stove company charges that after the injunction had been effectuated a boycott against the company, the officers named, in many ways disobeyed the court's order by speeches which appeared in the federation's official organ, and in public interviews.
Judge Alton B. Parker is counsel for the labor men. President Gompers was anxious to have the hearing before election, but the court refused to permit such action.

How to Cure a Cold.

Be as careful as you can you will occasionally take cold, and when you do, get a medicine of known reliability, one that has an established reputation, one that is certain to effect a quick cure. Such a medicine is Chamberlain's Cough Remedy. It has gained a world wide reputation by its remarkable cures of this most common ailment. It acts on nature's plan, relieves the lungs, aids expectoration, opens the secretions and aids nature in restoring the system to a healthy condition. During the many years in which it has been in general use we have yet to learn of a single case of cold or attack of the grip having resulted in pneumonia when this remedy was used, which shows conclusively that it is a certain preventive of that dangerous disease. Chamberlain's Cough Remedy contains no opium or other narcotic and may be given as confidently to a baby as to an adult. For sale by Hamilton Drug Co.

THE MIGHTY POWER OF MI-O-NA.

MI-O-NA, that extraordinary and perfect stomach tonic, will relieve dyspepsia in twenty-four hours. It will cure, and is guaranteed by Red Cross Pharmacy to the readers of The Review to cure the most pitiful cases of dyspepsia, if taken according to directions.

MI-O-NA tablets not only cure dyspepsia, but all stomach disturbances, such as vomiting of pregnancy, sea or car sickness, and the stomach sickness after excessive indulgence.

MI-O-NA cures by strengthening and invigorating the flabby stomach walls, and after a course of MI-O-NA treatment, constipation, if there is any, will entirely disappear.

Read this from the president of a New York corporation:
"I have been a terrible sufferer from dyspepsia and gastritis for two years. The most eminent physicians prescribed for me with no effect. I have been absolutely cured by your MI-O-NA tablets. The first one gave me a relief almost incredible."—Herbert H. Taylor, 591 West 143 St., New York City.

MI-O-NA is a most economical treatment—a large box of tablets only costs 50 cents at Red Cross Pharmacy and the dyspeptic, nervous or otherwise, who does not give them a trial, is losing an opportunity to regain health.

Biliousness and Constipation.

For years I was troubled with biliousness and constipation, which made life miserable for me. My appetite failed me. I lost my usual force and vitality. Peppin preparations and cathartics only made matters worse. I do not know where I would have been today had I not tried Chamberlain's Stomach and Liver Tablets. The tablets relieve the ill feeling at once, strengthen the digestive functions, helping the system to do its work naturally.—Mrs. Rosa Potts, Birmingham, Ala.
