Eugene Register: O. Gorrell, a graduate of the University of Oregon in the class of '02, who left in August of the same year for Amoy, China, where he was engaged in educational work for five years and later was employed by the Standard Oil Co. at Hong Kong, is in the city. He arrived at Seattle last week and will stay in Eugene for the Oregon-Washington game before going to his home at Oakland to recuperate his health. Mr. Gorrell's last year's work at Hong Kong proved too much for him and he has given it up entirely and says a breath of good Oregon air feels good to him.

OBITUARY.

Alta Maud Levina was born near Fossil, Wheeler County, Oregon, Dec. 27, 1888, and died Oct. 28, 1908, at Elkton, Douglas county, Oregon, aged 19 years, 10 months, 1 day.

Her parents, W. H. and Maggie Levins, moved from Wheeler county to Elkton, when Alta was three years old. When four and one-half years old she went to visit the public school one day, and, having an active mind and being eager to learn, she immediately became a regular student. She eagerly pursued her school work, securing her Eighth grade diploma with the class of 1908. During these school years she bravely met and overcame obstacles that would have caused many to turn back from their course. Sickness of her father and

then of herself kept her from her school work a great deal, and during the last year or more of her life she climbed the hill to the schoolhouse by the aid of crutches. Her efforts and her ambition were rewarded not only by her diploma, but also by a silver medal for excellence in speaking in the Woman's Christian Temperance Union contest held last spring.

Alta joined the church when she was about ten years of age. She was faithful in attendance, and did her part of the church work, especially helping with the music in the Sunday school. She gladly played the organ for the Christian church.

Alta was of a kind and friendly disposition. She lived in this community all her life without an enemy and with the friendship of all. She passed her short life in the pursuit of what is best and noblest. Her trust was in God. "The very night of her death, she said to her father, "We will trust in God," and repeated it.

Thus her young life came to its close and we have one more example of Christian faithfulness to encourage us on our way.

She leaves, besides her father, W. H. Levins, two brothers, Charles and Leslie Levins, of Elkton. XX.

LOST IN THE WOODS.

You can't get lost in the woods if you have one of our blue-print or lithographic township maps.

They show all the rivers, creeks and physical features of the country, the names of the persons who have patented or filed on the land as well as all the vacant lands. Why don't you go out and look for a homestead or timber claim. Our maps will show you where to look.

We also sell maps of Douglas, Lane, Coos, Curry, Jackson and Josephine counties, besides maps of Roseburg, and all towns, villages and every platted addition in Douglas County. We print all our maps on cloth and they are indestructible.

Don't forget that we write insurance and rent safe deposit boxes. DOUGLAS COUNTY ABSTRACT COMPANY, Successor to Frank E. Alley. dtf

When summer has passed in these northern states, the sun is only mild under the bright blue skies of Southern California. This is one of nature's happy provisions—eternal summer for those who cannot endure a more severe climate. California has been called the "Mecca of the winter tourist." Its hotels and stopping places are as varied as those of all well regulated cities. Visitors can always find suitable accommodations, congenial companions, and varied, pleasing recreations.

Will be glad to supply some very attractive literature, describing in detail the many delights of winter in California. Very low round trip excursion tickets are on sale to California. The rate from ROSEBURG, OREGON, to Los Angeles and return is
