

WE WILL GIVE \$2.00 for \$1.00

To further prove that our DEMONSTRATION SALE is the greatest opportunity ever offered the citizens of Roseburg and to insure the sale of the few remaining pianos by Saturday night, Nov. 21st, at which time we will positively close this unprecedented sale, we will give you a clear receipt for double the amount of cash that you pay up to \$50.00 as first payment on any piano in our stock; that is, if you pay us a first payment of \$50.00, we will give you a receipt for \$100.00; if you pay \$25.00 you get a receipt for \$50.00, etc., and you can pay the balance in small monthly payments of \$10.00 or \$8.00, or, yes, even \$6.00 per month.

Do You Know

that we are offering the genuine Bush & Gerts pianos, Kimball pianos, Chickering pianos and 30 other standard makes at positively unheard of prices. We will sell brand-new pianos at \$212.00, \$226.00 and \$238 that any dealer will sell for \$300, \$325 and \$350, and please remember that even at these factory prices we give you a further reduction, equal to the amount of cash you pay up to \$50.00.

Think of It.

By making a first payment of \$50, we will give you a receipt for \$100, thus enabling you to secure a stand-

ard, high-grade piano, regular value \$300, for \$212 less \$50 that we allow you for double your cash payment, making the piano at a net price of \$162.00.

Only Four Days More

and this wonderful sale comes to an end and if you have not taken advantage of it, your one greatest opportunity of a lifetime to secure a fine piano at actual factory prices will have passed. Don't think that your circumstances will not enable you to buy now; come in and talk it over; you can positively save from \$100 to \$200 by buying now and we will arrange the terms of payment to suit you.

Fully Guaranteed.

Every piano we sell is fully covered by our celebrated Miller's Money-Back guarantee, which means if the piano is not found exactly as represented or that if you could secure the same piano elsewhere for less money, your money will be cheerfully refunded.

Open Evenings.

For the benefit of those who may find it inconvenient to call during the day, our store in the Taylor and Wilson block, next door to Kubat's cigar factory, will be open each evening this week.

Biliousness and Constipation.

For years I was troubled with biliousness and constipation, which made life miserable for me. My appetite failed me. I lost my usual force and vitality. Pepsin preparations and cathartics only made matters worse. I do not know where I would have been today had I not tried Chamberlain's Stomach and Liver Tablets. The tablets relieve the ill feeling at once, strengthen the digestive functions, helping the system to do its work naturally.—Mrs. Rosa Potts, Birmingham, Ala. These tablets are for sale by Hamilton Drug Co.

The General Demand

of the Well-Informed of the World has always been for a simple, pleasant and efficient liquid laxative remedy of known value; a laxative which physicians could sanction for family use because its component parts are known to them to be wholesome and truly beneficial in effect, acceptable to the system and gentle, yet prompt, in action.

In supplying that demand with its excellent combination of Syrup of Figs and Elixir of Senna, the California Fig Syrup Co. proceeds along ethical lines and relies on the merits of the laxative for its remarkable success.

That is one of many reasons why Syrup of Figs and Elixir of Senna is given the preference by the Well-Informed. To get its beneficial effects always buy the genuine—manufactured by the California Fig Syrup Co., only, and for sale by all leading druggists. Price fifty cents per bottle.

The old building occupied by Chinese, on Douglas street, just west of Jackson, is being torn down and will be replaced by a new structure. This is the last of the old landmarks in Roseburg, having been moved from Winchester about 50 years ago. It was then used as the U. S. land office.

DYSPEPSIA

"Having taken your wonderful 'Cascarets' for three months and being entirely cured of stomach acidity and dyspepsia, I think a word of praise is due to 'Cascarets' for their wonderful composition. I have taken numerous other so-called remedies but without avail and I find that 'Cascarets' relieve more in a day than all the others I have taken would in a year."

THE HORSEMAN.

The harness should be kept soft and pliable. It will not only be more comfortable to the horse, but it can be handled more easily and will last longer.

Ringbone in Horses.
It is hard to successfully treat ringbone after it has become firmly established upon a horse's leg. In the early stages proper shoeing will straighten the foot and relieve the strain which is the cause of the trouble. Ringbone is due to an injury to the tendons of the foot or to blows, sprains or overworking before the bones have been fully formed and hardened. It is regarded as a disease that may be transmitted by tendency.

The Brood Mare.
I never allow a mare to get too fat and feed quite sparingly for a few weeks before foaling. I have worked mares steadily to a couple of days before foaling and have put them to work just a week after and have never had trouble result, but would advise a longer time, at least after. I never let a colt follow the mare unless she is to be out all day. I do not approve of breeding a mare every spring. Let her wean a colt and breed in the fall every other year. This is the suggestion of H. M. Daniel of Washington, who says he has successfully grown horses for fifty years.

A Remedy For Colds.
Horses are frequently troubled with coughs, colds, distemper and lung trouble, frequently attributed to dusty hay. A writer on the subject gives a prescription which he says he has used successfully for over forty years and that his father, a horse doctor of the old fashioned school, used it many years before his time. He says that the remedy is perfectly safe and there is no danger from giving a little over the regular dose. The prescription is as follows: Oil pine tar, one pint; oil orriganum, one ounce; powdered blood root, one ounce; powdered elecampane root, one ounce. Dose, one tablespoonful from three to five times a day, placed well back of the tongue.

Legs of a Draft Horse.
The construction and set of the hind legs of a draft horse are of vital importance. A draft many of the diseases to be found in these regions are largely due to the wrong set of the limbs. In a correctly constructed hind limb, viewing it from the side, a line dropped from the hindmost point of the slope should strike the top of the hock and continue parallel with it until the pastern joint is reached. If the conformation of the leg be such that the lower part of the leg is thrown more under the body, thus making it more subject to a strain of a tendon or ligament just below the hock, it is termed "sickle hocked," and it is very likely that it will become curby.

False Economy in Feeding.
There is such a thing as false economy in feeding. If a horse were compensated in feeding, you would know the profit you can easily secure and the wisdom of generous methods, though wisely, but not miserably.

How to Cure a Cold.

Be as careful as you can you will occasionally take cold, and when you do, get a medicine of known reliability, one that has an established reputation, one that is certain to effect a quick cure. Such a medicine is Chamberlain's Cough Remedy. It has gained a world wide reputation by its remarkable cures of this most common ailment. It acts on nature's plan, relieves the lungs, aids expectoration, opens the secretions and aids nature in restoring the system to a healthy condition. During the many years in which it has been in general use we have yet to learn of a single case of cold or attack of the grip having resulted in pneumonia when this remedy was used, which shows conclusively that it is a certain preventive of that dangerous disease. Chamberlain's Cough Remedy contains no opium or other narcotic and may be given as confidently to a baby as to an adult. For sale by Hamilton Drug Co.

COME! SEE! The Frozen Watch

A SOUTH BEND WATCH

IT STILL KEEPS PERFECT TIME.

We want every man, woman and child in Roseburg to come Thursday and Friday to see the famous South Bend Ice Test.

We are proving by actual demonstration that a South Bend Watch may be frozen in Solid Ice without injuring its timekeeping qualities in the slightest degree.

This watch, though frozen, still keeps perfect time—second for second—with other watches more favorably situated and we and 10,000 other leading jewelers located throughout the country are conducting this unique exhibition this week to show you that a watch which no freezing or roasting can effect is not likely to vary under any tests, or strains, or jolts, or jars you are ever likely to give it.

There is no obligation to purchase. Come in and see this wonderful test of this wonderful watch, and let us tell you why you must buy a watch of a reliable jeweler to secure satisfactory watch service.

Don't Backslide

A man that backslides always has a "because" for every "why." Take an ordinary ready made suit—one of the "hand-me-down" variety—looks nice, fits nice perhaps, why? The presser's hot iron has made it. But wait a month—sorry looking sight isn't it—puckers, puffs, and bags; well, that's why we keep hammering at You. You wear clothes; we want to show you the kind that makes friends of You. We want to be your friend—that is why we want to sell you a suit that will bring you back to HARTH'S TOGGERY, the home of GOOD CLOTHES.
