### British Briefs.

Wales, with more than half a million population, has only two small soda fountains.  
Four thousand persons make a living in London by begging. Their average combined income amounts to over \$1,500,000.  
About 60,000,000 barrels (of 190 pounds each) of wheat flour are consumed annually in the United Kingdom of Great Britain and Ireland.  
The Society of Miniature Rifle Clubs in England is reported to be doing quietly an immense amount of good in fostering and developing an interest in national rifle shooting.  
A farmer in the Bedworth district, Warwickshire, England, has created a local record in connection with the hay harvest by working in one field for twenty-one hours in a single day. He began cutting at 1:30 a. m. and ceased at 10 o'clock at night, when the grass was turned.

### Frills of Fashion.

Immensely long sheath skirts of black satin are worn by young matrons who are trying to get effect.  
The old fashioned coat of elaborate design and of heavy weight has been succeeded by the little light coat of cloth or silk, finished in pointed, cut-away, butterfly or open design.  
All things are gayly empire. The little belt rising slightly in the back, the square neck filled in with lace, the wonderful embroideries across the front and the clinging skirts, all these things savor of the empire styles.  
The woman who is going to get only one autumn coat can have a black sat, one, cut in butterfly shape, with pointed fronts and a single modified point in the back. This coat is lined with white satin and very simply trimmed with passementerie. It can be worn with any skirt and any little lingerie waist.—Brooklyn Eagle.

### Asthma Sufferers Should Know This.

Foley's Honey and Tar has cured many cases of asthma that were considered hopeless. Mrs. Adolph Buesling, 791 West Third St., Davenport, Iowa, writes: "A severe cold contracted 12 years ago was neglected until it finally grew into asthma. The best medical skill available could not give me more than temporary relief. Foley's Honey and Tar was recommended and one 50c bottle entirely cured me of asthma which had been growing on me for 12 years. If I had taken it at the start I would have been saved years of suffering."

## Now is the time to visit California

When summer has passed in these northern states, the sun is only mild under the bright blue skies of Southern California. This is one of nature's happy provisions—eternal summer for those who cannot endure a more severe climate. California has been called the "Mecca of the winter tourist." Its hotels and stopping places are as varied as those of all well regulated cities. Visitors can always find suitable accommodations, congenial companions, and varied, pleasing recreations.

### SOUTHERN PACIFIC CO.

Will be glad to supply some very attractive literature, describing in detail the many delights of winter in California. Very low round trip excursion tickets are on sale to California. The rate from ROSEBURG, OREGON, to Los Angeles and return is \$55.00.

Limit six months, allowing stop-overs in either direction. Similar excursion rates are in effect to all California points.  
For full information, sleeping car reservations and tickets, call on telegraph or write L. B. MOORE, Agent, OR Wm. McMurray, Gen. Pass. Agt. Portland, Oregon
