CROUP QUICKLY CURED.

Don't Let the Child Choke to Death While Waiting for the Doctor.

Hyomel, the miraculous, antiseptic, dry air treatment, will cure croup in either the first or second stages. Easily inhaled, even when the breathing is irregular, it reaches more promptly than any other remedy the terribly inflamed membrane of the windpipe. Its soothing balsams act immediately, the inflammation is allayed, and the swelling reduced.

"Not long ago our little boy, Walter, awoke in the night with a bad attack of croup. We allowed him to inhale Hyomel; he began to breathe easier, and in half an hour was fast asleep. I am glad to speak a good word for a remedy that will rob croup of its terrors."—Rev. Geo. Slison, pastor of M. E. Church, South Londonderry, Vt.

Hyomel (pronounced High-o-mel) is guaranteed by Red Cross Pharmacy to cure catarrh, coughs, colds, asthma, bronchitis and croup, or you get your money back. A complete outfit, including a neat hard rubber inhaler, costs only \$1.00. An extra bottle of Hyomel, if afterwards needed, cost but 50 cents.
