ELECTRIC RAILWAYS GROW.

The electric railways of the United States carried last year 6,680,000,000 fare passengers. This wonderful increase is due to the growth of the street railway and interurban railway service, better transportation facilities, and the increase of suburban residents.

The number of persons to be transported increased at the rate of 1,500,000 annually. The number of passenger cars operated has increased at the rate of 40 per cent for the past five years. With the population of the United States estimated at about 85,000,000, the figures given above would seem to show that every man, woman and child in this country has ridden 78 times on the electric railways within the past year.

This gives some idea of the extent of the electric traction in this country. The electrification of steam railroads has already been successfully accomplished, and it is predicted that within a comparatively few years all the principle railroads of this great country will be electrified.

HER OWN SON.

NEW YORK, Dec. 10.—Although she stood for some time in a crowd watching the police remove a body from under a car, Mrs. Lawrence Schiller, of Brooklyn, was not aware that the victim was her son until a child thrust a schoolbook into her hands. The book had been picked up near the car, and it bore the name of Lawrence Schiller. Realizing her loss, the mother fainted and had to be assisted to her home. The child killed was 8 years old and was returning from school.

SUNDAY CLOSING CRUSADE.

NEW YORK, Dec. 11.—Protestant ministers of Greater New York are planning a great crusade to suppress Sunday vaudeville, the only form of theatrical entertainment now permitted in the metropolis on the first day of the week. The movement will culminate with a general meeting on January 18 next.

SMILES.

"The man I marry must be both brave and clever," said the sweet girl.
"When we were out sailing," returned the adoring youth, "and upset, I saved you from a watery grave."
"That was brave, I admit, but it was not clever,"
"You darling!"—Home Magazine.

RESOLUTIONS OF CONDOLENCE.

Worshipful Master, Wardens and Brethren of Laurel Lodge, No. 13, A. F. & A. M.:

We, your committee, appointed to draft resolutions on the death of our beloved brother, Edgar E. Long, respectfully submit:

How intrusive is death. There is no lodge, however well tied or how well guarded, into which he will not intrude. He regards not the sacredness of infancy, nor the innocence of childhood's glee, but intrudes his dark presence. He has intruded into our Lodge and called hence Brother Edgar E. Long.

THEREFORE, be it, Resolved, That we profoundly and thoroughly appreciate the sterling worth and truly Masonic virtues of our deceased brother; that by his death this Lodge has lost one of its most noble craftsmen.

Brother Edgar, as we loved to call him, was in every respect an upright man and Mason; honest, truthful and true to every trust, charitable, kind-hearted, and possessing that Christian spirit of doing unto others as he would be done by.

His entrance into our circle was like a ray of golden sunshine, and we shall miss him, but the memory of his character and faithful, upright life will ever be treasured by our Lodge, and one to whom we can point as an example worthy of emulation by our Masonic brethren; and be it further,

RESOLVED, That these resolutions be spread upon the records of the Lodge and that a copy thereof be presented to Mrs. Anna M. Long, the mother of our deceased brother, with the assurance of our profound sympathy in her deep affliction, and that a copy also be furnished the local papers for publication.

RESOLUTIONS OF CONDOLENCE.

Worshipful Master, Wardens and Brethren of Laurel Lodge, No. 13, A. F. & A. M.:

We, your committee, appointed to draft resolutions on the death of our beloved brother, F. W. Prahl, respectfully submit:

Death, at the bidding of the most worshipful Grand Master of the lodge above, has called our beloved Brother Prahl from our earthly Lodge to sit in the lodge on high;

THEREFORE, Be it Resolved, That in the death of Brother F. W. Prahl we have lost a true friend and noble brother. He was ever faithful to his trust, a true man and Mason, and in his daily life practiced all the truly Masonic virtues; but he is not dead.

"There is no death, but angel forms

Walk o'er the earth with silent tread;

They bear our best loved things away

And then we call them dead."

And be it further

RESOLVED, That these resolutions be spread upon the records of this Lodge, and that a copy thereof be presented to the widow and family of our deceased brother, with our profound sympathy in their deep affliction, and that a copy be furnished the local papers for publication.
