Asthma Sufferers Should Know This.

Foley's Honey and Tar has cured many cases of asthma that were considered hopeless. Mrs. Adolph Buesing, 761 West Third St., Davenport, Iowa, writes: "A severe cold contracted 12 years ago was neglected until it finally grew into asthma. The best medical skill available could not give me more than temporary relief. Foley's Honey and Tar was recommended and one 50c bottle entirely cured me of asthma which had been growing on me for 12 years. If I had taken it at the start I would have been saved years of suffering."

LOCAL NEWS.

Miss Mae Newland went to Portland today to spend the week with relatives.

P. Smith, formerly employed on the city delivery system, left this morning for Drain to take the foremanship of the S. P. section crew there. His family accompanied him.

Hon. Zopher N. Agee arrived here Sunday from Portland, and has made good the amount of balance held to be due to the county from Mr. Agee's administration as clerk, according to the report of the experts. Mr. Agee, however, will make an examination of his records, confident that he can satisfactorily explain most, if not all, the items of discrepancy shown in the report of the experts. It is more than probable that on the showing he will be able to make the county will return to him a large portion of what he paid in today to cover the alleged shortage.

Marshfield Times: At a meeting of the attorneys of Coos county to be held in the courthouse at Coquille next Monday steps will be taken to secure formation of a new judicial district to comprise Coos and Curry counties. At present, Douglas, Coos and Curry counties form one judicial district and the large amount of territory to be covered by the one circuit judge, Judge Hamilton, causes much inconvenience. The business of the district is large, much larger than the other judicial districts and the attorneys see no reason why it should not be divided.

Notice to Our Customers.

We are pleased to announce that Foley's Honey and Tar for coughs, colds and lung troubles is not affected by the national Pure Food and Drug law as it contains no opiates or other harmful drugs, and we recommend it as a safe remedy for children and adults. Red Cross Pharmacy.
