LOCAL NEWS.

MR. CHECKERS IS NOW AT OMAHA, NEBRASKA.

A marriage license has been issued to Frank J. Wade and Blanche H. Bunch, of Scottsburg.

Telephone advices from Grants Pass this morning say the Roseburg Elks' Minstrels made a big "hit" in that city last night. The troupe plays at Glendale tonight.

Will King, a former timber cruiser of this city, arrived here Thursday night from California, where he spent the past five months. He is enroute to his home in Portland.

The Roseburg High School Basketball team went down to defeat before the Grants Pass Athletic Club, in Grants Pass, again Thursday night. They gave a better account of themselves, however, than on the night before. They held Grants Pass to the same score of 28, while they, themselves, piled up 24 points, as against only 19 in the previous game. Tonight the locals play Ashland.

L. Hewitt mulls The Review two pen drawings depicting unpleasant possibilities in Roseburg's muddy streets. We regret that we have not the facilities for converting the sketches into plates so that they can be reproduced in the paper, but we will take great pleasure in showing them to all visitors at the office. The sender displays more than ordinary talent in his drawings, and some day he may make Roseburg famous for something else besides her beautiful streets.

Chas. Epps, the 12-year-old boy who was arrested two weeks ago on a charge of defacing and defiling the interior of the public school building at Reston, is to be given a chance to become a good citizen. This afternoon Justice Long had a heart-to-heart talk with the lad, and as a result the boy is going out to the home of Mr. Long's mother, at Cleveland to live. His companion, Frank Laird, is still in jail here, the authorities holding disposition of his case in abeyance until they can effect the capture of a third boy, the eldest of

the trio, who is alleged to be chiefly responsible for the whole affair.

Asthma Sufferers Should Know This.

Foley's Honey and Tar has cured many cases of asthma that were considered hopeless. Mrs. Adolph Buesing, 701 West Third St., Davenport, Iowa, writes: "A severe cold contracted 12 years ago was neglected until it finally grew into asthma. The best medical skill available could not give me more than temporary relief. Foley's Honey and Tar was recommended and one 50c bottle entirely cured me of asthma which had been growing on me for 12 years. If I had taken it at the start I would have been saved years of suffering."
