Ten very handsome pictures were received this morning by the local Commercial Club for the new Club headquarters, soon to be opened. They were given to the Club by the Harriman advertising bureau. Seven are large pictures in handsome frames and three are panel pictures, also appropriately mounted. They are a fine acquisition for the Club, and are duly appreciated.

Good Cough Medicine for Children.

The season for coughs and colds is now at hand and too much care cannot be used to protect the children. A child is much more likely to contract diphtheria or scarlet fever when he has a cold. The quicker you cure his cold the less the risk. Chamberlain's Cough Remedy is the sole reliance of many mothers, and few of those who have tried it are willing to use any other. Mrs. F. F. Starcher of Ripley, W. Va., says: "I have never used anything other than Chamberlain's Cough Remedy for my children and it has always given good satisfaction." This remedy contains no opium or other narcotic and may be given as confidently to a child as to an adult. For sale by Hamilton Drug Co.

Mr. and Mrs. W. E. Chapman, of Lurley, were in town this afternoon. They are pleased with the prospect for the early opening of the rural free delivery mail route by their farm, starting from Dixonville.

MR. ELLIS WILL ASSIST.

Washington, D. C., Dec. 12, 1908. J. D. Zuehrer, Manager Roseburg Commercial Club, Roseburg, Oregon.

Dear Sir:—Upon arriving in Washington I find yours of the 21st awaiting me and note what you say in regard to the necessity of a Government building in Roseburg in order to accommodate the various branches of the Government located there.

This, of course, is not in my district and would be more particularly in Mr. Hawley's jurisdiction. However, it would be a pleasure to me to assist you in securing for your town the legislation you desire.

Yours very truly,
W. R. ELLIS.

Have not coughed once all day?

Yet you may cough tomorrow! Better be prepared for it when it comes. Ask your doctor about keeping Ayer's Cherry Pectoral in the house. Then when the hard cold or cough first appears you have a doctor's medicine at hand. Your doctor's approval of its use will certainly set all doubt at rest. Do as he says.
