Be merry all, be merry all,
With holly dress the festive
hall,
Prepare the song, the feast,
To welcome Merry Christ-
mas!

It's Merry Christmas Eve.

Greatest event of the year for the children.

May all exclaim with "Tiny Tim,"
In Dickens' famous Christmas story:
"God bless us every one!"

"Giving good gifts" brings joy to the giver and happiness to the receiver. And, indeed, is there not the greatest joy in the preparing and bestowing of those gifts.

In ten million homes tonight throughout this land the Christmas lights are shedding their cheerful glow. Yet some are sad. Can't you make some careworn heart beat lighter by the kindly bestowal of some mite from your bounty on this happy Christmas Eve.

Some skeptics question: "Is there really a Santa Claus?" Let this be their answer—go into the thousands of churches and millions of homes tonight where joyous children are being showered with treasured gifts. Peep in at countless residences on Christmas morning, where toddling youngsters haste to find what good things are in their stockings hid. What worlds of real happiness are there portrayed. And if, perchance, some lonely stocking should be left un-filled, what pangs of disappointment. Pray tell, ye scoffers, what else is this than the incarnation of the spirit called Santa Claus, moving "swift as light" throughout the world. May the Christmas bounty spread by good St. Nicholas grow ever greater, and may no lone stocking be left without its mite of Christmas cheer.

The Story of a Medicine.

Its name—"Golden Medical Discovery"—was suggested by one of its most important and valuable ingredients—Golden Seal root.

Nearly forty years ago, Dr. Pierce discovered that he could, by the use of pure, triple-refined glycerine, aided by a certain degree of constantly maintained heat and with the aid of apparatus and appliances designed for that purpose, extract from our most valuable native medicinal roots their curative properties much better than by the use of alcohol so generally employed. So the now world-famed "Golden Medical Discovery," for the cure of weak stomach, indigestion, dyspepsia, torpid liver, or biliousness and kindred derangements was first made. It ever since has been, without a particle of alcohol in its make-up.

A glance at the list of its ingredients, printed on each bottle wrapper, will show that it is made from the most valuable medicinal roots found growing in our American forests. All these ingredients have received the highest endorsement from the leading medical authorities, and are advised by the very best physicians for the diseases for which "Golden Medical Discovery" is a cure.

A little book of these endorsements has been compiled by Dr. R. V. Pierce, of Buffalo, N. Y., and will be mailed free to any one asking same by postal card, or letter addressed to the doctor as above. From these endorsements, copied from standard medical books of all the different schools of practice, it will be found that the ingredients composing the "Golden Medical Discovery" are advised not only for the cure of the above mentioned diseases, but also for the cure of all catarrhal, bronchial and throat affections, accompanied with catarrhal discharges, hoarseness, sore throat, lingering, or hang-on-coughs, and all those wasting affections which, if not promptly and properly treated, are liable to terminate in consumption. Take Dr. Pierce's Discovery in time and persevere in its use until you give it a fair trial and it is not likely to disappoint. Too much must not be expected of it. It will not perform miracles. It will not cure consumption in its advanced stages. No medicine will cure the affections that lead up to consumption, if taken in time.

INSTALLATION OF OFFICERS.

Elkton Lodge, No. 63, A. F. & A. M., Holds Special Session.

Elkton Lodge, No. 63, A. F. & A. M., was convened in special communication on the evening of Dec. 12, 1908, for the purpose of conferring degrees and installing officers.

The officers of Laurel Lodge, No. 13, of Roseburg, were present by invitation and did the work in their usual impressive manner. They were: Geo. C. Graham, W. M.; Dexter Rice, S. W.; F. L. Davis, J. W.; Free Johnson, S. D.; N. Rice, J. S.

John Blair, of St. Clements Lodge, No. 202, Kilmarnock, Scotland, acted as S. S.

Other visiting brethren present were: George Ritter, Nez Perce Lodge, No. 10, Lewiston, Idaho; Chas. W. Elchham, Doric Lodge, No. 218, San Francisco, Calif.; J. J. Delaney, Sisson Lodge, No. 319, Sisson, Calif.; J. B. Dial, Lane Lodge, No. 339, Lane, Kan.; F. D. Clark and Mort. Andrews, Aurora Lodge, No. 59, Gardiner, Oregon.

The meeting had been the talk of the local brethren for weeks and was looked forward to with hopeful and pleasant anticipation.

The special Reception Committee of Bro. Lewiston, Idaho; George Oldham, and nobly assisted by Elkan Goddiner, who so earnestly contributed to the exercises of the evening, did themselves proud. The beautiful decoration of the hall won the admiration and favorable comment of all who saw them.

The visiting brethren arrived by stage from Drath and established headquarters at the bachelor domicile of Mr. Chas. Weatherly, where the rainy afternoon was whittled away by games, cigars, nuts, fruits and the glad-hand of fraternal greeting.

Lodge was opened at 7:30 p. m., and after conferring degrees the in-

stallation took place. Geo. C. Graham, acting grand master, and Free Johnson, acting grand marshal, proceeded to install the following officers of Elkton Lodge, No. 63, A. F. & A. M.:

G. W. Dimmick, W. M.; C. C. Hancock, S. W.; W. M. Moore, J. W.; Nels Rydell, Treas.; A. B. Haines, Sec.; John Hancock, S. D.; W. L. Oldham, J. D.; J. M. Stark, S. S.; A. W. Cheever, J. S.; C. R. Franklin, Tyler.

At this time supper was announced. Lodge was called off for a brief time and all repaired to the dining hall, where ample justice was done while the merry laugh and badinage echoed around the festive board. Some were loath to leave a good thing, but finally yielded and returned to the hall, where lodge was again convened.

Several of the brethren, especially the visiting brethren, entertained by very appropriate, instructive and eloquent addresses.

Lodge was finally duly closed, while every one of the local brethren was gratified and highly pleased over the beautiful and impressive manner in which the esoteric work of Freemasonry was done by the Roseburg brethren, for which a vote of thanks was tendered most heartily and unanimously. This last also applies to two former visits of the Roseburg Masons in the past eighteen months. Come again, brethren.
