Among the happy Christmas events in this city were the exercises held at St. George's Episcopal church on Christmas Eve. A fine program was rendered and numerous gifts distributed from the tree. There was a large attendance. The church has recently been remodelled, inside and out, and presents a greatly improved appearance. Large crowds were also in attendance at the Christmas Eve exercises at the other churches in the city, and a general holiday spirit prevailed. It is safe to say that more gifts were distributed to young and old than ever before on any one Christmas Eve in this city. The dance at the Armory on Christmas night was also well attended.

The year book of the Department of Agriculture gives the total number of horses in this country as 19,992,000, with a value of \$1,867,530,000. The average value per horse is \$93.40. Illinois leads all the other states in the number of horses with 1,591,000, the estimated value of which is \$170,237,000, average value \$107 per head. Iowa is second with 1,419,000, valued at \$140,481,000 an average of \$99 per head. Texas is third with 1,278,000, valued at \$82,070,000, an average of \$65 per head. Kansas ranks fourth with 1,108,000, valued at \$66,296,000, an average of \$60 per head. Nebraska is next with 1,015,000 valued at \$88,305,000, average price per head, \$87.

The state which has the smaller number and the highest average value is Rhode Island, with 14,000, valued at \$1,694,000, an average of \$121 per head.—Rural Spirit.

**\$20,000 BANK ROBBERY.**  
LOS ANGELES, Calif., Dec. 25.—The fact has just been made public that the First National Bank of Monrovia, Calif., was robbed of a sum said to amount to \$20,000 Monday night. No clues to the robbers have been found.  
The time-lock on the vault did not work Monday night, and the combination lock alone protected the funds. The money must have been abstracted either during the few minutes after the cash was counted Monday and before it was carried into the vault or was taken out of the vault Monday night by someone in possession of the combination.  
The missing money is in currency. Sixteen hundred dollars in silver was untouched.

**BURNS LOSES TITLE TO BIG GALVESTON NEGRO.**  
Police Prevent Johnson From Scoring Knockout on Badly Beaten Canadian in the 14th.  
SYDNEY, N. S. W., Dec. 25.—Jack Johnson, the big negro, from Galveston, Texas, in the world's heavyweight champion. He won the title today in the big arena at Rushcutters Bay from Tommy Burns, the French-Canadian, who had held it since Jas. J. Jeffries relinquished it, and after a chase of Burns that led half way around the world.  
The fight came in the 14th round, when the police, seeing Burns tiring and unable to defend himself from the savage blows of his opponent, mercifully stopped the fight. Previously it had been arranged that, if the police interfered, a decision should be rendered on points, and Referee McIntosh declared the big black man a winner, for all through the fight he had shown himself Burns' master in every style of fighting.

**WHEN HER BACK ACHES.**  
A Woman Finds All Her Energy and Ambition Slipping Away.  
Roseburg women know how the aches and pains that come when the kidneys fail make life a burden. Backache, hip pains, headaches, dizzy spells, distressing urinary troubles, all tell of sick kidneys and warn you of the stealthy approach of diabetes, dropsy and Bright's disease. Doan's Kidney Pills permanently cure all these disorders. Here's proof of it in a Roseburg woman's words:  
Mrs. James Arrance, Pitzer St., Roseburg, Or., says: "Doan's Kidney Pills proved of such great benefit to me that I do not have any hesitancy in recommending them to anyone in need of such a remedy. Kidney complaint clung to me for a long time and on some occasions I was given such misery from pains in the small of my back that it was utterly impossible for me to perform my household duties. There was also a constant soreness through the region of my kidneys and at times considerable swelling in those parts. No remedy I tried benefited me and when a friend insisted on my trying Doan's Kidney Pills I procured a box at A. C. Marsters & Co's drug store and commenced their use. The good effects were noticeable from the first and as I continued taking them, the lameness in my loins disappeared, as also did the pains in my back."  
For sale by all druggists. Price 50 cents. Foster-McMurrin Co., Buffalo, New York, sole agents for the United States.  
Remember the name—Doan's—and take no other.

**Too Big, Reach Too Great.**  
Burns, in an interview after he had gone to his dressing room, said: "I did the best I could and fought hard. Johnson was too big and his reach was too great."  
Johnson appeared fresh after the fight, while Burns' eyes were badly puffed and his mouth swollen to almost twice its normal size. He fought a game battle, and showed indomitable pluck, but he was no match for the big Texas black.  
The fight was for a purse of \$35,000, of which Burns received \$30,000, Johnson \$5000.  
Johnson is the first negro who ever won the world's heavyweight pugilistic championship—in fact, he is the only negro who ever was permitted to battle for the honor. He was born in Galveston, Texas, in 1878, and began his ring career in 1901. He is 6 feet 1 3/4 inches in height and weighed at the ringside close to 190 pounds.  
Johnson during his ring career has fought 64 ring battles, and 22 of his opponents have gone down to defeat by the knockout route.  
Prominent among those who have been put to sleep by the big black are Jack Jeffries, a brother of the ex-heavyweight champion, who was knocked out by Johnson at Los Angeles in 1902 in five rounds. He has lost but two fights, one in a 20-round decision to Marvin Hart and the other on a foul to Joe Jeannette.  
Not since the days of James J. Corbett has the prize-ring seen so perfect a boxer as Johnson. Long and lithe, he is as graceful as a dancing-master and as true as an arrow in placing his blows. Especially deft is he with his left, and few boxers, unless they have great skill, are able to keep the big black man from beating their faces to tatters.

**BAD BREATH**  
"For months I had great trouble with my stomach and used all kinds of medicine. My bowels had been actually as green as grass. My breath had a bad odor. My friends said a friend recommended Cascarets and after using them I was completely cured. I can now eat anything I wish and my bowels are regular. I can now sleep peacefully. **MILLER AND LUX HOLDINGS ARE SOLD.**  
Enormous Values in Agricultural Lands and Livestock are Involved in the Deal.

SAN FRANCISCO, Dec. 25.—Negotiations are under way today confirming the reported sale of the vast holdings of the famous firm of Miller & Lux in California, Nevada, Oregon and Idaho.  
It is rumored that a deal of the magnitude of \$20,000,000 will be made between Henry Miller and the heirs of the late Charles W. Lux, whereby the firm of Liggett & Myers, a firm of St. Louis capitalists, will take over 30,000 acres of oil-bearing land and thousands of acres of agricultural lands in the San Joaquin valley, together with valuable water and power rights, all to be developed for colonization purposes, and the bulk of the firm's immense holdings will be disposed of in this gigantic deal. It is said negotiations will be brought to a termination in January.  
Meanwhile the whole estate is tied up in the courts through litigation, in which is involved the claim of Jesse Sheldon Lux Potter, principal beneficiary under the Lux trust.

**KILLED ON CHRISTMAS VISIT.**  
HOOD RIVER, Or., Dec. 25.—As the result of a runaway accident, which took place here last night, Mrs. E. D. Johnson, wife of Dr. Johnson, a well known surgeon of Portland, and daughter of J. L. Carter, representative-elect to the legislature from this district, died here this afternoon.  
Mrs. Johnson came from Portland last night to spend Christmas with her parents, and on the way out to their home, a mile and a half from this city, the horses became unmanageable and ran away. After crossing the bridge over the Hood River, the team broke away from the sleigh, leaving the occupants apparently unharmed. Mrs. Johnson, however, was thrown into convulsions by the fright she sustained, and although medical aid was summoned at once, she failed to recover.
