For year, by mail, \$3.00; For month, delivered, .50; For week, delivered, .15; SEMI-WEEKLY Year, \$2.00; 1x Month, \$1.00; DECEMBER 28, 1908.

Now the days will begin to grow longer and we'll soon be looking toward spring.

Even a blind man can see that Roseburg needs paved streets. Every road district adjoining town has voted a special tax for road improvement. We MUST have good streets to correspond, before another winter.

The Roseburg Commercial Club, after a year of most intense activity, will dedicate their new club rooms on Tuesday, January 12th. There will be representative lives present from various sections of the state.

Don't forget that it is the duty of every reader of this paper to write to some friend at a distance and tell him of the advantages of Oregon, both as to climate and production. Remember that the people of the older states, where the weather is cold, are hovering around the fire and have lots of time to read—get busy.

Naturally, 1909 will be a great travel year for the Pacific Northwest. The most advantageous rates are in this direction. All of the great railroads of the country are going to bend their efforts toward presenting the resources of this portion of the United States throughout the East, Canada and Europe. The Portland Rose Show and the Alaska-Yukon-Pacific exposition will be two important features and railroad men in all the large centers of population predict an enormous travel.

GREAT WHITE WAYS.

There is agitation for a "Great White Way" between Milwaukee Wis., and Chicago. It is to be a broad macadam of perfect smoothness over which automobiles and other pleasure vehicles may speed under the best and safest conditions. The significance of the plan is that hard-headed capitalists are behind the project and in financing it, they will secure possession of large bodies of land along the roadway, and rely upon the advance in value for their return for constructing the road. This hint of how a good road will add to the value of abutting land should be suggestive in Oregon. Great White Ways in every direction throughout the state would quickly pay for themselves and enrich the state, and add immeasurably to the comfort and happiness of Oregon life.

The wonder is that human effort is not more directed in this avenue which is so momentous for a more perfect social and economic condition. Great White Ways, such as that proposed between Milwaukee and Chicago, are almost as much of a stimulus to civilization and happy living as are the colleges and schools. Even the ancient Romans understood this, and in their road building far surpassed us with all our boasted civilization. Why do not our people study the subject and let the light of Great White Ways break in upon them? Is not the subject one through which the coming legislature, by which the state, can do a mighty service for Oregon? Is there one man in the state who prefers bad roads to Great White Ways? —Portland Journal.

JEFFRIES WILL NOT FIGHT.

LOS ANGELES, Dec. 27.—"There will be no fight between Jack Johnson and myself; they are not talking to me," said the ex-heavyweight champion, J. J. Jeffries, to a representative of the Associated Press in this city tonight. He was told that Hugh McIntosh, the Australian promoter, was going to offer \$50,000 for a fight between himself and the new champion. "I don't want the money," he said. "I am out of the game and the public will not understand it. I fought my last fight five years ago and no amount of money nor inducement anybody can hold out would get me into the ring again." There was no hesitation or equivocation about Jeffries' answers to the questions put to him. He said that he was annoyed by the persistent attempts to get him to agree to fight again and that he would like to have it made positive that there is no way in which he can be induced to fight Johnson or anybody else.

DISGUSTED PREACHER QUITS.

PORTLAND, Or., Dec. 27.—Believing that the church of today falls sadly in the accomplishment of its mission, that too much attention is paid to doctrines and formalities, and not enough of the real teachings of Christ, and having experienced with in the past year a change of views so radical that he feels he can no longer continue to expound the doctrines of the church, Rev. F. Elmo Robinson today preached his last sermon as pastor of the Rodney Avenue Christian church, and will leave the ministry permanently.

A Dangerous Operation.

Is the removal of the appendix by a surgeon. No one who takes Dr. King's New Life Pills is ever subjected to this frightful ordeal. They work so quietly you don't feel them. They cure constipation, headache, biliousness and malaria. 25c at A. C. Marsters & Co's drug store.

JURY FAILS TO CONVICT BEACH HARGIS FOR MURDER

Creature of His Father's Teachings—Taught to Drink and Killed When Denied Money.

IRVINE, Ky., Dec. 26.—The jury in the case of Beach Hargis, charged with the murder of his father, Judge James J. Hargis, reported its inability to agree this afternoon and was discharged. The jury stood nine for acquittal and three for conviction. Beach Hargis had been on a debauch a few days before the time of the murder of Judge Hargis, and he had finally been brought back to Jackson. For some days the neighbors declared that Judge Hargis had been dragging the boy to the streets of the wild little mountain town. Beach entered his father's store and, after a few words with the judge, grappled with him. They fell to the floor. Beach on top, and with the judge's own pistol the boy fired several shots into the body of the prostrate man.

Mother Blames Father. The defendant's mother testified that the judge had early taught the boy bad habits, and when Beach was a child had given him whiskey and buckled a gun on his hip. Beach or Beauchamp, his rightful name, is 23 years old and has always been what, in the Kentucky mountains, is termed "feverish". Judge Hargis was admittedly a baron in Breathitt county, and even in the Tenth Congressional District. His ministers occupied all the county offices. He was himself democratic, the Cockrills, and others disputed the scepter of the feudal kink, and paid the penalty with their lives. This summary and violent rule bred the school of murderers and bad men who gave to their county the world-known title of "Bloody Breathitt". One of them, Curt Jett, called by his picturesque-speaking neighbors the "wild dog of Breathitt," is serving a life sentence; some are dead and others have fled the state or are living quietly since the death of their chieftain.

Hargis has vast mineral interests in this section, on which he lived though the ostensible producer of his wealth was a dry goods and general store at Jackson, in which the killing occurred. A week before his death Judge Hargis purchased a \$1000 casket in Louisville.

Marked for Death.

"Three years ago I was marked for death. A grave-yard cough was tearing my lungs to pieces. Doctors failed to help me, and hope had fled, when my husband got Dr. King's New Discovery," says Mrs. A. C. Williams of Rac, Ky. "The first dose helped me and improvement kept on until I had gained 58 pounds in weight and my health was fully restored." This medicine holds the world's healing record for coughs and colds and lung and throat diseases. It prevents pneumonia. Sold under guarantee at A. C. Marsters & Co's drug store. 50c and \$1.00. Trial bottle free.

DANCE.

A Masquerade Ball will be given at the Melrose Hall, Thursday, Dec. 21st of Dec. 1908. Supper will be served. BY COMMITTEE.

CANYONVILLE NEWS.

F. Cain, of Riddle, has secured considerable land at Days Creek, having purchased John Beal's, Chas. Fekker's and the upper end of O. Martin's farm, and the land belonging to H. H. Gidney on the west side of the river. Mrs. George McGillvray and child left Monday for Fresno, Cal., where Mr. McGillvray has a position with the Postal Telegraph Co.—Echo.

The Knock-out Blow.

The blow which knocked out Corbett was a revelation to the prize fighters. The earliest days of the ring the knock-out blow was aimed for the jaw, the temple or the jugular vein. Stomach punches were thrown in to worry and weary the fighter, but if a scientific man had sold one of the old fighters that the most vulnerable spot was the region of the stomach, he'd have laughed at him for an ignoramus. Dr. Pierce is bringing home to the public a parallel fact; that the stomach is the most vulnerable organ out of the prize ring as well as in it. We protect our heads, throats, feet and lungs, but the stomach is under utter indifference to, until disease finds the solar plexus and knocks us out. Make your stomach sound and strong by the use of Dr. Pierce's Golden Medical Discovery and you protect your most vulnerable spot. "Golden Medical Discovery" cures "weak stomach," indigestion, or lypsepsia, torpid liver, bad, thin and impure blood and other diseases of the organs of digestion and nutrition. The "Golden Medical Discovery" has a specific curative effect upon all mucous surfaces and hence catarrh, no matter where located or what stage it may have reached. In Nasal Catarrh it is well to cleanse the passages with Dr. Sage's Catarrh Remedy while using the "Discovery" as a constitutional remedy. Why the "Golden Medical Discovery" cures catarrhal diseases, as of the stomach, bowels, bladder and other pelvic organs will be plain to you if you will read a booklet of extracts from the writings of eminent medical authorities, endorsing its ingredients and explaining their curative properties. It is mailed free on request. Address Dr. R. V. Pierce, Buffalo, N. Y. This booklet gives all the ingredients entering into Dr. Pierce's medicines from which it will be seen that they contain not a drop of alcohol, pure, triple-refined glycerine being used instead.

Dr. Pierce's great thousand-page illustrated Common Sense Medical Advisor will be sent free, paper-bound, for 21 one-cent stamps, cloth bound for 31 stamps. Address Dr. Pierce at above. ROSEBURG STEAM LAUNDRY.

850 WORDS IN 5 MINUTES GIRL'S SHORTHAND FEAT.

SAN FRANCISCO, Dec. 27.—Ruth Olson, a 14-year-old San Francisco girl, has established a new world record for her age for rapid shorthand writing. In a test before Superior Judge Thomas E. Graham, the girl wrote 850 words in five minutes and read the same correctly. Miss Olson's record is considered phenomenal, as the matter read to and written by her was taken from a transcript of proceedings taken from the court files and which was entirely strange to her.

Medicine That is Medicine.

"I have suffered a good deal with malarin and stomach complaints, but I have now found a remedy that keeps me well, and that remedy is Electric Bitters; a medicine that is a medicine for stomach and liver troubles, and for run down conditions," says W. C. Keister, of Halliday, Ark. Electric Bitters purify and enrich the blood, tone up the nerves, and impart vigor and energy to the weak. Your money will be refunded if it fails to help you. 50c at A. C. Marsters & Co's drug store.

TWO NEW SPRINT RECORDS.

JOHANNESBURG, South Africa, Dec. 27.—R. E. Walker, South African amateur sprinter, yesterday clipped down two world's amateur records at the Wanderer's sports. He brought Dan J. Kelly's Spokane record of 9 3-5 seconds for a 100 yards dash down to 9 2-5, and set the record of 11 2-5 seconds for the 120 yards. H. J. Wefers of Georgetown university, held the record for this sprint with 11 4-5 until Walker's showing today.

EVER WATCHFUL.

A Little Care Will Save Many Roseburg Readers Future Trouble.

Watch the kidney secretions. Be sure that they have the amber hue of health. The discharges not excessive or infrequent. Contain no "brick-dust like" sediment. Doan's Kidney Pills will do this for you. They watch the kidneys and cure them when they're sick. A. J. Haydon, living on Flint St., near Mosier St., Roseburg, Ore., says: "I have always enjoyed the best of health until several years ago, when my kidneys became disordered. I do not know the cause of the trouble but can only say that the kidneys failed to perform their functions properly and caused me much annoyance by the too frequent passages of the kidney secretions. This trouble was especially bothersome at night, often obliging me to arise several times. The claims made for Doan's Kidney Pills prejudiced me in their favor and I procured a supply at Marsters & Co's drug store. They helped me from the first, correcting the action of the secretions and causing the pain during passage to cease. I continued taking them and as a result, am now without the least sign of kidney trouble." For sale by all druggists. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
