SOUTHERN PACIFIC CO.

Now is the time to visit California

When summer has passed in these northern states, the sun is only mild under the bright blue skies of Southern California. This is one of nature's happy provisions—eternal summer for those who cannot endure a more severe climate. California has been called the "Mecca of the winter tourist." Its hotels and stopping places are as varied as those of all well regulated cities. Visitors can always find suitable accommodations, congenial companions, and varied, pleasing recreations.

Will be glad to supply some very attractive literature, describing in detail the many delights of winter in California. Very low round trip excursion tickets are on sale to California. The rate from ROSEBURG, OREGON, to Los Angeles and return is \$55.00.

Limit six months, allowing stop-overs in either direction. Similar excursion rates are in effect to all California points.

For full information, sleeping car reservations and tickets, call on telegraph or write L. B. MOORE, Agent, Wm. McMurray, Gen. Pass. Agt. Portland, Oregon.

Albany Democrat: Mr. L. D. Knighton a member of a prominent pioneer family, a native of Oregon, died at his home near Peoria. He was a man of excellent character, a life-long resident of the valley. He leaves a wife and several children, and many others to mourn his death. Mrs. Knighton is a daughter of Mr. and Mrs. Maj. Johnson, a sister of James Johnson, of this city. (Deceased was a brother-in-law of Dr. J. P. Johnson, the dentist, of this city.) dtf

At a largely attended road district meeting in West Roseburg, Monday a special tax of two mills was voted unanimously. The taxable property of the district amounts to \$449,000, and on this sum a levy of 2 mills will raise nearly \$900. The Glendale and Galesville districts also voted special road tax on Monday. The amount of the levy at Glendale was not learned, but that at Galesville is 7 mills. But three districts out of the 27 which presented the county court with special tax resolutions are yet to hear from. They are Glide, Oak Creek and Gunter. dtf

MOTHER ACCIDENTALLY KILLED BY HER SON.

CORVALLIS Or., Dec. 28.—Mrs. J. G. Morris was accidentally shot and killed at her home one and a half miles north of this city Sunday afternoon. A charge from a shotgun in the hands of a 4-year-old son, who did not know the gun was loaded, severed the large artery of the right leg and the woman bled to death in a very short time.

This fatality is the direct result of the forgetfulness of Mr. Morris, the victim's husband, who, on returning from a hunting trip, laid his loaded gun on the table. The young son, who it seems had often been permitted to clean the firearm, picked it up for that purpose. The gun went off and Mrs. Morris, who stood by the stove, less than ten feet distant, received the full charge.

HAD 8 CENTS; GETS 8 YEARS.
OAKLAND, Calif., Dec. 28.—One year in prison for each copper penny he had stolen was the punishment meted out to George Gross this morning by Superior Judge Brown. He pleaded guilty to the burglary of a store about a month ago. Thomas Driscoll was the companion in the robbery, and the two of them secured some tobacco and eleven pennies. Eight of the stolen pennies were found on Gross when he was arrested, and the judge sentenced him to eight years' imprisonment in San Quentin. Gross, who is but 29 years old, pleaded guilty and asked that sentence be passed at once.
