SOUTH DOUGLAS NEWS, AS TOLD BY EXCHANGES.

Myrtle Creek Mail.

Mrs. Sarah C. Robinson left the first of the week to spend the balance of the winter with her daughter, Mrs. Stimson, of Canby. On her return in the spring she will erect a residence on recently secured lots in town, and become a resident of the future apple metropolis.

Buell Bros., the local butchers, were handed a lemon one day last week by Deputy Fish Warden E. Clanton, of Grants Pass, in the way of a $50 fine for selling fish without a state license. The fine was paid. They did not know it was unlawful to sell without a license.

Mrs. M. J. Dick and children left last week for Eugene, where they will reside permanently.

Dillar Strode is seriously ill, the result of an attack of paralysis that has affected the entire left side of his body.

The Oscar Gustafson tract, consisting of 20 acres just northeast of town, has been sold to a Washington man.

R. B. Koons, residing on South Myrtle close to town, has been seriously ill the past week.

Albert Olson arrived here Tuesday from Montana. He is a brother of Andrew Olson and will locate here.

A son arrived at the home of Mr. and Mrs. Chas. W. Rice last Tuesday.

The school board has advertised for bids for the new brick schoolhouse. They expect to begin work on the building by the middle of April.

A baby boy arrived recently at the home of Mr. and Mrs. J. G. Cozart.

J. S. Landis, who recently sold his property near town, has moved with his household effects to Linn county, and is now located in the country near Albany.

Glendale News.

Wm. J. Ferbrache, son of L. R. Ferbrache, of the Oregon-Idaho Lumber Co., of this city, and Miss Zylpha Perkins were married February 3, 1909, in Grants Pass, Judge Stephen Jewell, officiating. The happy couple arrived here the latter part of the week.

Mrs. J. L. Adams, of Tacoma, Wash., is here, a guest at the home of her brother, F. C. McGregor. Mrs. Adams is in very feeble health.

The Commercial Club on Wednesday night elected officers as follows: Pres., A. J. Colvin; vice president, O. P. Lane; secretary, K. A. Miller; treasurer, Dr. F. E. Casey; trustees, R. A. Jones, O. C. Sether, B. J. Simpson, Benj. Wise, Dr. H. R. Kauffman.

The organization marks an epoch in the growth of Glendale. Innumerable resources, hitherto little heard of, will now be brought before the general public. Glendale has fallen into line with the many other towns of southern Oregon, and with progressive, wide-awake business men at the helm, is bound to come to the front. The marketing of over 8,000,000,000 feet of timber is expected to increase the population of Glendale to more than 3000 people within the next fe years. Mild winters, cool summers and no east wind makes this town an ideal place to live.

Canyonville Echo.

Mr. and Mrs. Jewell Collins expect to leave Thursday for their future home at Portland where Mr. Collins is employed in a creamery.

F. T. Reynolds, of Perdue, has received an assay of over $600.00 of gold and silver to the ton on some ore sent from his mine on Beals Creek.

Tony Martin, formerly of Elk Creek, but now of northwest Canada, is paying our locality a visit, after an absence of more than two years.

J. D. Cornutt, of Riddle, sold 28 acres of land to Mr. Andrews, of Salem, last week. Mr. Andrews expects to move here to erect his new house about the first of March.

J. F. Bonebrake and family moved on their ranch last week and John Scott and family, who have been living there for several months, will remain for a time at the home of Mrs. Scott's parents, Mr. and Mrs. N. B. Poole. They may go to California in the spring.

Accidents will happen, but the best regulated families keep Dr. Thomas' Eclectric Oil for such emergencies. It subdues the pain and heals the hurts.

Myrtle Creek Mail: Dr. C. E. Bogue and Mrs. C. E. Sprague were married at Los Angeles, Calif., the first of the week—just what day we have not learned. Dr. Bogue is interested both here and in Portland, while his bride is a resident of Portland, where she has property interests.

Repeated head and eye aches sap vitality and bring about general nervous breakdowns. Many sensible people continue to suffer great pain and inconvenience through false pride. Don't be foolish. Glasses, if fitted properly will relieve and by removing the scowls and furrows caused by squinting and eye strain you will look younger instead of older, to say nothing of improvement in disposition. Call on Dr. Lowe, when he is here Friday and Saturday and talk it over with him. You may be glad if you do and sorry if you don't.

Major J. Thomas Turner, an old soldier and prominent attorney of Washington, D. C., has prepared and is working through congress a bill which is of a good deal of importance to some of the people of Oregon. The bill has for its object the granting of a warrant of 160 acres of land to all of the survivors of the Indian wars of Oregon and Washington of 1855-56. These survivors are now pensioned, but the provisions of the act which gives land warrants to the survivors of other Indian wars do not apply to them and this is intended to extend it so that it will reach them as well.

Soldier Balks Death Plot.

It seems to J. A. Stone, a civil war veteran, of Kemp, Tex., that a plot existed between a desperate lung trouble and the grave to cause his death. "I contracted a stubborn cold," he writes, "that developed a cough that stuck to me, in spite of all remedies, for years. My weight ran down to 130 pounds. Then I began to use Dr. King's New Discovery, which restored my health completely. I now weigh 178 pounds." For severe colds, obstinate coughs, Hemorrhages, asthma and to prevent pneumonia it is unrivaled. 50c and $1.00. Trial bottle free. Guaranteed by all druggists.

NOTICE TO CONTRACTORS.—Sealed bids will be received by the undersigned up to March 1, 1909, for furnishing labor and material for the construction of a brick building on Jackson street, Roseburg. Plans and specifications may be seen upon application to W. D. Bell, at Strong's furniture store. Right is reserved to reject any or all bids.

Marshfield Times: Bobby Wilson, the young Marshfield jockey, who has had so successful a beginning, writes that he won the El Paso handicap, one of the biggest events on the Southern Racing Circuit. He will ride at Salt Lake City before returning home.

The Secret of Long Life.

A French scientist has discovered one secret of long life. His method deals with the blood. But long ago millions of Americans had proved Electric Bitters prolongs life and makes it worth living. It purifies, enriches and vitalizes the blood, rebuilds wasted nerve cells, imparts life and tone to the entire system. It's a Godsend to weak, sick and debilitated people. "Kidney trouble had blighted my life for months," writes W. M. Sherman, of Cushing, Me., "but Electric Bitters cured me entirely." Only 50c at all druggists.
