$231,390 RAISED FOR GRAFT PROSECUTION.

Spreckels Tells How Much Has Been Paid to Heney, Burns, Cobb and Their Assistants.

SAN FRANCISCO, May 20.—Rudolph Spreckels, whose testimony in Calhoun case was interrupted yesterday, gave a statement on the witness stand today, purporting to cover his contributions to the cause of graft prosecution. He declared that the total subscriptions received from all sources amounted to $231,391, all of which had been expended. Mr. Spreckels testified that he personally had given $138,478 of this amount, and from his declarations is was inferred that he was still self-obligated for an indefinite amount.

The financial statement presented by Mr. Spreckels was divided into four accounts entitled "W. J. Burns" with a total of $123,250; "F. J. Heney," with a total of $23,828; "C. W. Cobb," with a total of $10,000, and "Sundry," with a total of $66,295. The allegations put in evidence are as follows:

"That the salary paid W. J. Burns amounted to $8548; that he was paid for subsistence $2081 and for office rent $1726. His bill for automobile hire was $2700 and for automobile expenses $4162. The services of the detectives and agents associated with him amounted to $70,572 and their expenses to $27,277."

Among the items credited to sundries are $11,000 paid to Hiram Johnson and $13,400 to J. J. Dwyer, attorneys who have aided the prosecution; $5078 to Percy Delman, an attache of the District Attorney's office; $17,195 to W. J. Burns, of which Mr. Spreckels made mention and $5,100 for automobiles.

Mr. Spreckels, replying to Mr. Heney, testified that the latter had volunteered to work without pay at the outset of the prosecution, at which time there was no intention of attempting to bring to justice any persons other than Mayor Schmitz, Abraham Ruef and the officials of the administration.

MARTIN DENNY SOLID WITH CITY COUNCIL.

Portland Judge Moved to Criticism by Failure to Suppress Ex-Pugilist's Resort.

Martin Denny, a former pugilist, well remembered in Roseburg by reason of a 10-round bout with a local man in this city about one year ago, comes again to public notice through the following:

PORTLAND, Or., May 20.—"The city council displayed poor judgment in granting a liquor license to Martin Denny in the first instance, and has been derelict in its duty ever since in not revoking the permit, as I am satisfied from the testimony adduced in this court in several cases, that Denny participates in the receipts secured from the rental of rooms in the lodging-house over his dive. There is no direct testimony, however, against him in this case, and he will be discharged, but Anna Fredericks will be found guilty and fined the maximum penalty of $200."

This was the manner in which Police Judge Van Zante summed up the case of Martin Denny, proprietor of a saloon at Third and Jefferson streets, and Anna Fredericks, former landlady of a rooming-house over the place, who were tried this morning on charges of conducting an immoral resort. Attorney John Henry Stevenson, representing the woman, at once gave notice of an appeal, and the case will again be fought out in the circuit court.

Denny and Mrs. Fredericks were arrested about a week ago as the result of disclosures made by Ethel Ferguson, who was taken into custody on suspicion of stealing a certificate of deposit from a man named Higgins, whom she decoyed into the lodging-house in question. The Ferguson woman was sentenced to 60 days for vagrancy and agreed to testify against Denny and Mrs. Fredericks. In the Police court this morning she again told of the disorderly manner in which the place was conducted, and her testimony was, in part, corroborated by the woman on trial.

SUIT TO COMPEL SEATING OF TWO COUNCILMEN.

MARSHFIELD, Or., May 20.—Mandamus proceedings have been started in the circuit court for the purpose of settling the troubles of the appointments to the city council. The suit was started by Attorney C. F. McKnight and A. Selby. City Recorder J. W. Butler, ex-officio clerk of the council, is named as defendant. It is set forth that Councilmen [illegible] and Lockhart resigned and that Mayor Straw named G. W. Carleton and W. R. Haines as councilmen and that they were duly qualified, but that the city recorder has refused to enroll the names of Carleton and Haines as members, and the proceedings are brought to force him to do so. The Recorder has been cited by Judge Coke to appear Monday, May 27, to answer the mandamus.

S.S.S. THE CURE FOR SCROFULA

The usual symptoms of Scrofula are enlarged glands of the neck, sores and ulcers on the body, skin affections, catarrhal troubles, weak eyes, and general poor health. The inherited poison, transmitted through the blood, pollutes and weakens this fluid, and in place of its nutritive qualities fills the circulation with scrofulous matter, which saps the vitality of the entire system. Thousands of children, born with a scrofulous taint, have spent their childhood in constant physical suffering, and grown to manhood or womanhood handicapped by ill health and stunted growth, and perhaps later some disease of the bones or joints developed. S. S. S., given in their early life, would have prevented this. It would have cleansed and purified the blood of the taint, nourished and strengthened their systems, and assisted each to grow into strong, healthful manhood or womanhood. S. S. S. is the very best remedy for Scrofula. It goes down to the bottom of the trouble, and cleanses the circulation of all scrofulous matter. It supplies the weak, diseased blood with strength and health-building qualities, and under the purifying effects of this great remedy all symptoms of Scrofula pass away. S. S. S. contains no mineral in any form, and is an absolutely safe treatment for children, even infants or persons of any age. Literature about Scrofula and any medical advice free. OAKLAND NEWS.

On Thursday, E. G. Young & Co. shipped 60,000 pounds of wool to Portland.

P. W. Beckley started to Prineville Wednesday.

Tuesday evening N. H. Rone's team became frightened at F. B. Waite's automobile at the "Shuey place." The buggy and team went over an embankment, demolishing the rig and hurting the horses some. Mr. Rone escaped with a few painful bruises.

The members of the band who found it possible to go to Roseburg last week are loud in their praise of the Commercial Club, owing to the treatment they received while guests of the club. Everything which could be done toward adding to their enjoyment was most graciously extended by the club members and the population of Roseburg and the boys feel that their efforts were appreciated. There were three bands at the Strawberry Carnival in Roseburg, and, as expected, the Oakland musicians were the best.

A daughter has arrived at the home of Mr. and Mrs. Warren Mabie in Green Valley.

Mrs. Alice Johnson died in Los Angeles, Calif., Monday last. She was a daughter of Mrs. Ann Harness, of Roseburg, and was born and reared in Douglas county. Many friends are pained to hear of her unexpected taking away.—Oakland Owl.

ODD FELLOWS MEET IN EUGENE NEXT YEAR.

Rebekah Assembly Elects New Set of Officers—Appointments Made for Grand Officers.

ALBANY, Or., May 20.—The Grand Lodge of Oregon I. O. O. F., concluded its 54th annual session tonight and adjourned to meet next year in Eugene. The Lane county capital won the 1910 convention by a vote of 207 against 101 for Portland, the other candidates withdrawing before the ballot was taken. The convention was a most successful one in every respect and was notable in that more delegates attended it than any previous session of the Grand Lodge.

Robert Andrews, of Portland, and J. F. Risely, of Oswego, were chosen trustees of the Oddfellows' Home.

The following officers were appointed this afternoon to serve for the ensuing year: Grand marshal, R. H. Rohrig, of Union; grand conductor, Wayne Grider, of Condon; grand guardian, W. A. Wheeler, of Portland; grand herald, O. B. Dews, of Ashland; grand chaplain, Rev. C. P. Gates, of St. John.

Elect Hereafter by One Ballot.

The grand lodge constitution was changed today so that one ballot will elect candidates to all degrees hereafter.

The Rebekah Assembly also completed its session and adjourned tonight. The session is pronounced the most pleasant in the history of the assembly, and nothing occurred to cause a single jar. The assembly by resolution gave a hundred votes of thanks to Mrs. J. K. Weatherford, Mrs. C. W. Sears and Mrs. J. J. Collins, the committee of Albany women who handled arrangements for the gathering.

The Rebekah Assembly elected officers as follows: President, Corrie Hubbard, of Independence; vice-president, Addie Grout, of LaGrande; warden, Belle Belcher, of Portland; secretary, Ora Cosper, of Dallas (re-elected); treasurer, Eda Jacobs, of Corvallis (re-elected); trustee of Odd Fellows' Home in Portland, Emma Galloway, of McMinnville; trustees of Rebekah Assembly, Minnie Baird, of Union; Anna Templeton, of Forest Grove, and Jessie White, of Sellwood.

Rebekah Appointments Made.

The following appointive officers were named this afternoon:

Grand marshal, Jessie White, of Sellwood; grand conductor, Mary D. Moro, of Lakeview; grand chaplain, May Donnelly, of Condon; grand inside guard, Rebecca Martin, of Oswego; grand outside guard, Zilla Fletcher, of Salem; executive committee of Eugene women to arrange for the session of the assembly in that city next year: Ella Frazier, Jack Willoughby and Jennie Peters.

The election of Mrs. Ora Cosper, the popular grand secretary, reversed the fates, for this is her 13th year as secretary and the 23rd annual session of the assembly.

W. P. REED'S CONTRACT MEANS NO RAILROAD.

MARSHFIELD, Or., May 20—Warren P. Reed, of Gardiner, who had charge of the material the Southern Pacific stored along the Umpqua river for railroad construction, has been awarded the contract for moving about 2000 tons of cement to Portland and San Francisco. The cement was stored along the Umpqua River nearly three years ago, when the S. P. was actively working on the Drain-Coos Bay branch.

INSTANT RELIEF FROM DREAD CATARRH.

Why don't you get rid of that nasty, humiliating disease catarrh?

You can do it if you really want to.

But you can't cure catarrh in a few days, that's an utter impossibility, because there is no remedy known that will kill the catarrh germs in that short time.

But you can cure catarrh if you will have a little patience and breathe in Hyomei (pronounced High-o-me), three or four times a day.

Hyomei cures catarrh by killing the germs; it kills the germs because it gets where the germs are.

Hyomei is a powerful antiseptic and germ killer; it is made from the fluid extracted from the eucalyptus trees of inland Australia where catarrh has never existed.

It gives relief instantly, stops hawking in a few days and is guaranteed to cure catarrh, asthma, croup and bronchitis or money back. A complete outfit, including inhaler costs $1.00, and extra bottles of Hyomei if afterward needed, cost but 50 cents. Sold by leading druggists everywhere.

"Hyomei certainly save my life and I accord it the credit which it deserves and merits. There is nothing too strong for me to say regarding Hyomei."—Mrs. Ada Hopkins, 8 Cutter Ave., Coldwater, Mich., August 22, 1908.
